

HEINRICH

Technology Beyond Imagination.

Company Profile

Prepared By Mohit Mishra (Sr. Marketing Manager)

WWW.HEINRICHLIMITED.COM

ABOUT US

- HEINRICH is Germany Based Organization also have Heinrich limited registered under law of United Kingdom in London.
- Presence in Germany, Hong Kong, Africa, Vietnam, Bangladesh, United Arab Emirates, Saudi Arabia, Thailand, Turkey, Netherland, Bangladesh, Australia, USA, UAE, Singapore, Denmark, Turkey, France, Switzerland etc.
- Public Address & Voice Alarm System, IP-Based PA System, Video Surveillance Systems which combine the superior build standards and outstanding levels of design expected of a German based technology.
- Manufacturer of Public Address System, IP based and Digital PA and Sound system, Video (CCTV), evacuation, BGM, Professional sound, Nurse call system, Emergency light, Digital Line array, Fire Alarm system and Networking Component.
- Comply with EN54, ROHS, CE ,ISO , VDS, BS6259, IEC60849, UL1069 and IS.

COMPANY VALUE

HEINRICH continues investment in the research and development (R&D) of its product range to ensure compatibility and compliance with all applicable industry standards such as **EN-54, BIS, CE, RoHS, and UL 1069**. As a leading company of life safety products, our mission is to provide our customers with **professional sound systems, PAVA, IP-based PAVA & intercom systems, fire alarm systems, video surveillance systems, nurse call systems, and networking solutions** that provide improved, safer, and easier-to-use solutions. The experience of our R&D and customer/technical support team has allowed us to implement and respond rapidly to the demands of our various vertical markets with specific solutions.

HEINRICH's design expert team ensures that customer requirements are central to each system by selecting the most suitable products for the project. Our engineering team works closely with our customers to ensure each system is fully compatible with project requirements and will not adversely impact site infrastructure. We have completed **1500+ project installations around the world in industries such as railways, metros, corporate, malls, tunnels, conference rooms, auditoriums, and so on.**

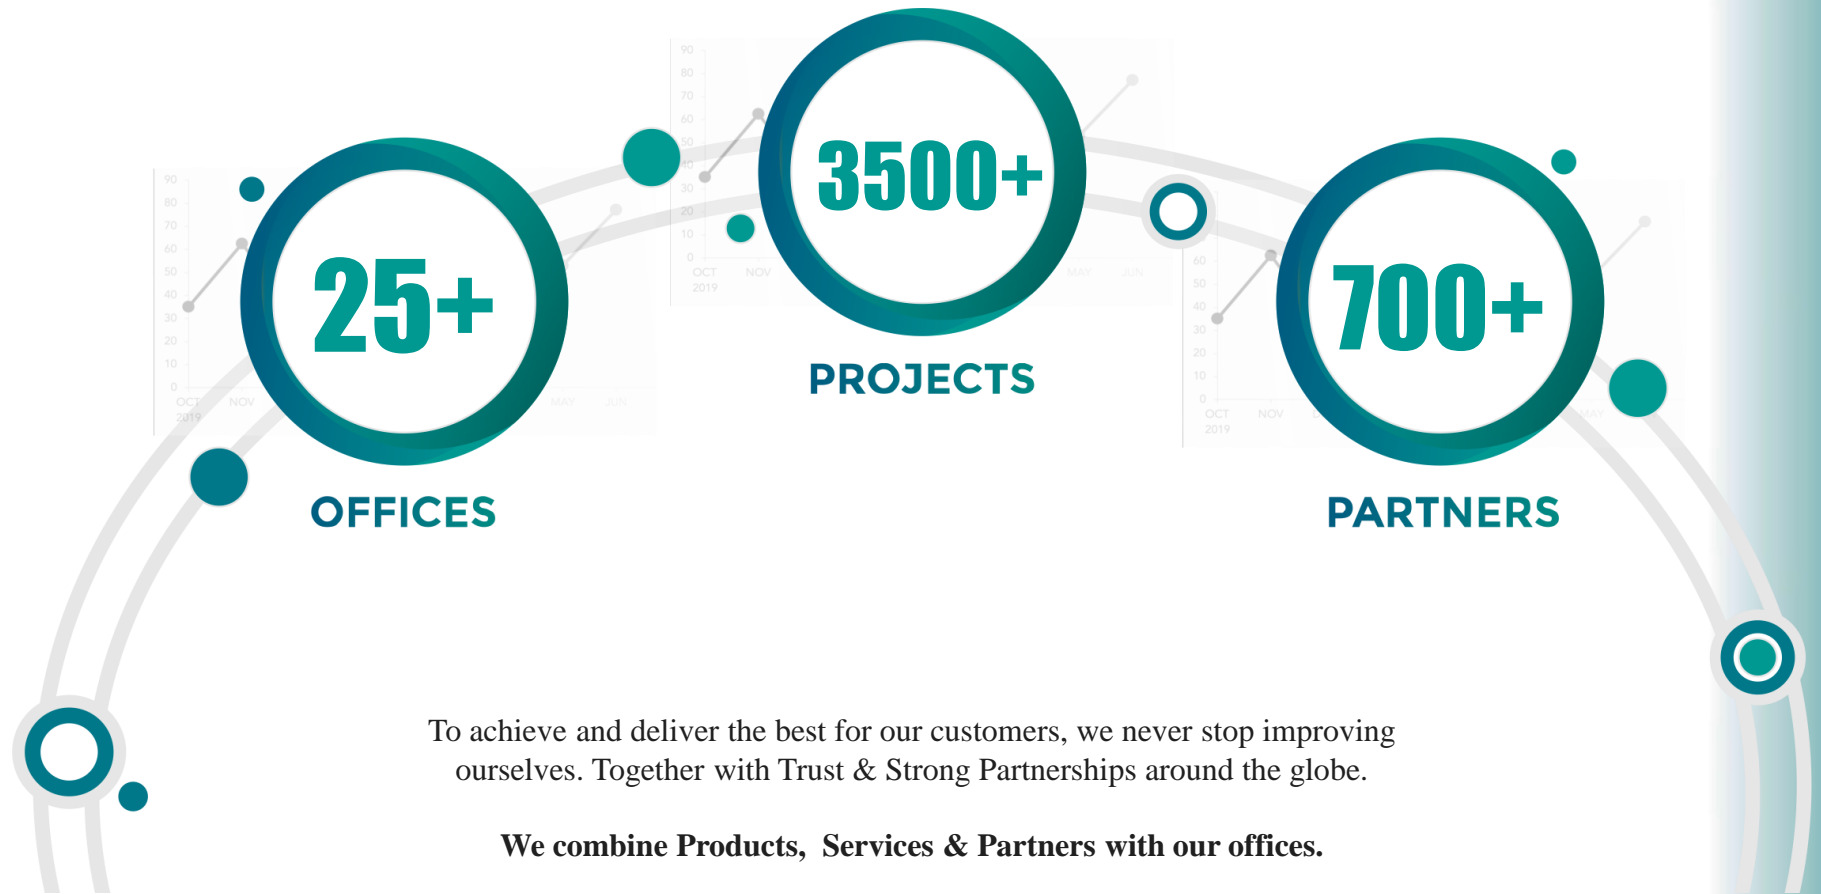

MISSION

By offering top-quality products and services, **HEINRICH** strives to achieve an **EXCELLENCE POSITION** as a world leader in Life Safety and Automation.

VISION

To distinguish the **HEINRICH** brand as the number one brand in every market. We strive to revolutionize this company to become a leader in quality products, customer service, and innovation for tomorrow.

Fire Alarm System

- 1-2 Loops Addressable Fire Alarm System
- 4-8 Loops Addressable Fire Alarm System
- Conventional Fire Alarm System

CCTV Surveillance System

- Network Video Recorder
- IP Bullet Camera
- IP Dome Camera
- PTZ Camera
- Smart IR Distance Camera

SOLUTION AT GLANCE

As a leading company of life safety products, our mission is to provide our customers with **professional sound systems, PAVA, IP-based PAVA & intercom systems, fire alarm systems, video surveillance systems, nurse call systems, and networking solutions** that provide improved, safer, and easier-to-use solutions.

