This is your moment to pause, rejuvenate your mind, body, & spirit, & immerse yourself in an experience dedicated entirely to you. We take pride in providing a serene, impeccably clean environment that fosters relaxation & tranquility. Our mission is to offer a space where you can breathe deeply, unwind, & indulge in self-care without distractions.

To ensure the best possible experience for all our guests, we kindly ask that you review our Salon Etiquette Policies.

Salon Etiquette

Arrival Time:

We encourage you to arrive a few minutes early—ideally, 5 minutes before your appointment. This gives you time to relax, settle in, & fully embrace your self-care session. Arriving early also allows us to discuss any product or package needs & address any questions you may have.

Cell Phones:

To maintain a peaceful environment, please silence your cell phones while in the salon. If you need to take a call, kindly step outside to avoid disturbing other guests. Please note that cell phone use during your session is not permitted.

Music During Sessions:

For an immersive experience, we ask that all music or media be enjoyed with earbuds or headphones during your session. This helps us preserve a tranquil atmosphere for everyone. Keep in mind that we can hear everything outside your room!

Children:

While we adore children, we kindly request that you make alternative arrangements for those who need supervision. Per California state law, children under 18 are not permitted in the UV tanning rooms. If children are in the reception area, they must remain respectful, stay within the waiting area, & use quiet voices.

Approved Products Only:

Only approved products are allowed in our tanning beds. Any lotion not purchased from Bare Raydiance Salon must be approved before use, as unapproved products can damage our equipment, leading to costly repairs.

Our Promise:

Your privacy is our utmost priority. We use your information exclusively for salon purposes & never share, sell, or disclose your personal details to anyone.

We are committed to upholding the highest standards of cleanliness & sanitation, ensuring that your experience is not only relaxing but also safe. We ask that you practice proper hygiene when visiting our salon to help us maintain this standard.

Our professional environment is one we fiercely protect. Any behavior that falls short of this standard will result in immediate dismissal from the salon. Solicitation, inappropriate remarks, or any form of misconduct will not be tolerated.
