01

BJORN

Bjorn is a humanoid male alien with large black eyes, and hails from the planet Aeon. He is a time-traveling protector of civilizations, driven by a desire to save humanity and explore the universe's diverse cultures. Impatience is his defining personality trait. He is easily angered. GRUMBLEBUM!

— BACK STORY

Bjorn hails from a distant galaxy where he is part of a group of time-traveling aliens dedicated to preserving civilizations. Witnessing Earth's destruction fuels his motivation to protect other worlds from similar fates, especially from religious extremism.

— INTERESTS

Bjorn enjoys exploring different cultures throughout time, learning about various civilizations, and collecting artifacts. He has a keen interest in interstellar literature and often engages in philosophical discussions with his companions about morality and the consequences of actions.

06

ZORN

Zorn is a humanoid alien with large black eyes. He seeks to save humanity from destruction, is fascinated by Earth's cultures, and enjoys culinary adventures from across the galaxy. His cool and calm nature is unwavering, and brings much-needed stability to the crew. COOL HAND LUKE!

— BACK STORY

Zorn, a time-traveling alien from the distant planet Zorath, has witnessed countless civilizations rise and fall. Motivated by a sense of justice, he seeks to prevent humanity's destruction by investigating the chaos caused by religious extremists.

— INTERESTS

In his spare time, Zorn enjoys studying Earth's diverse cultures and histories, experimenting with time travel technology, and collecting relics from different eras. He also has a passion for intergalactic cuisine, often trying new alien dishes.

11

COMMANDER DORIAN

Commander Dorian is an older alien in a business suit, haunted by his past and motivated to prevent chaos. He has a keen interest in Earth's culture. He has entered into a dangerous liasion with the President of The United States. His agenda stands in stark contrast to Bjorn and Zorn's with conflicting goals and priorities. BIG MEANY!

— BACK STORY

Commander Dorian, a 60-year-old alien from the distant planet of Zyxor, was once a revered leader in his community. Disillusioned by the chaos of intergalactic politics, he now resides alone, driven by a desire to restore order and prevent further destruction.

— INTERESTS

In his spare time, Dorian enjoys studying ancient Earth philosophies, honing his tactical skills through strategy games, and collecting artifacts from different planets. His fascination with human emotions drives his interest in Earth's literature and cinema, which he finds both perplexing and captivating.

05

DAX

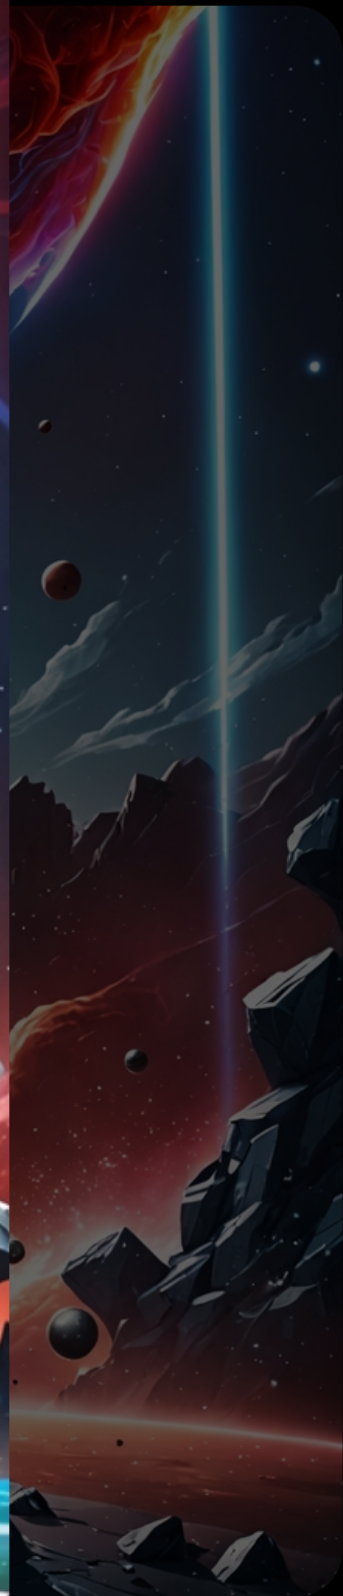

Dax is a fluffy, large Maine Coon Cat with striking green eyes. Driven by curiosity and a love for chicken nuggets, he embarks on a thrilling adventure with friends to rescue humanity from destruction, showcasing his adventurous spirit. Alongside Ptoni he plays the role of partner in crime. His unyielding obsession with chicken nuggets drive much of the humour of the piece. BRAT!

