Mission Statement

The Warsaw Area Chamber of Commerce unites to promote a thriving economy and a strong community in which businesses and residents can prosper. To provide valuable resources and support for local businesses, while also fostering a positive environment for growth and innovation. To create opportunities for collaboration and networking, and to advocate for policies that benefit our members and the community. To enhance the quality of life for all who live, work, and do business in our area.

"Building a Stronger Future Together"

PRESIDENTS CORNER

If you know us, you'll love us 😊 If you don't know us yet, you've just gotta get to know us!

The Warsaw Chamber of Commerce stands as a beacon of unity and progress, embodying the collective spirit of its members. At the core of the Chamber's mission is the belief that collaboration breeds success. The Chamber is committed to fostering connections that extend beyond Benton County, creating opportunities for regional partnerships and participation.

I would like to introduce our new board member, Melissa Howe, the Director of Clinical Services at Golden Valley Memorial Healthcare. Melissa is a graduate of Lincoln High School and a longtime resident of Warsaw, MO. She hopes to bring a fresh perspective as it relates to healthcare and encourage community involvement through volunteering. Melissa is excited for the opportunity to give back to her community and feels like the Warsaw Chamber of Commerce is a great place to start.

Thank you for taking the time to consider joining The Warsaw Area Chamber of Commerce! We appreciate you! And your strong support ensures a healthy, optimistic, and growing community in which businesses and residents can prosper.

Executive Administrator

Out with July and in with August...In July we kicked off the New Social Media Trivia Game, "Where's DeeDee", thank you to all who participated and followed those posts. I hope to see your names again each month along with new ones. August also saw the beginning of another new networking opportunity called "First Friday Coffee". The calendar is open and I am actively looking to fill it with Chamber Member's who would like to host. Please reach out for more information.

I am super excited about Hometown Christmas and the potential of not ONE but TWO new attractions for this event. The community response had been pronominal so far and I have no doubt that we can make this a reality because I have seen the pride and dedication that the businesses of Warsaw have for their citizens.

As summer starts to wind down we find our organization planning and making preparations for our upcoming fall events, such as Heritage Days, Halloween Hoopla, and Hometown Christmas. The Event Committees take great pride in bringing the best experience to the Warsaw and surrounding communities.

I look forward to seeing you "SOON". DeeDee
