

THE WATERLINE

THE OFFICIAL WOODBECK CHAIN OF LAKES ASSOCIATION NEWSLETTER

A Word From Wendi

January 8, 2026

HELLO 2026!!! YOU BEAUTIFUL NEW YEAR!

Out with old and in with the new! This year think FRESH...fresh air, fresh ideas, fresh starts, fresh perspectives and fresh approaches. Whatever needs "freshening up", 2026 is the time to make it happen. Some might call this "change" but change sometimes seems to carry negative connotations and we don't need negativity in our lives so let's stick with FRESH! A fresh start isn't a new place; it's a new mindset. Let this be the year you dip your toe in the water and then...JUMP IN! Go for whatever you want to go for! Life gets exciting when you take chances so don't miss your opportunity. Mother Nature surrounds us with "freshness" on our amazing chain of lakes. Look deep, what do you see, what do you feel? It's the fresh air, fresh snowfall, fresh ideas and many fresh new faces in our community. We are so incredibly lucky to have this lake life. Let's all just "freshen up" this year and see what happens. I think we will be pleasantly surprised by how that makes us feel.

Happy New Year and enjoy the first 2026 edition of the Waterline!

Kindly,
Wendi Davidson
WCLA President

UPDATES & MORE

The 2025 WCLA fish plant of 2,000 Walleye and 200 Yellow Perch, took place on November 8, 2025 from the McClain St. bridge. This year our fish supplier, Stoney Creek, recommended placing the fish in the water by buckets, instead of dropping them from the bridge. Planting the fish by buckets reduces the shock they would get from dropping them in the water. So, with the help of the people that came to watch, buckets of fish were carried down to the water and released. Thank you all that came to watch and ended up helping out.

Remember we are able to plant the number of fish we do because of your donations to the fish plant fund and from paid dues. Help us reach our \$6,000 goal!

WELCOME TO THE LAKES

Tom & Linda Cameron

Horseshoe Lake

Hello neighbors,

We are Tom and Linda Cameron. We moved here from rural Belding in June. We had previously enjoyed lake living and really missed the beauty of it. When the opportunity allowed us to once more move back to the lake, we jumped at the chance.

Linda and I lived next door, when we were toddlers. In her baby book her mom wrote that Tommy Cameron was her first friend! We graduated from Belding in 1966 and, unfortunately, went our separate ways shortly thereafter. In 1992 we started a correspondence and married in 1995. Linda then followed my path in public education to Flint, White Cloud and Marshall Michigan. On our retirement we returned to this area.

Linda loves crafting, painting and sewing. My hobbies are flying, scuba diving and fishing. We both have traveled around the country trying to visit as many National Parks as possible. We have enjoyed getting to meet many of you and if you see us putting around in our old pontoon please wave and say hi.

**If you are new to the lakes or know someone who is, please contact our welcome committee Phil & Denise Sliva*

WELCOME TO THE LAKES

Mike & Debbi Wofford

Horseshoe Lake

Michigan and Horseshoe Lake have always been very special places to Mike and Debbi. After retiring from 30+ year careers at State Farm Insurance in Illinois, they were excited to relocate to the place that feels like home. Mike and Debbi became permanent Horseshoe Lake residents in August, 2025, but have been spending time at the lake since 2002. They now own the home that Debbi's parents, John and Marcia Ficeli, built on Horseshoe Lake 23 year ago.

Mike and Debbi have two sons, Zach (25) and Alex (23) and two fur babies, Josie and Barney. Zach and Alex live in Illinois, but visit Michigan as much as possible. The family loves being on the water, boating, kayaking and paddleboarding. You'll also see Debbi and Mike out walking, on their bikes and spending time outside throughout the year. So far, they 100% recommend retirement and living on the lake!

**If you are new to the lakes or know someone who is, please contact our welcome committee Phil & Denise Sliva*

REMINDERS

**COME AGAIN
WE'RE
CLOSED**

The Kindy boat launch is closed for the winter. Please note that this location is not a designated lake access point. To help deter unauthorized use, a plastic snow fence and Private Property signs have been installed to inform individuals that accessing the lakes from this area is considered trespassing. As these are private lakes, our goal is to minimize unauthorized access and protect the integrity of the community. If you have a desire to access a lake other than the one you live on please contact one of the lake reps and they may be able to help you make the proper arrangements. Thank you for your understanding and cooperation.

Lake Mapping

In 2024, WCLA invested in lake mapping put together by PLM showing depths and hardness levels of all the lakes. These maps are available to members once they have paid their 2025 dues by reaching out to Chris Decker.

What is that WEED???

See something unusual or new in the water? Take a picture and send it to Chris Decker at 616 302-0819. It could be a weed that we don't need!!!

OUR MISSION

The Woodbeck Chain of Lakes Association will promote the preservation of lake/water quality, provide education about boat safety & etiquette and initiate social activities to promote community friendships and interaction. It will encourage membership and participation in the Association and will facilitate a sense of community amongst riparian property owners.

The WCLA Waterline is published three times a year, brimming with valuable updates and engaging content. Have an idea for an article? We'd love to hear it! Better yet, if you'd like to contribute by writing an article, we'd greatly appreciate your input.

The next issue is set to be released in May 2025, and the deadline for article submissions and advertisements is May 5th. Submit articles and ideas to Jamie Skinner

It's Time to Pay Your 2026 WCLA Dues!

Your dues go a long way toward:

- Keeping our lakes clean and safe

- Covering maintenance, repairs, and unexpected issues
- Supporting fish stocking and ensuring plentiful fishing
- Sponsoring fun community events we all enjoy

How to Pay:

- Online: Visit woodbeckchainoflakes.com/pay-dues
- By Mail:

Make checks payable to WCLA and mail to:
