Executive Administrator

The summer months are in full swing and it doesn't seem possible that July 4th is just around the corner. Hope you have lots of fun planned with your families and you take the time to celebrate this wonderful country we live in. Long live the United States of America!!!

I am excited to say that your chamber is busy preparing and planning for its upcoming events with committee meetings sometimes twice a month. It takes a village and our organization is always looking for volunteers. If you are a community minded person and would like to get involved, please reach out to me at 660-438-5922.

Last month I eluded to a couple of new programs. July 1st launched the first one on our Warsaw Facebook page. Please take the time to look as we make being a chamber member even more enticing by offering additional advertising opportunities.

I look forward to seeing you "SOON". DeeDee