Corporate Solution

Railway & Metro Solution

Conference/Meeting Room Solution

Tunnels & Highways Solutions

Airport Solution

Hotel Solution

Hospital Solution

Auditorium & Stadiums Solution

Smart City Solution

Industrial Solution

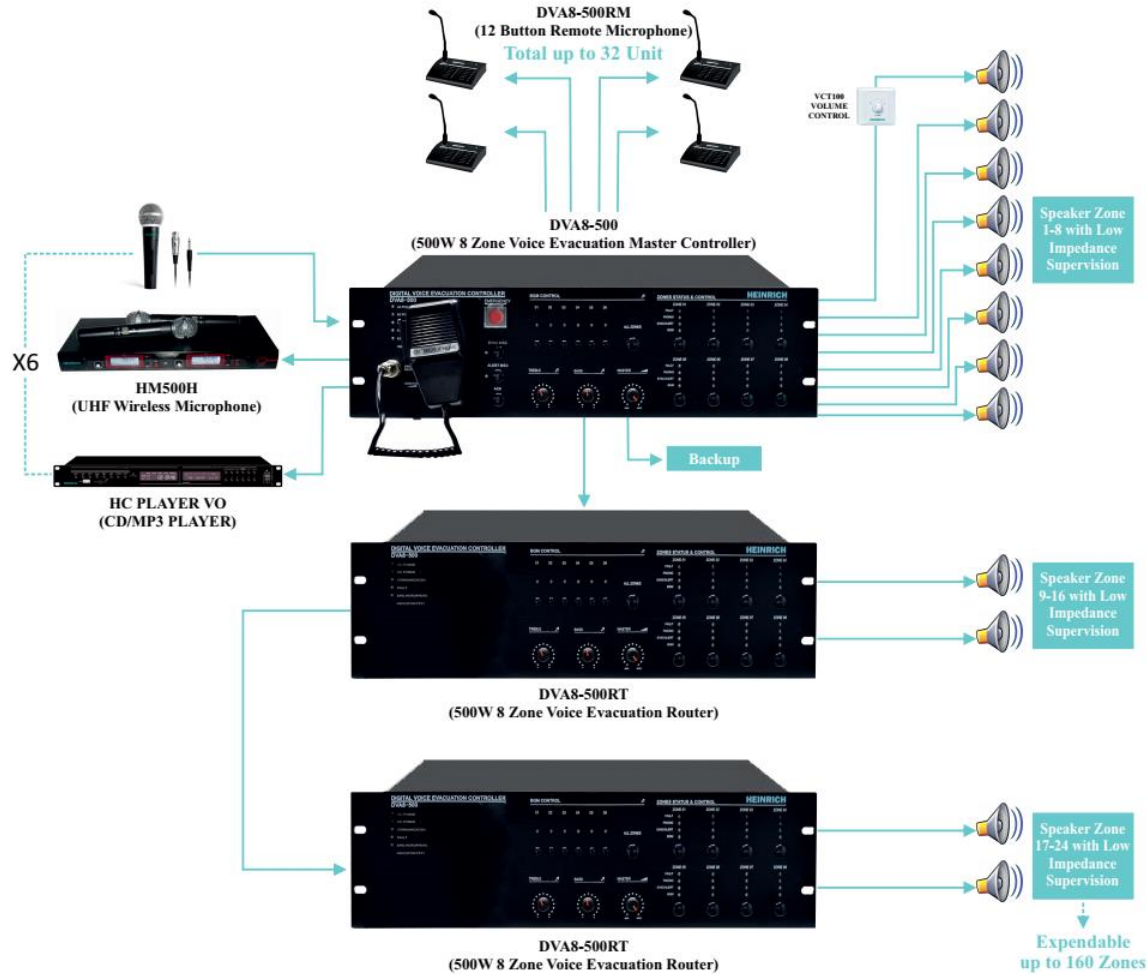

Induction Loop Solution

We Design, We Execute, We Deliver

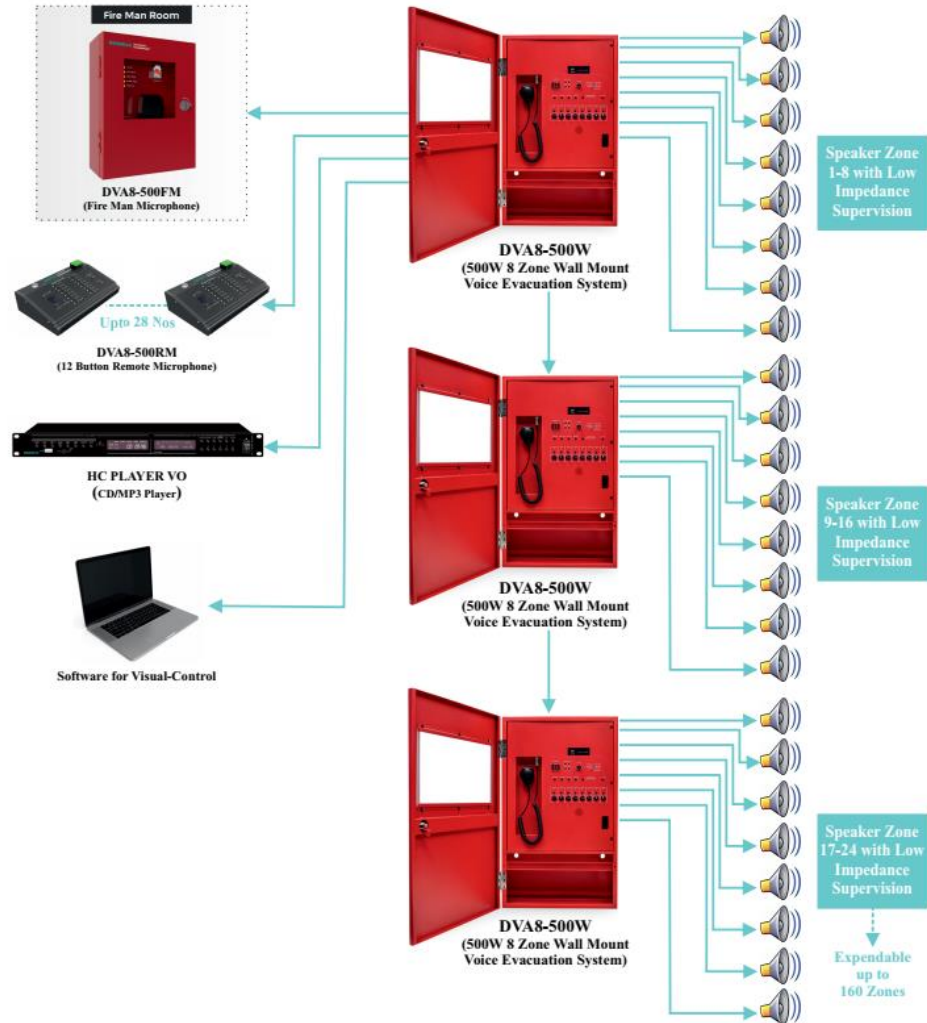

CORPORATE SOLUTION

I. DVA8-500 (8 Zones Voice Evacuation System)

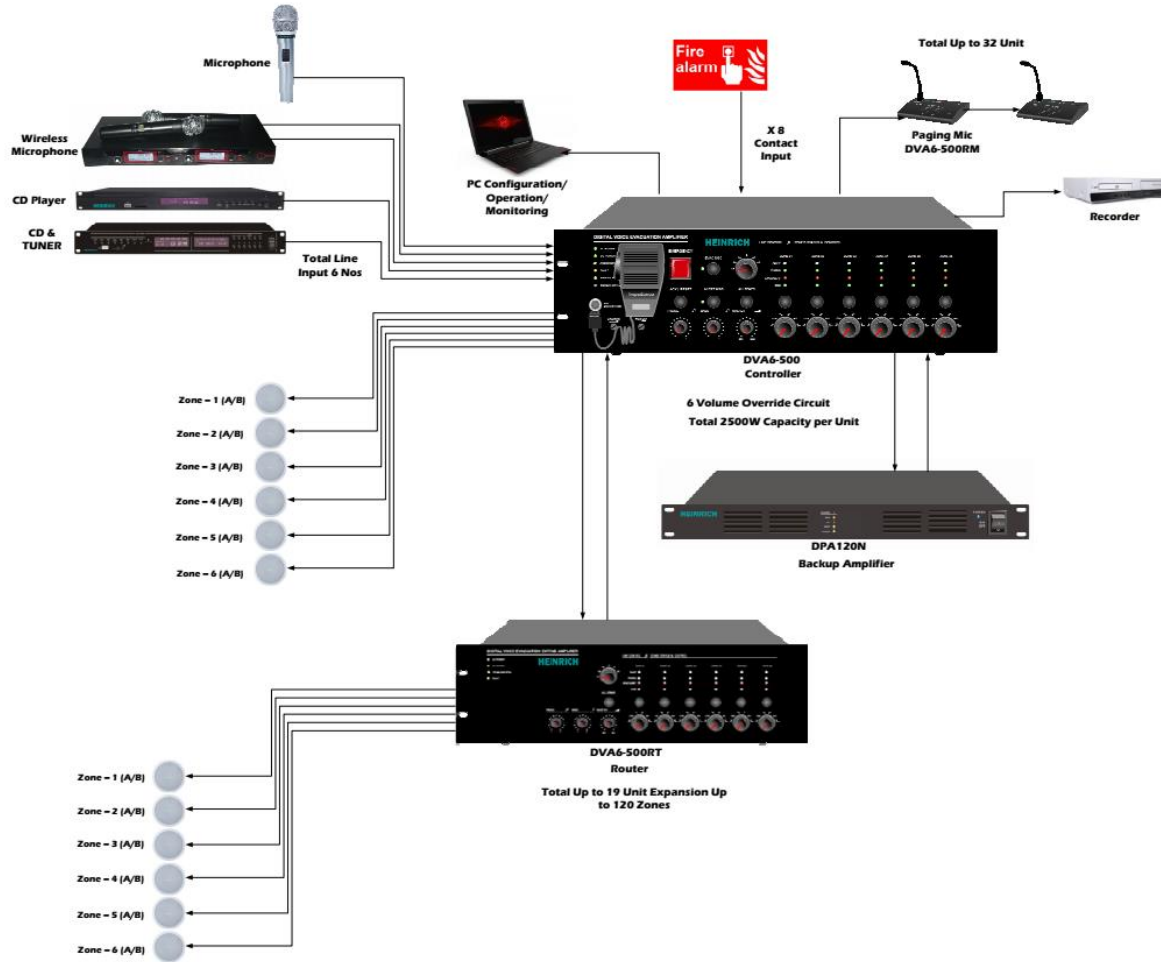

CORPORATE SOLUTION