— BACK STORY

Dax, hails from a vibrant, bustling feline community. Currently a loyal companion to Bjorn, he yearns for adventure beyond his cozy home, driven by a desire to save humanity.

— INTERESTS

Dax enjoys exploring new environments, engaging in playful antics with his friends, and, of course, indulging in his obsession with chicken nuggets. He loves to nap in sunny spots and often dreams of grand adventures in space.

02

PTONI

Ptoni is an easygoing Pteranodon with large wings and light gray feathers. His carefree essence and adventurous spirit shine through as he embarks on a mission to save humanity, driven by a love for exploration and friendship. He is the key figure in comprehending the essence of religion. MR CHILLED!

BACK STORY

Ptoni hails from a vibrant and lush prehistoric world, where he lived among other flying creatures. His carefree nature stems from a harmonious upbringing. Motivated by a desire to protect Earth, he joins Bjorn to rescue humanity from destruction.

INTERESTS

Ptoni enjoys soaring through the skies, exploring new landscapes, and engaging in playful antics with his friends. His curiosity drives him to learn about different cultures and species, while his adventurous spirit seeks thrilling experiences across the galaxy.

03

FLORENCE

Florence is a wise Jersey Cow with a gentle brown coat and nurturing eyes. She hails from a serene farm, cherishing her bonds with outcasts. Her love for music and storytelling defines her essence as a calming presence in chaos. Florence's quiet yet authoritative voice always provides a much needed sense of reason. MOMMY!

— BACK STORY

Florence, a refined Jersey Cow from a peaceful countryside farm, is deeply motivated by her desire to nurture others. She has no marital ties but cares for her fellow outcasts, fostering deep connections as they embark on their adventure together.

— INTERESTS

Florence enjoys quiet moments of reflection, tending to her garden, and sharing stories with her friends. She has a passion for music and often hums soothing tunes, bringing comfort and joy to her companions during their tumultuous journey.

04

PENELOPE

Penelope is a playful Adelie Penguin with bright eyes and striking black and white feathers. Adventurous and single, she thrives on exploration and friendship, passionate about uniting her diverse companions in an epic quest to save humanity and their home. She makes a cacophany of noise that can't be ignored. LITTLE MISS NOISY!

— BACK STORY

Penelope, a lively Adelie Penguin from the icy shores of Antarctica, thrives in her vibrant community. Single and adventurous, she dreams of exploring beyond her homeland, driven by a desire to unite diverse creatures against impending threats to their world.

— INTERESTS

In her free time, Penelope enjoys sliding on ice, swimming through frigid waters, and organizing playful races with her friends. She loves collecting shiny pebbles and has a passion for storytelling, often captivating her companions with tales of adventure.

07

DOCTOR EVIE TOBIN

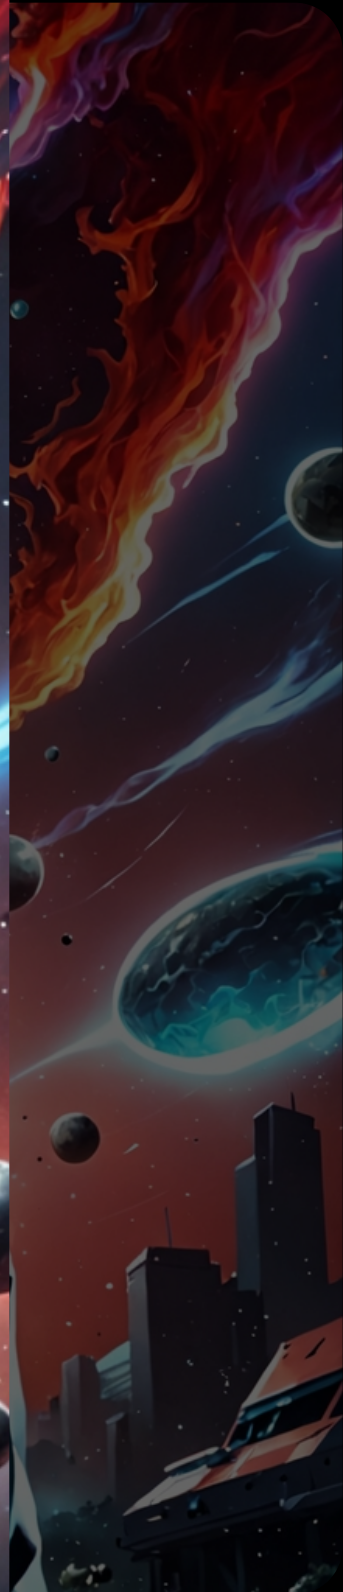

Doctor Evie Tobin is a French Bulldog with glasses, embodying the essence of a Brainiac. Driven by her scientific background and interests, she is determined to rescue humanity, showcasing her intelligence and compassion throughout the thrilling adventure. She holds two Doctorates in Aeronautical Engineering and Temporal Mechanics. CANINE BRAINIAC!

— BACK STORY

Doctor Evie Tobin hails from a small town known for its rich scientific history. A brilliant researcher, she is single and dedicated to her work. Motivated by a desire to save humanity, she joins Bjorn's team for the adventure.

— INTERESTS

In her free time, Doctor Evie enjoys reading scientific literature, exploring new technologies, and experimenting with innovative ideas. She has a passion for animals and often conducts research on their behavior, fostering a deep connection with the natural world.

08

ALFIE

Alfie is a non-binary teen with a vibrant personality, driven by a quest for justice. Their interests lie in science fiction and technology, making them a unique and curious individual ready to embark on epic adventures. They effortlessly navigate the realms of boys and girls, feeling at home in both. Works as a manager for a fast food restaurant when they are not on the other side of the galaxy with Bjorn and Zorn. HUMAN BRAINIAC!

— BACK STORY

Alfie, a non-binary teen from a quirky, bustling city, feels like an outsider. With no family ties, they are driven by a passion for justice and a desire to rescue humanity from chaos, seeking purpose amidst uncertainty.

— INTERESTS

Alfie enjoys exploring the realms of science fiction literature, tinkering with gadgets, and engaging in thought-provoking conversations about the universe. They are passionate about alien culture and love to experiment with new ideas in their free time.

09

MOT AND ZOT

Mot and Zot are robots for the planet Caprice. Their mechanical form contrasts with his emotional depth, making them beloved characters who seek adventure and connection in a chaotic universe. They enjoy teasing Dax/ C3PO WITH A TWIST.

— BACK STORY

They were designed for reconnaissance missions. They are the eyes and ears of "The Masters". They offer a unique combination, providing the benefits of two in a single package.

