

Jamie

Jamie pursued her education to become a cosmetologist and worked in several salons. Before joining My Choice, she dedicated her time as a caregiver for her grandmother in home health care. Recently, she became involved with waiver services as a natural support for a family member. The support and guidance she received from the staff at My Choice during her family's journey inspired her to take a position here. Her favorite aspect of working at My Choice is building connections with our wonderful individuals and fantastic staff. She enjoys organizing games in small groups and coordinating crafts for everyone, even creatively adapting activities to meet individual needs. In her free time, she loves listening to music and watching horror films.

Brittany

Brittany has dedicated her entire career to this field. While attending college, she began working as a substitute through CCBDD at their Adult Activity Centers. Eventually, she worked at Brooklyn AAC, where she spent 12 years in various roles. In 2017, she transitioned to My Choice, starting as a job coach and currently serving as the Program Director. Her primary responsibility involves overseeing in-house activities and ensuring that everyone's outcomes are achieved through enjoyable, engaging, and educational experiences.

The aspect of her job she cherishes most is helping individuals reach significant milestones. Whether it's acquiring a new skill or being a supportive presence in their successes, she takes great pride in her role.

In her spare time, Brittany enjoys antiquing and thrifting, playing cozy video games, reading, traveling, and being a loving dog mom to her two energetic chihuahuas. She also loves watching Bravo and relaxing on patios during warm weather.

Melanie

Melanie began her journey with CCBDD many years ago as a part-time summer employee while attending college. She found the experience so rewarding that when offered a full-time role, she gladly accepted and switched to part-time studies. Aside from a few years spent working in hospitals, she has remained dedicated to this field. She thrives on the positive energy at My Choice and cherishes the chance to share countless enjoyable and engaging experiences with everyone. In her spare time, she loves to spend time with her three grandchildren and enjoys a variety of outdoor activities, including gardening, hiking, and biking.

Mike

Mike dedicated over 30 years to the Cuyahoga County Board of DD, and after his retirement, he embarked on an exciting journey by founding My Choice. This experience has been truly rewarding for him. What he cherishes most about his role at My Choice is the joy and laughter shared while collaborating as a team to support those we serve. Outside of work, Mike loves fishing, boating, and being actively involved in the lives of his grandchildren.