II. DVA8-500W (8 Zones Wall Mount Voice Evacuation System)

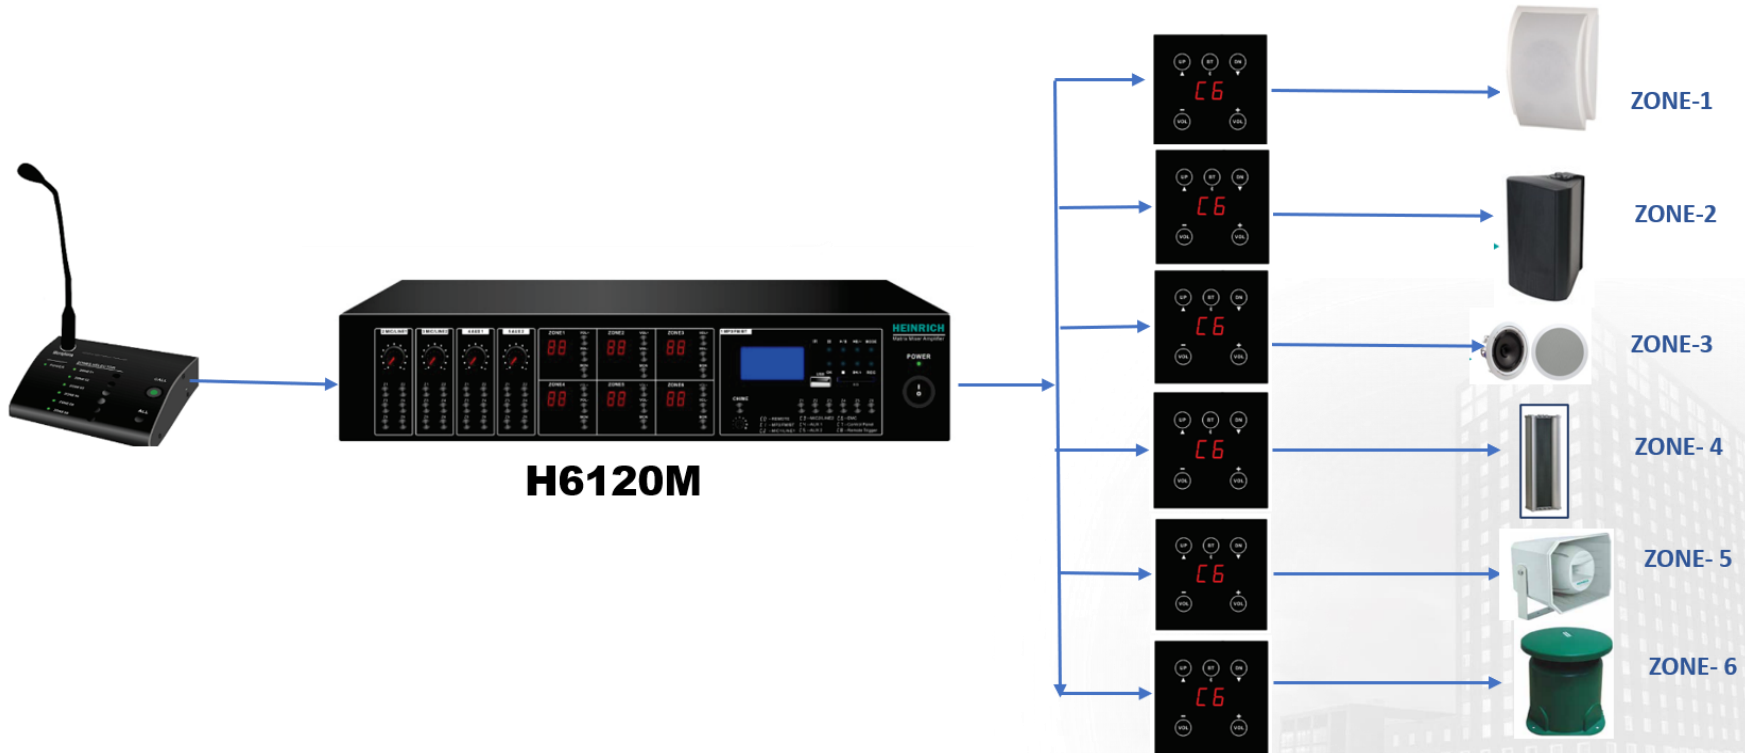

CORPORATE SOLUTION

IV. Voicer-G3 (6 Zones Voice Evacuation System)

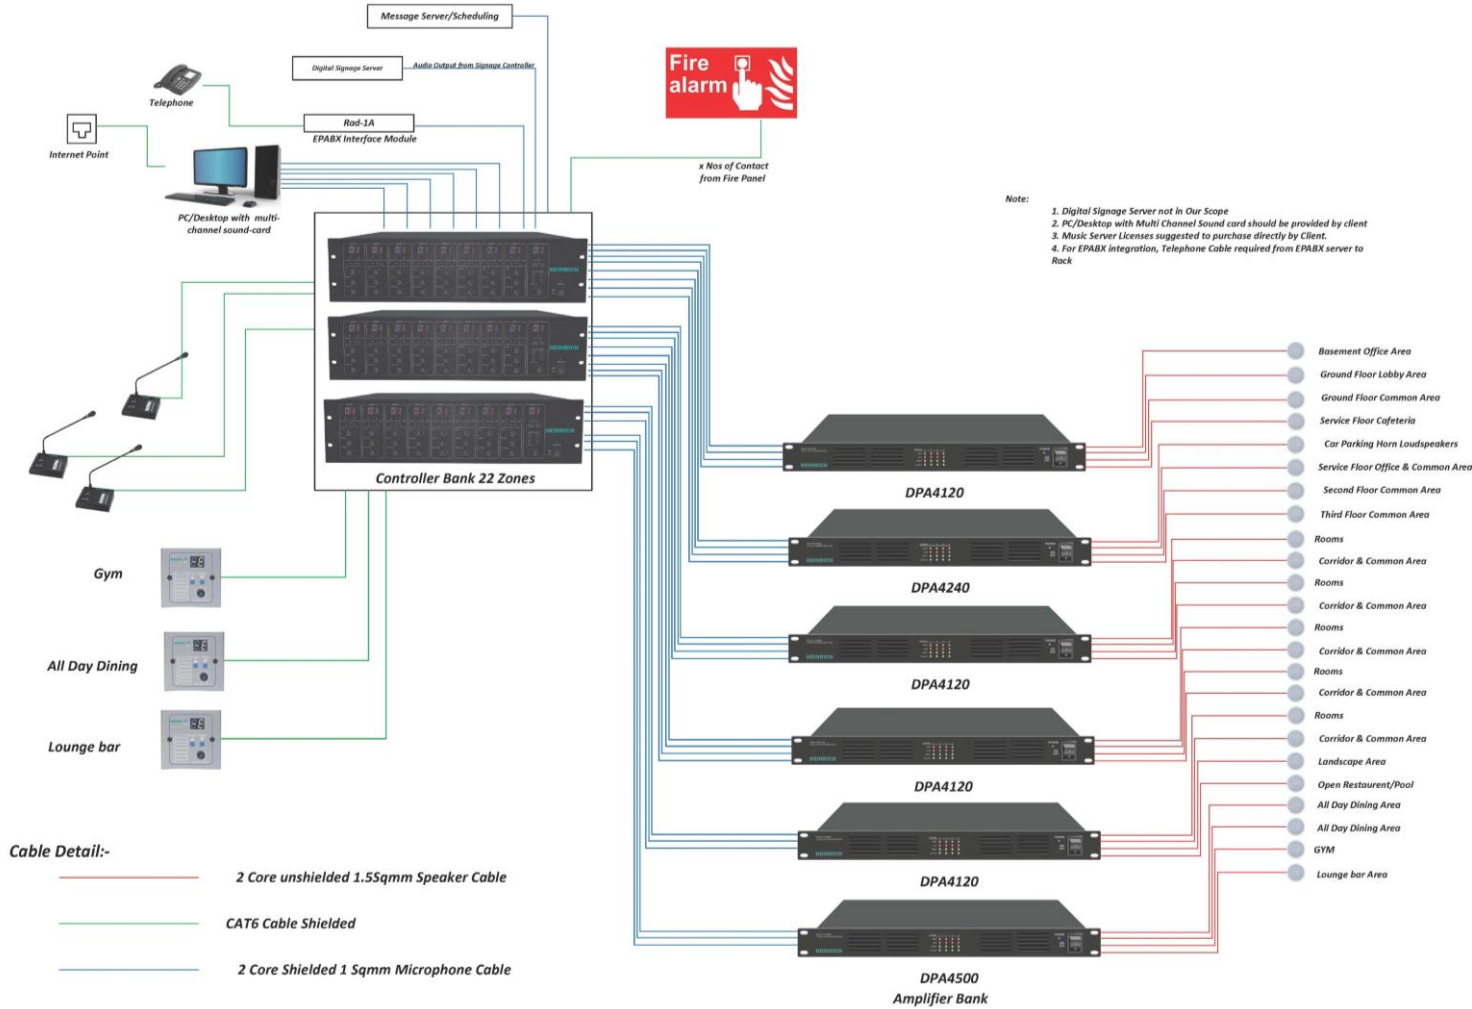

HOTELS SOLUTION

I. H6120M (6 Zone Music Controller with Amplifier)

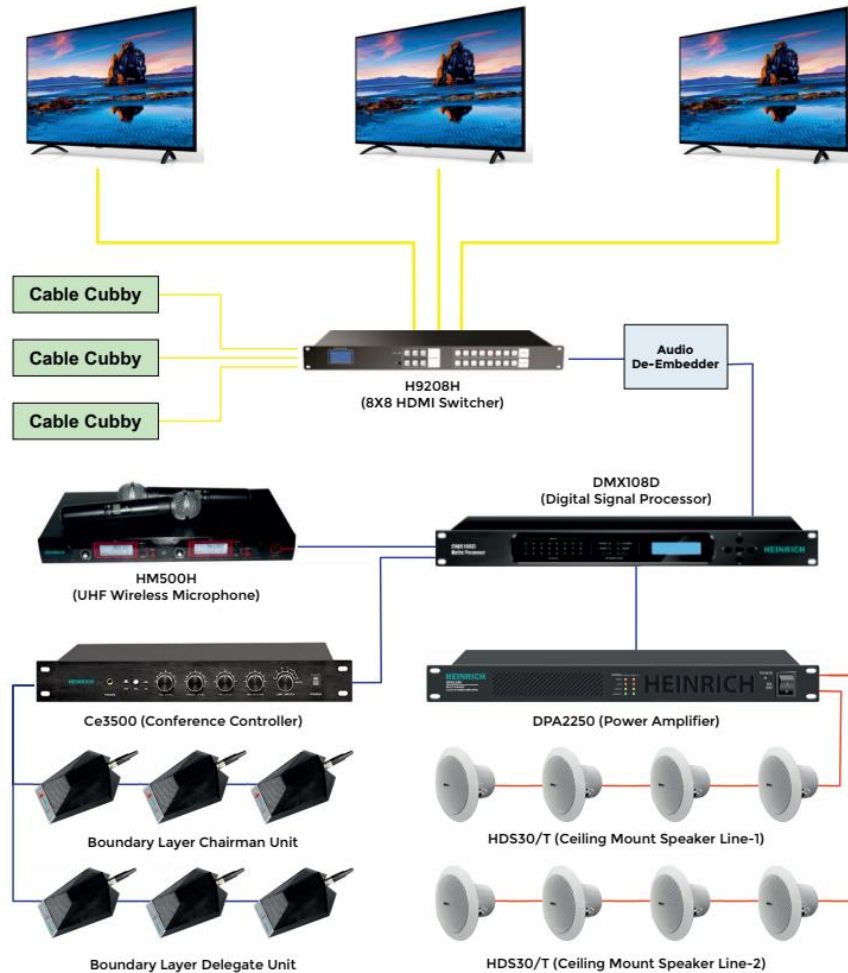

HOTELS SOLUTION

II. Complete Hotel Solution with Fire Integration

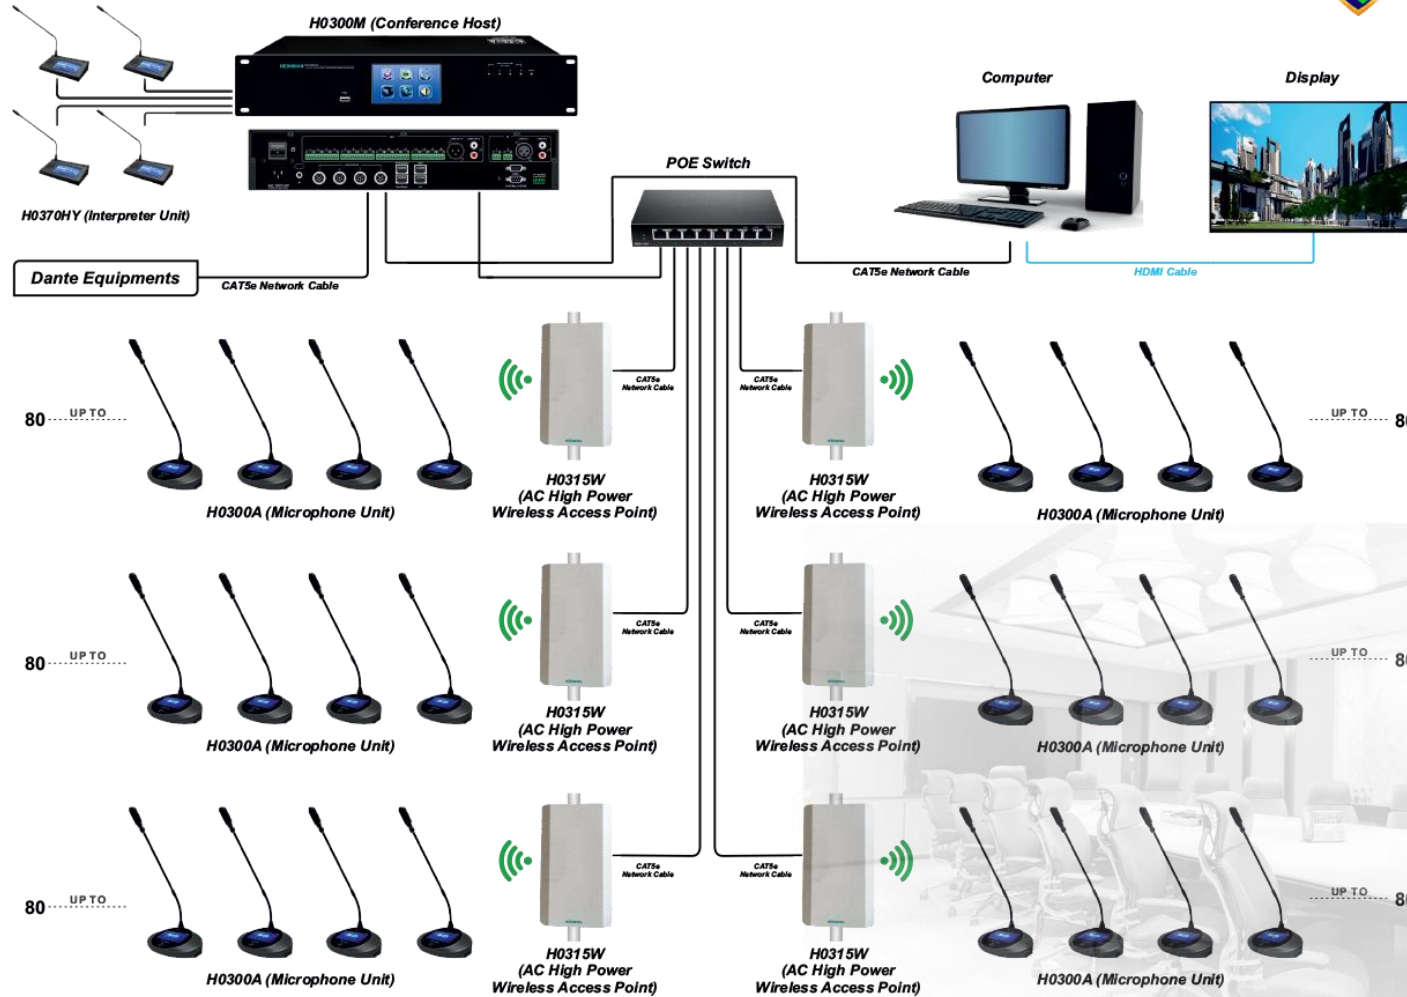

CONFERENCE SOLUTION

I. Digital Conference System

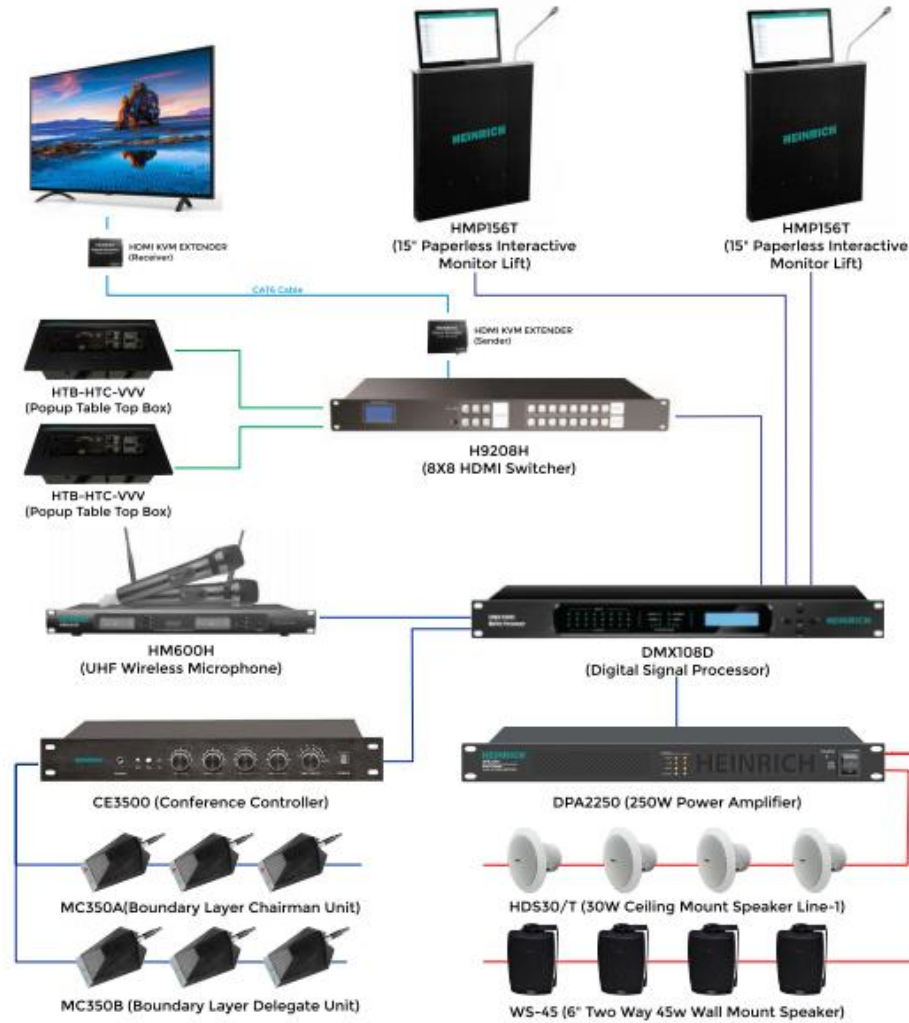