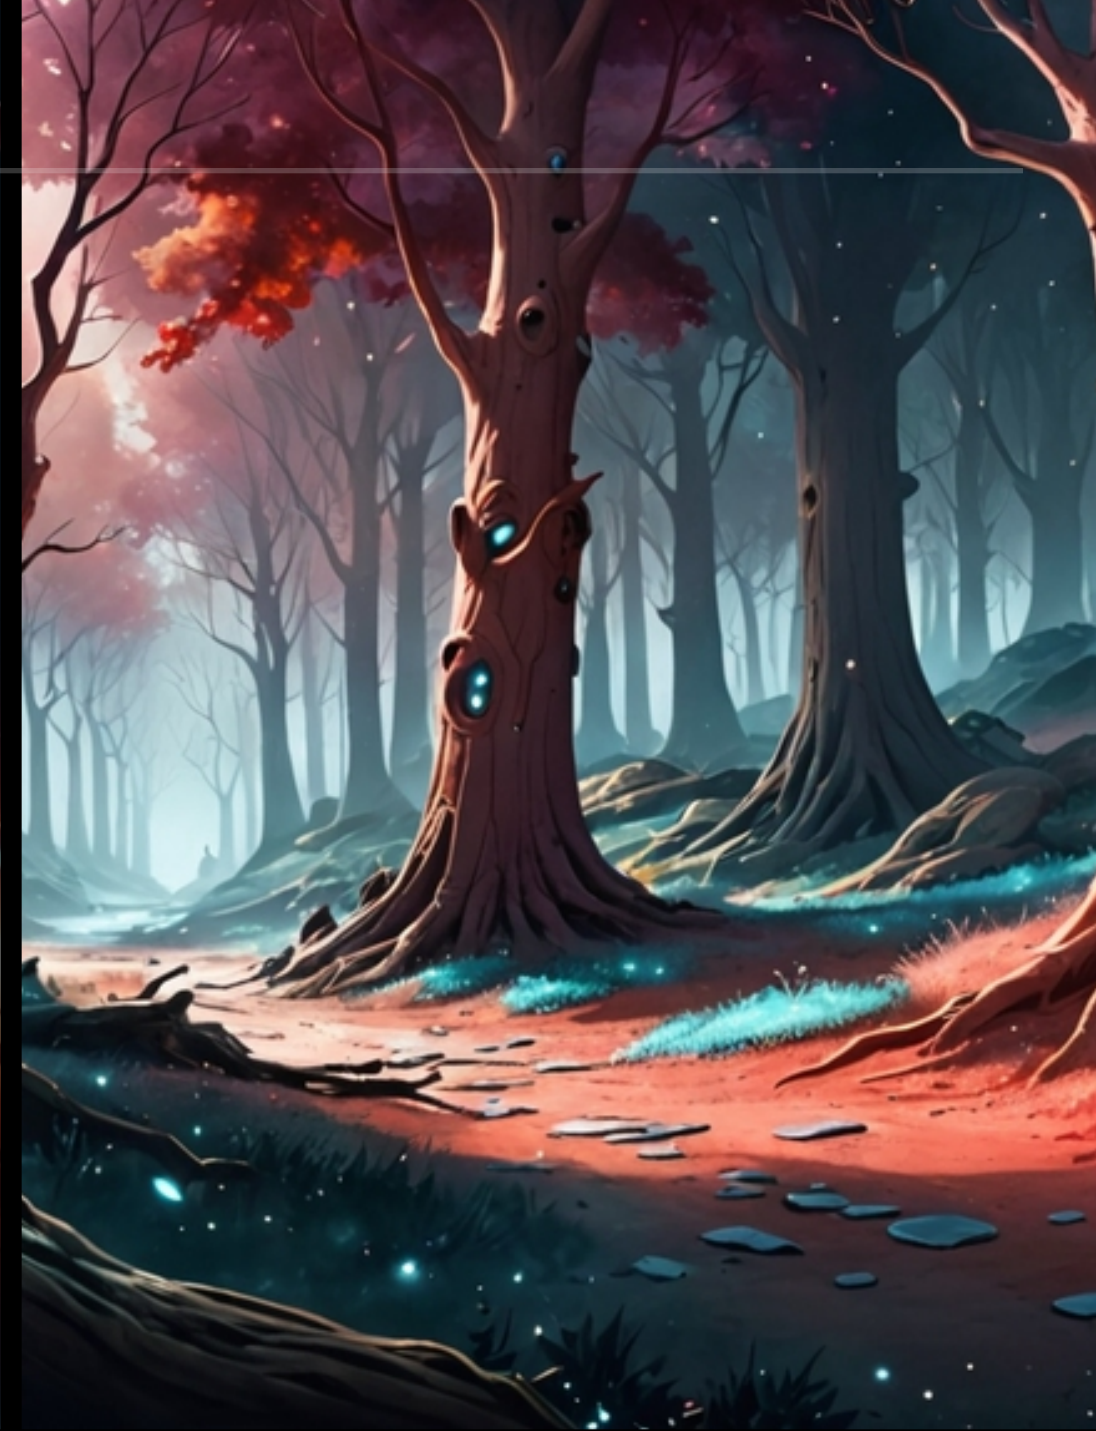

— INTERESTS

Mot enjoys tinkering with gadgets and creating inventions in his spare time. He has a fascination with Earth's culture, particularly its music and art, often attempting to mimic human expressions in a humorous yet endearing way.

01 Earth's Destruction

02 The Diverse Group

03

SCENE 1

EARTH'S DESTRUCTION

— DESCRIPTION

In 2052, Bjorn witnesses Earth's destruction, horrified by the chaos around him

LOCATION Earth

LIGHTING Dramatic and somber

WEATHER Destructive and chaotic

Shot 1

01

Shot 2

— NARRATION

As 2052 unfolds, Bjorn and Zorn, two time-travelling and shape-shifting aliens, are horrified to witness the Earth's destruction first hand. They firmly hold the belief that religious extremists have brought about the destruction of the Earth. As their investigation unfolds, they realize that one of their colleagues is the culprit. The objective was to shield the Earth, obscuring it from the prying eyes of the universe.

SCENE 2

THE DIVERSE GROUP

— DESCRIPTION

Bjorn gathers a diverse group of outcasts for an epic adventure to rescue humanity

LOCATION Cosmic setting

LIGHTING Bright and adventurous

Shot 1

01

Shot 2

— NARRATION

In order to rescue humanity from the Religious Wars, they journey through time, assembling a small but diverse group of outcasts who will assist them. In this thrilling tale, the easy going Ptoni The Pteranodon, the refined Florence the Cow, the lively Penelope The Penguin, and chicken nugget-obsessed Dax the Maine Coon Cat embarked on an epic adventure. They collect Doctor Evie Tobin and Alfie along the way. They meet a hilarious pair of robots Mot and Zot. Their adventure will span across the vast expanse of the galaxy, testing their mettle.

SCENE 3

01

NARRATION

From start to finish, their adventure is a rollercoaster ride of intense drama, unbridled fun, and delightful chaos. Brace yourself for a thrilling and unforgettable experience with alien abduction!
