## Executive Administrator

The month of May brought many new first for me as the Chamber Executive Administrator and also a new fulltime resident of Warsaw, Missouri.

Completed two Chamber sponsored events in Academic Excellence and The Outdoor Expo, both I consider to be very successful. I am extremely grateful to have the help from a very supportive board of directors, who take their volunteer positions very seriously.

In the near future the Member Benefits Committee will be introducing a couple of NEW programs that will promote out Chamber Members through social media.

I look forward to seeing you "SOON". DeeDee