CONFERENCE SOLUTION

II. Wireless Conference System

CONFERENCE SOLUTION

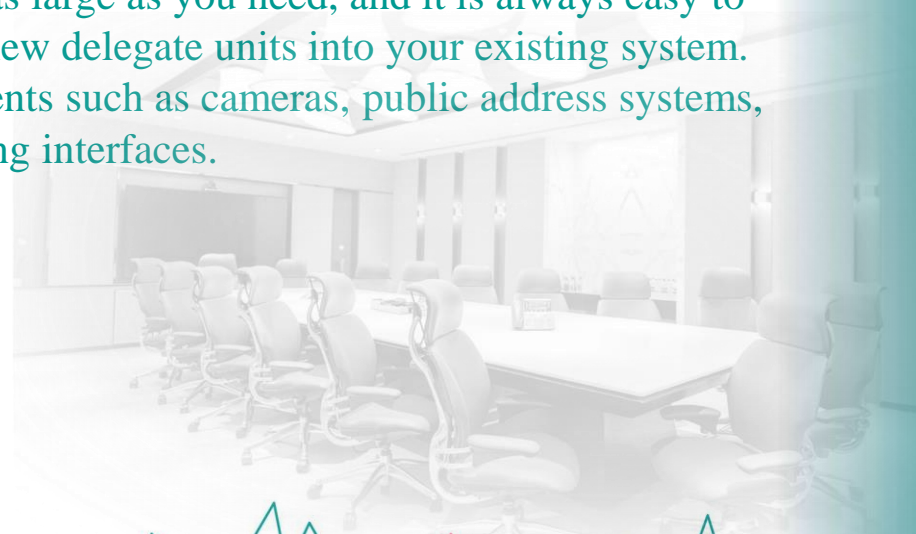

III. Paperless Conference System

Other Type Conference Microphones

The Heinrich conference system can be as small or as large as you need, and it is always easy to expand according to requirement by simply adding new delegate units into your existing system. Its compatible with a wide range of external components such as cameras, public address systems, and video conferencing interfaces.

