_____
RISK & LIABILITY DISCLAIMER
Trading in financial markets involves substantial risk and may result in
the loss of capital.

Past performance is not indicative of future results.

This software and all related materials are provided for informational
and educational purposes only and do not constitute financial,
investment, legal, or tax advice.

Under no circumstances shall the content, functionality, or output of
this software be interpreted as financial advice or investment
recommendations.

Users assume full responsibility for all trading decisions and associated
risks.

Please follow the instructions below carefully to ensure proper
installation and license activation.

_____
1. **SYSTEM REQUIREMENTS**
• MetaTrader 4 (MT4) installed on a Windows PC
• An active MT4 trading account (Demo or Live)
• Internet connection for initial license activation
_____
2. **INSTALLATION**
Locate the MT4 Data Folder
• Open MetaTrader 4
• Click File → Open Data Folder

Install the EA File
• Navigate to MQL4 → Experts
• Drag and drop the provided .ex4 file into this folder
• Close and restart MetaTrader 4 to load the EA

Important:
Do not rename, move, or copy the .ex4 file outside the MQL4 → Experts
folder. The EA must remain in this directory to activate correctly.

_____
3. **ATTACH THE EA TO A CHART**
• Open the chart for the trading symbol you wish to use (e.g., EURUSD)
• In the Navigator Panel → Expert Advisors, locate your EA
• Double-click or drag the EA onto the chart

In the settings window:
• Adjust trading parameters as desired
• Enable Allow Live Trading
• Enable Allow DLL Imports

Click OK to activate.

_____
4. **LICENSE ACTIVATION**
The EA automatically registers one of your provided MT4 account number upon first run
• Activation is permanently tied to that MT4 account
• Additional account activations may be used based on your license tier
• Reusing the same MT4 account does not consume extra activation slots

Important Notes:
• Only the first activation per account counts toward your license limit
• Avoid unnecessary account changes or complete MT4 reinstalls to prevent activation issues

_____
5. **VERIFY ACTIVATION STATUS**
After attaching the EA, check the chart's upper-right corner or the MT4 Journal tab.

Successful Activation Message:
EA bound to 12345 on terminal Tradersway –DEMO/LIVE_Jhon Do_12345

If Activation Fails:
This EA is not authorized for this account

_____
6. **TROUBLESHOOTING**
EA not visible in Navigator:
• Ensure the .ex4 file is in MQL4 → Experts and restart MT4

License error:
• Verify your MT4 account number

No trades executed:
• Confirm Allow Live Trading is enabled and broker permissions allow automated trading

─────────────────────────────────────

7. **SUPPORT**

For technical assistance, contact:
imfxti.atutad@gmail.com
Please include:

• Screenshots of any error messages
• BUILD ID
• MT4 Account Number

─────────────────────────────────────

LICENSE USAGE GUIDELINES

To ensure proper functionality and compliance:
File Usage
• Use only the supplied .ex4 file
• Do not rename, modify, or relocate the file
• Always install within MQL4 → Experts

Account Binding
• The EA functions only on your provided MT4 account numbers
• Copying the EA to other computers or accounts does not bypass activation
Activation Limits

• Tier 1 — two (2) account activations
• Tier 2 — Up to ten (10) account activations
• Activations beyond licensed account limits are automatically blocked

Reinstallation
• Reinstalling on the same account does not consume activations
• Only new accounts count toward your limit

Prohibited Actions
• Redistribution, resale, or sharing of the EA or License Key is strictly prohibited
• Violations may result in immediate license deactivation

Thank you for choosing the *Licensed Automated Trading Software* digital product from
Innovative Modern Foreign Exchange Trading INC.

We wish you successful trading.