CONFERENCE SOLUTION

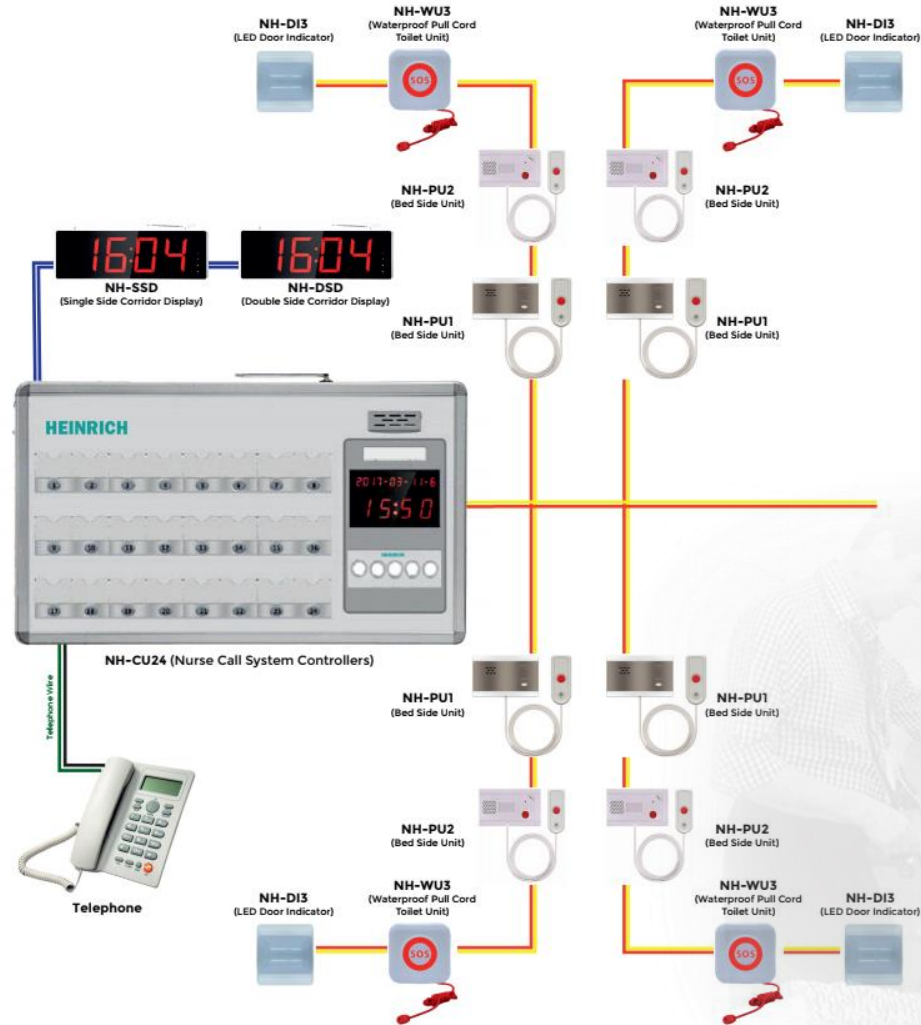

IV. H4UWPS (Wireless Presentation System)

- Single Tap Wireless Content Sharing.
- “Airplay” for Wireless Content Mirroring from Mobile.
- Fast Switching between Device in less than 3 sec.
- Upto 128 Paths Number Connection.
- USB-Touch Function for Connecting Touch-Displays
- AES WPA2PSK Protocol for Secure Signal Transmission.
- Supports 4 Devices Quad View at Same Time .
- Supports 5.8GHz Multi Channel Selection.

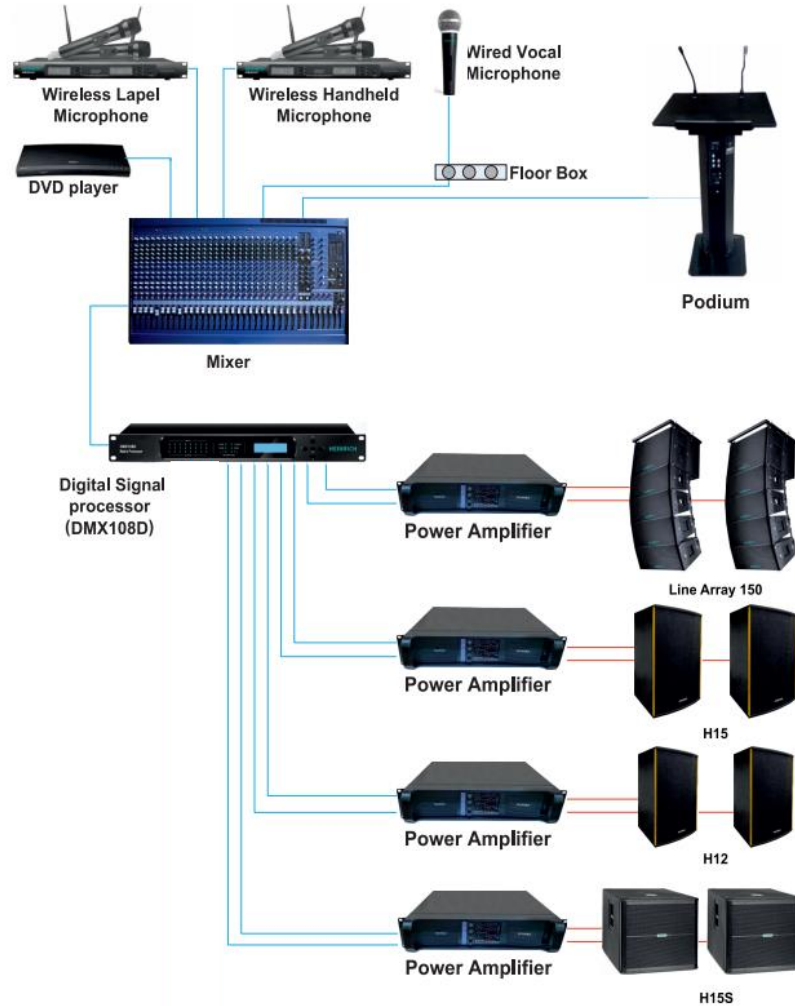

HOSPITAL SOLUTION

I. Nurse Call System

AUDITORIUM/STADIUMS SOLUTION

I. Professional Sound System

AUDITORIUM/STADIUMS SOLUTION

II. Line Array 150

- Easy Plus-in installation and use.
- Minimum cable wiring and low cost of maintenance.
- Supply with secure steel ring for easy installation.
- Built-in 85% high efficient class-D amplifier with better sound restoration and highest reliability.

AUDITORIUMS

STADIUMS

STAGES

LIVE CONCERTS

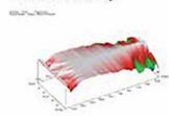

DIGITAL ACTIVE LINE ARRAY LOUDSPEAKER

3 Different line array speakers dedicated to ONE-PoS technology:

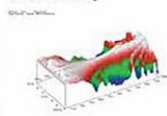

- **DALH7102** drivers full range 3.5" total 9 drivers
- **DALH8102** drivers full range 3.5" total 16 drivers
- **DALH9102** drivers full range 3.5" total 18 drivers

The DAL Series Line Array features 3.5" high-efficiency drivers mounted in a self-supporting basket, ensuring the entire array is accurate both vertically and horizontally. The robust mechanical structure, obtained from extruded aluminum, is designed to have the most optimal compromise between design and pursued audio features without creating acoustic intersections. An ideal solution for airports, churches, train stations, halls, auditoriums, and mosques.

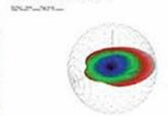

Horizontal scattering

Vertical scattering

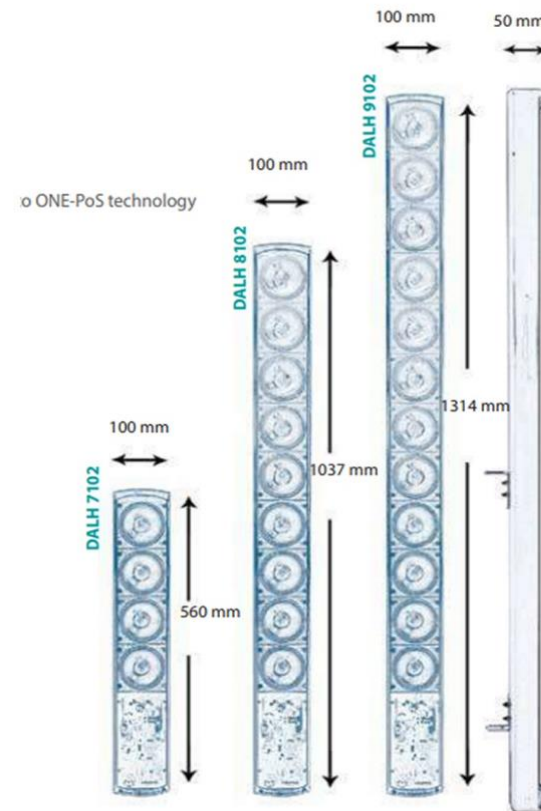

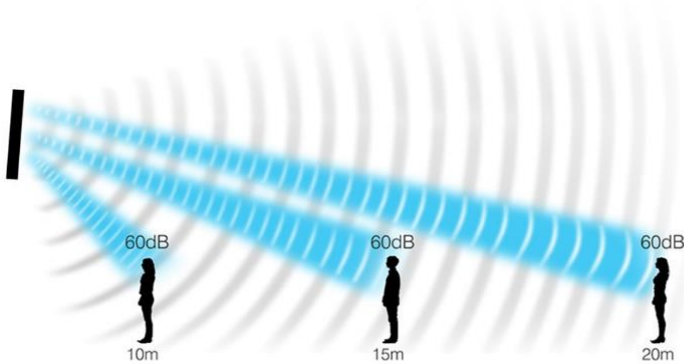

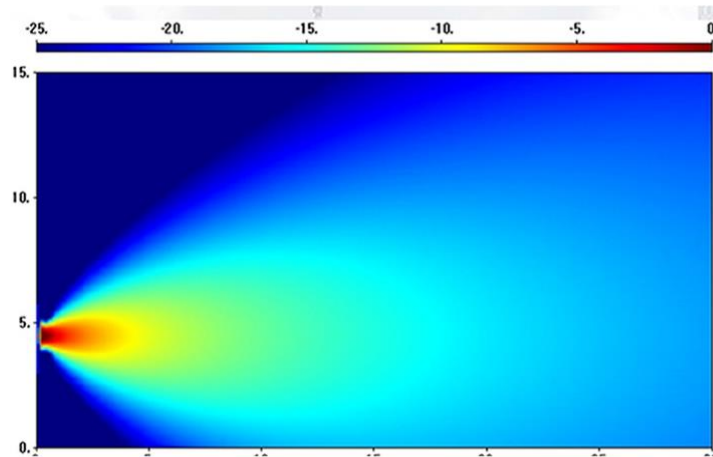

Baloon at 2000 Hz

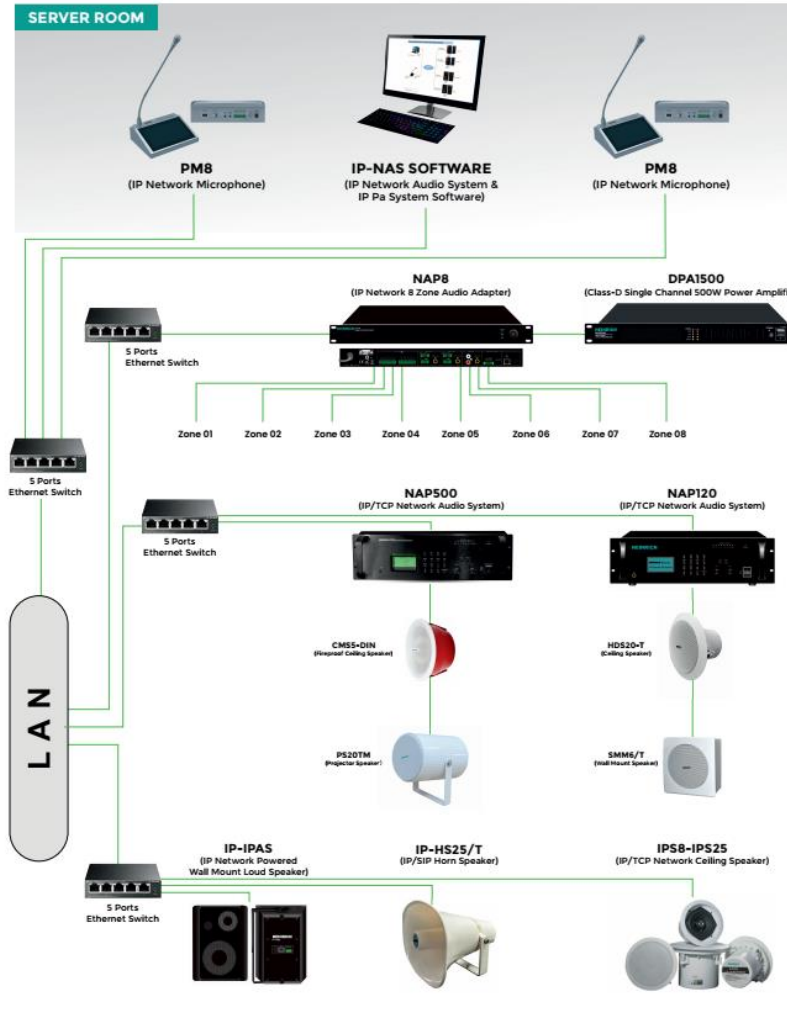

DIGITAL LINE ARRAY

- (1) Digital active line array loudspeaker
- (2) Digital Directivity Control (DDC)
- (3) Three-bands sound beam direction control
- (4) Directional angle: Horizontal > 120°. Vertical < 50°
- (5) Built-in digital signal amplifier
- (6) Wireless control via web interface
- (7) Delivering extraordinary sound clarity.
- (8) EN54 Certified

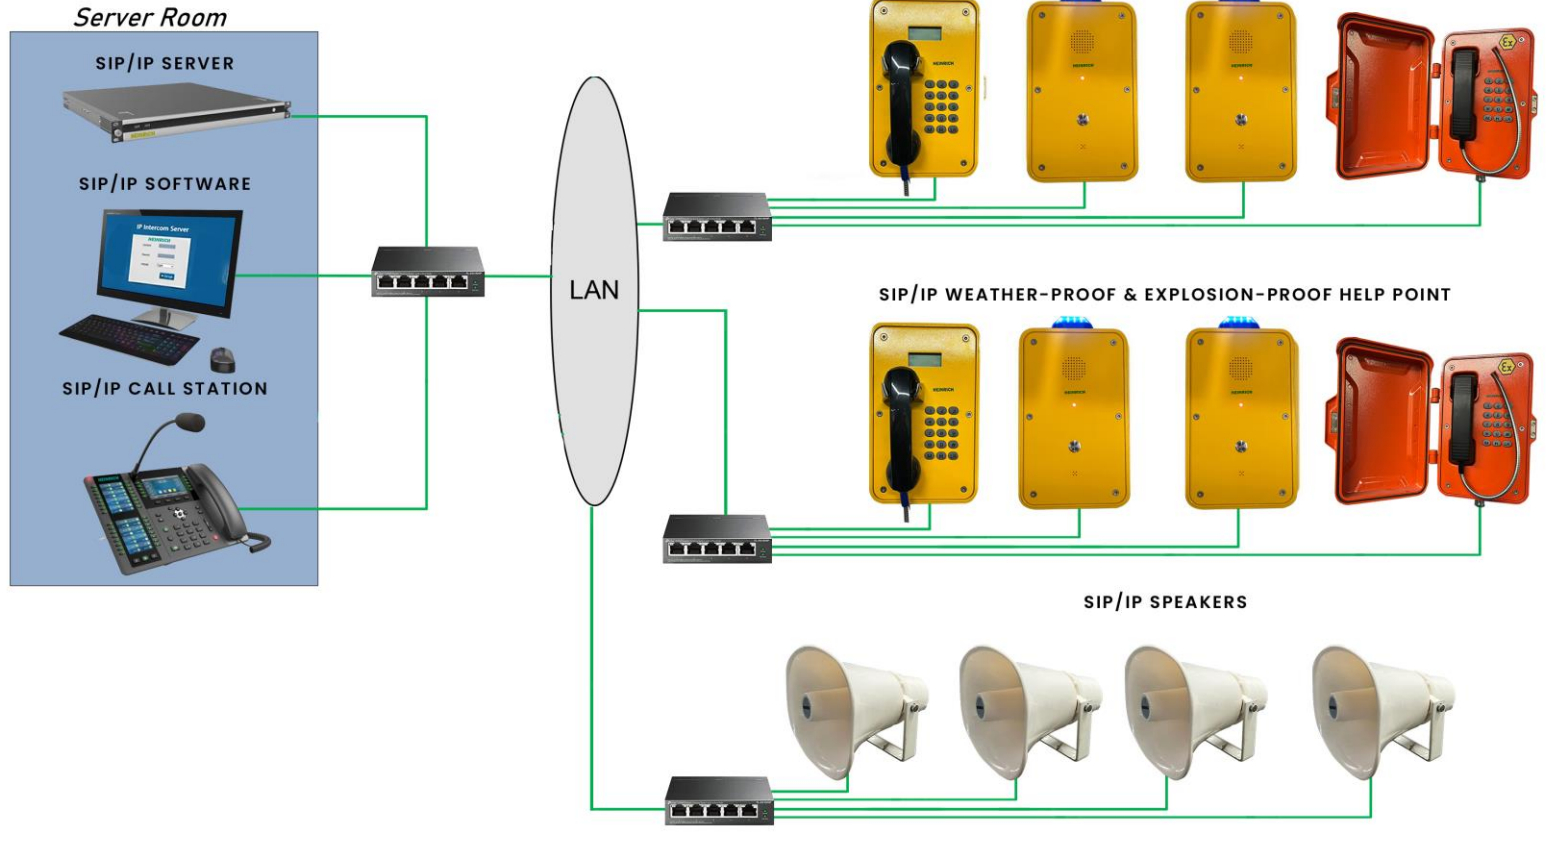

INDUSTRIAL SOLUTION

I. IP-Based PAVA System

INDUSTRIAL SOLUTION

II. IP-Based Emergency Talk Back System

SMART CITY SOLUTION

I. Smart Poles

METRO SOLUTION

II. PADS & PAS Software (Epic Software)

The Heinrich's EPIC Software is ultimate, robust control, fully expandable and upgraded capacity integrated management software. Which offers common management platform, fault monitoring and incident analysis, third party integration, graphical interface, modular system architecture, event and logs monitoring and many other features. Heinrich's EPIC software is mean to customized and improved in value and desirability as per

customer requirement and add many other features along with its existing features as per customer feedback and requirement hence its always be enhanced for customers.

Features:

- Integrated Audio and Visual Announcements.
- Role-based Access Control.
- Unique Username and Password Protected.
- Multiple Message Priority levels.
- Supports Automatic, Manual and Time mode operation control.
- Distributed processing at multiple access nodes and Network Monitoring.
- Fault and Alarm Management.
- Comprehensive library of messages types and words.
- Modular system architecture; easily expandable.
- Reduced Downtime and Maintenance cost.

Heinrich's EPIC software provides a tool in the hand of the user to control the system with a user friendly GUI operation and control. This GUI is all customizable and can be customized based on the customer requirement.

III. Central Public Addressing System (For Railways Across Country)

CENTRAL ANNOUNCEMENT

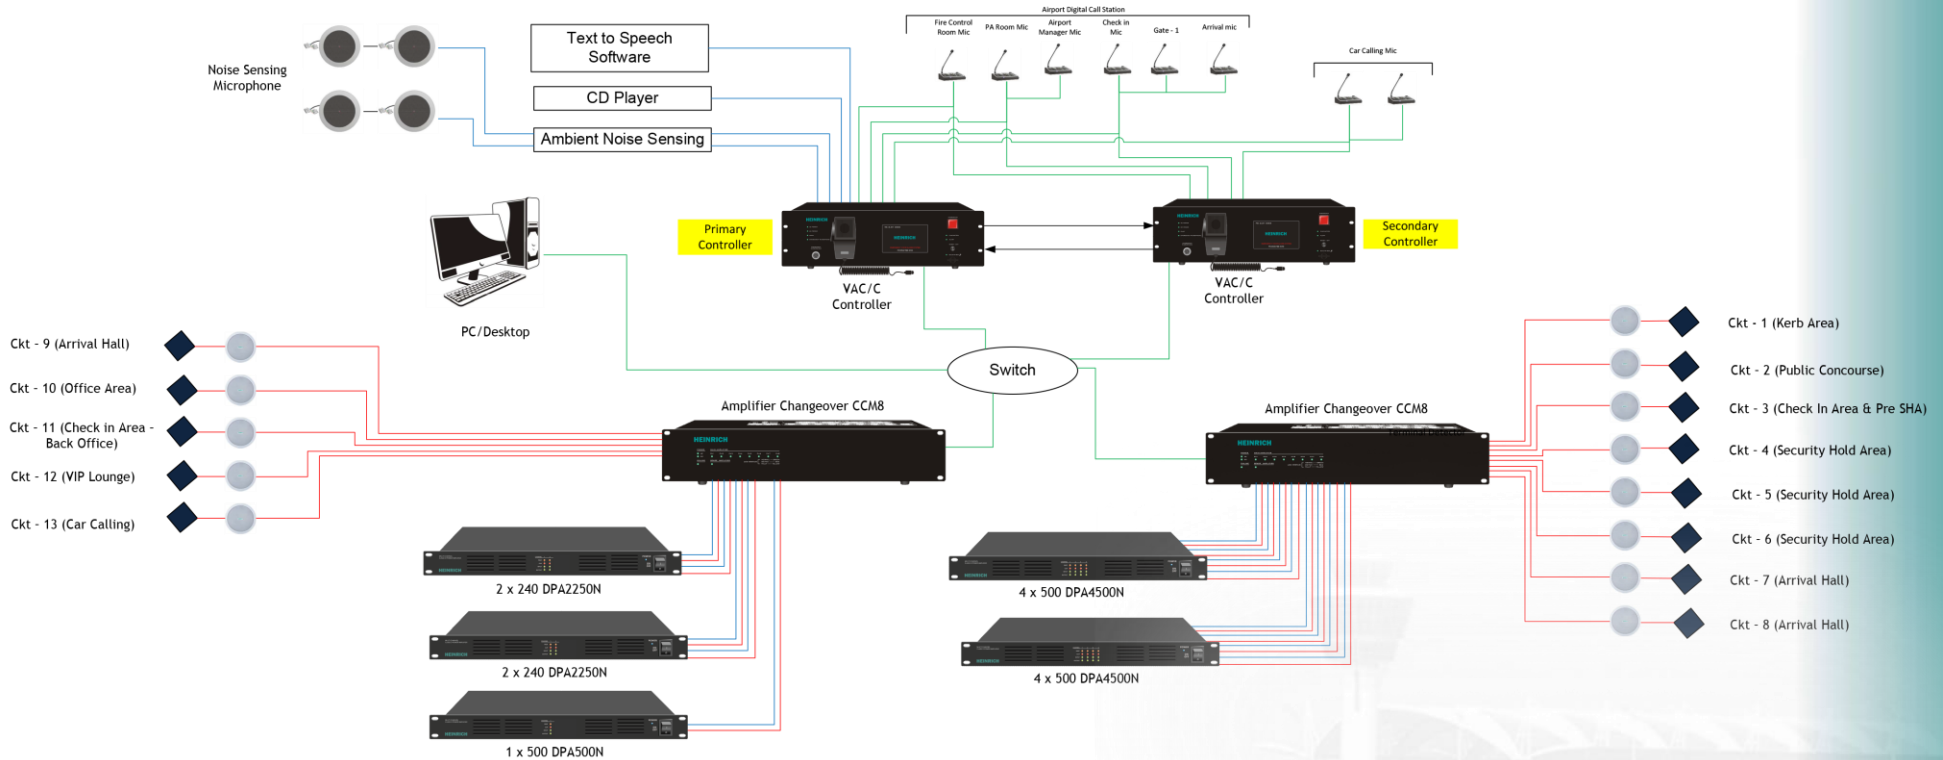

1. Mass notifications regarding in case of emergency like fire, bomb scare, terrorist attack, cyclone or weather update, delay notification, accident information & route change etc.
2. Broadcast regarding mass communications like passenger information, lost and found.
3. Broadcast information government awareness.
4. Broadcast Nation News like sport model in olympics & awards etc.
5. Broadcast awareness program related to cyber crime.
6. Broadcast National Anthem.

LOCAL ANNOUNCEMENT

- Train information
- Lost and found
- Live Paging
- Platform Change

AIRPORT SOLUTION

I. Public Address System

II. Flight Information Display Software

The Heinrich's EPIC Software is ultimate, robust control, fully expandable and upgraded capacity integrated management software. Which offers common management platform, fault monitoring and incident analysis, third party integration, graphical interface, modular system architecture, event and logs monitoring and many other features. Heinrich's EPIC software is mean to customized and improved in value and desirability as per customer requirement and add many other features along with its existing features as per customer feedback and requirement hence its always be enhanced for customers.

- * *Integrated Audio and Visual Announcements.*
- * *Role-based Access Control.*
- * *Unique Username and Password Protected.*
- * *Multiple Message Priority levels.*
- * *Supports Automatic, Manual and Time mode operation control.*
- * *Distributed processing at multiple access nodes and Network Monitoring.*
- * *Fault and Alarm Management.*
- * *Comprehensive library of messages types and words.*
- * *Modular system architecture; easily expandable.*
- * *Reduced Downtime and Maintenance cost.*

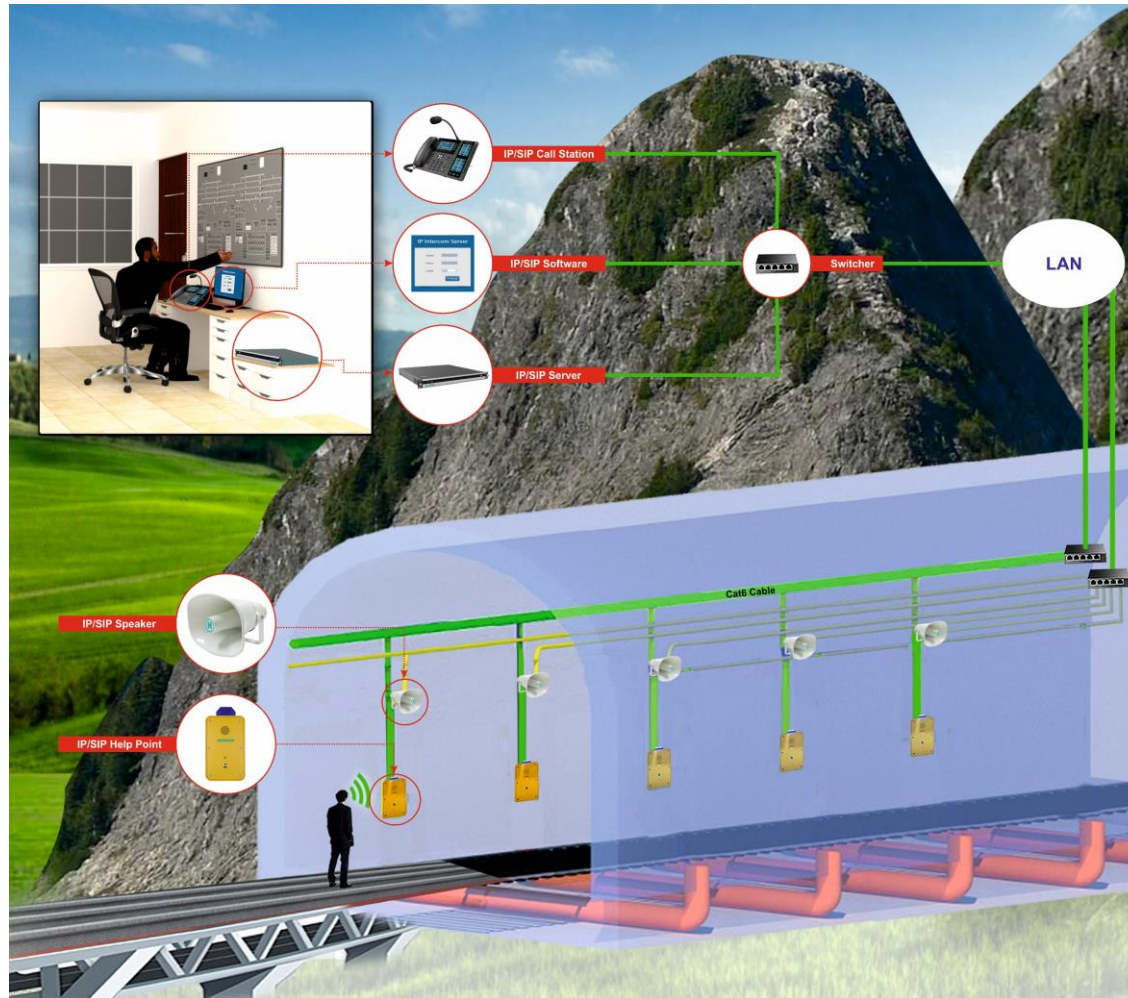

Heinrich's EPIC software provides a tool in the hand of the user to control the system with a user friendly GUI operation and control. This GUI is all customizable and can be customized based on the customer requirement.

Features:

- System Log-in using unique username and password.
- Several Languages supported announcement facility.
- Live, Pre-recorded, Pre-formatted and Instantly recorded announcement facility in any individual zone, combination of zones and in all zones based on user selection.
- Message Scheduling based on user selectable time period and intervals.
- Message preview facility before sending the message.
- Broadcast Reset facility to stop the ongoing announcement.
- Creation and deletion of zone groups and user profiles.
- System availability status and alarm monitoring.
- Categorization of faults in Major/Minor with colour coding.
- Fault Logs (Active and History faults) and Message Audits.
- Printing and exporting of fault logs and message audit logs in pdf or xls formats for easy review and sharing purpose to maintenance team.
- Interface with PIDS (Passenger Information Display System) & FIDS (Flight Information Display System) along with several third party. system such as CDRS (Central Digital Recording System). MCS (Master Clock System), ATS (Automatic Train Supervision System), FOTS (Fibre Optic Transmission System), CFRS (Central Fault Reporting System) or T-SCADA etc.
- Capable to send any Instant Text messages, Advertisement messages, Video clips, Graphics, Animations, Images to any user selected display panels.
- FIDS System provide Passenger, Flight, Baggage Belt, Check in Counter, Boarding gate, Departure & Arrived information.
- Create & Display visual messages on any screen in the system.

TUNNELS SOLUTION

I. IP-Based PAVA System

TUNNELS SOLUTION

II. Emergency Video Communication Intercom

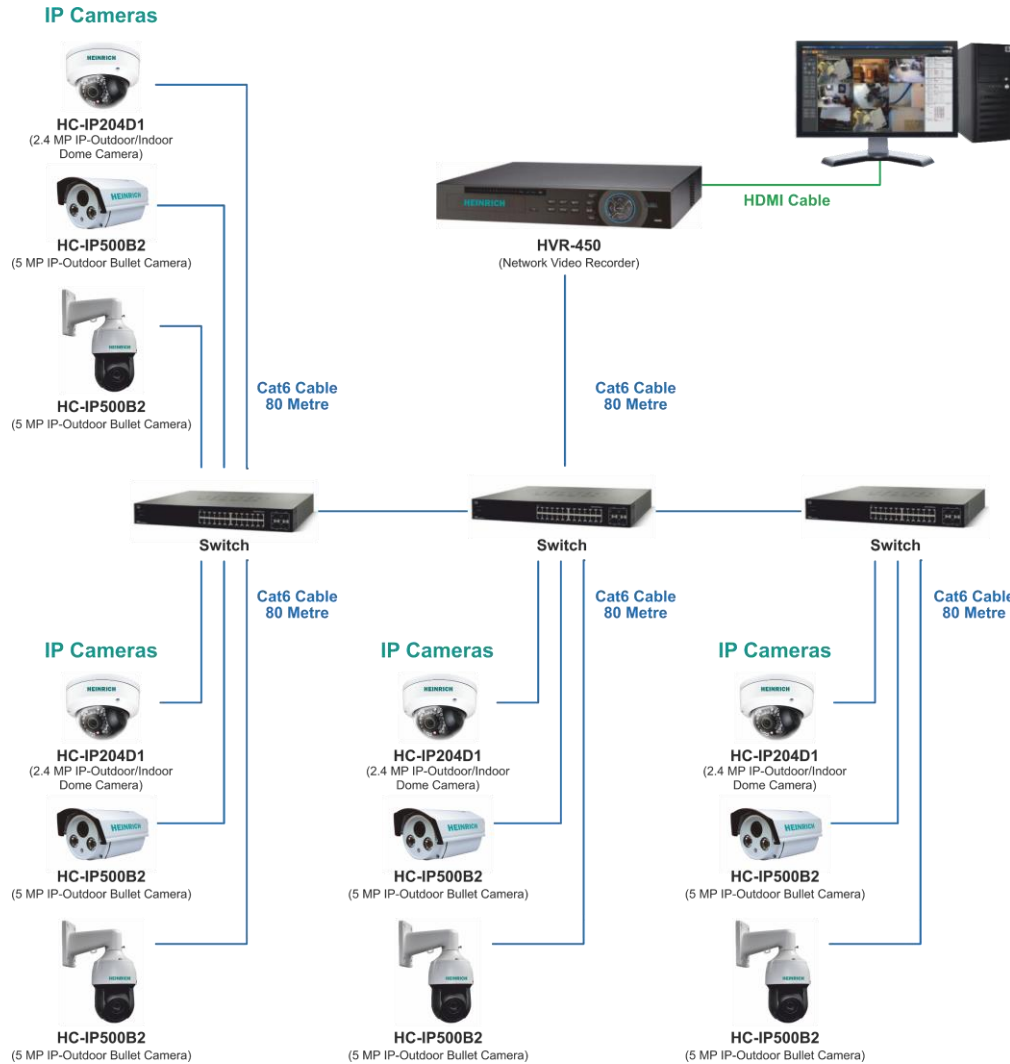

Key Features

Built-in 5MP HD infrared camera.

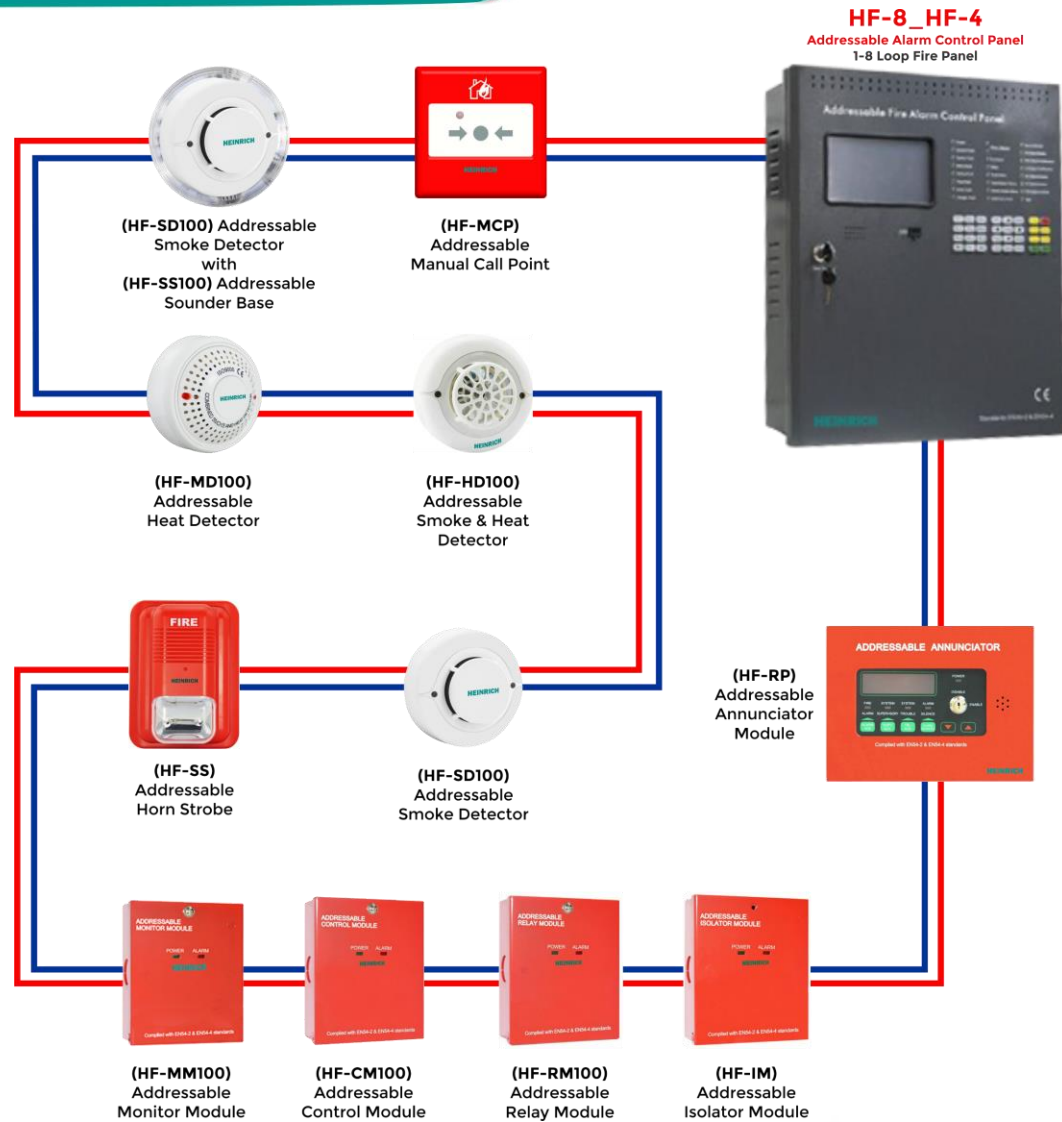

- Built-in 5MP HD infrared camera.
- Support Baidu / Yuemian face recognition
- 7 Inch's LCD Screen (1024*600px)
- Adopts the standard SIP (RFC3261) protocol.
- Android 5.1 Operation System.
- SUS 316 Stainless Steel Body.
- Adopt hardware DSP echo cancellation technology perfect solution for tunnels, prisons, highways, hospitals, parking lots, metro, airports etc.

CCTV SURVEILLANCE SYSTEM

FIRE ALARM SYSTEM

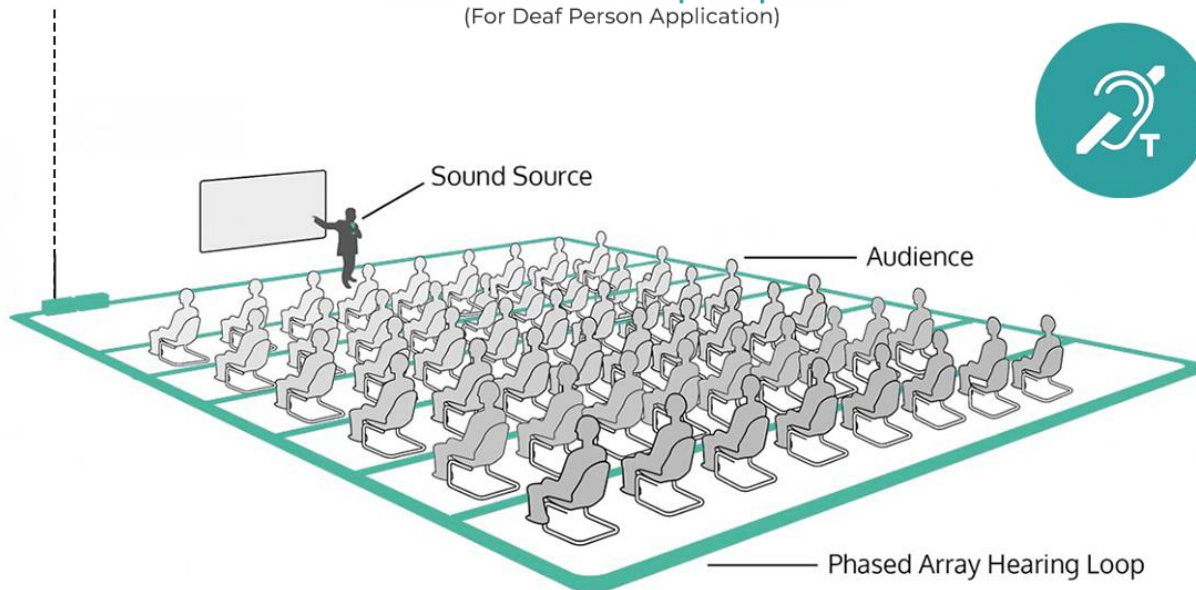

INDUCTION LOOP

I) Induction Loop Amplifier for Hearing Aids

HML-10A Mixer Loop Amplifier
(For Deaf Person Application)

INDUCTION LOOP

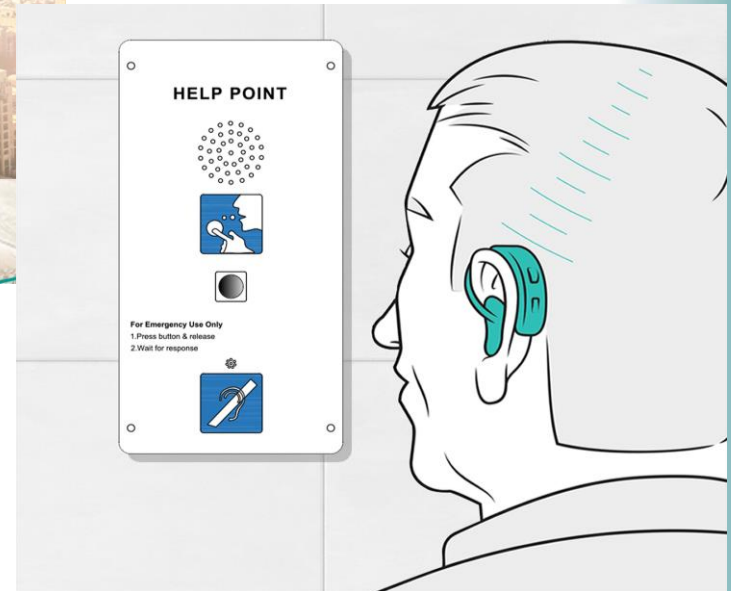

II) Help Point Intercom with Built-In Induction Loop for Hearing Aids

HEINRICH

Help Point Intercom with Built-in Induction Loop

Empowering Hearing Aid Communication

- > Standard analogue telephone.
- > Vandal-resistant metal button.
- > Hands-free operation.
- > Flush mounting, simple installation.
- > Weatherproof protection: IP65.
- > 4 X Tamperproof screws for mounting.
- > Robust housing, stainless steel/aluminum die-cast.
- > Built-in induction loop to provide better reception for the hearing-impaired.
