

WCLA PRESIDENT'S CORNER

February 14, 2022

Hello Friends and Neighbors,

February is here and as luck would have it, Punxsutawney Phil saw his shadow on Groundhog Day indicating we are in for six more weeks of winter! But... before your tears start flowing, there is hope! According to the Groundhog Club's interpretations, Phil's predictions are apparently only right 40% of the time, so...we've got that going for us!

Now, aside from Punxsutawney Phil seeing his shadow, we all know February as the month of LOVE; cupid, valentine's day, chocolate, roses and all that jazz. That's not me...nope (well maybe the chocolate stuff)! But there are many things I love, including living on these lakes and all the great people I have met here...that's my kind of love. I love all the hard work and dedication the board members, representatives and homeowners on our chain of lakes have been willing to put forth so we can have clean water to swim in, safe waterways to boat on, and enjoyable social get-togethers. We truly have an amazing community and I love it!!

Since I assumed this position September 13th, here are just some of the great things have happened thanks to your board, friends and neighbors:

- Three monthly Social Dinners at different restaurants with another one coming February 22nd at Turk Lake
- A Cornhole/Chili Cook Off event
- The Christmas Dinner Party
- Three Board Meetings with the next one on February 28th at Camp Greenwood
- Two Waterline Editions
- Five monthly President's Corner Editions
- Several "Blasts" reminders
- The Meal Train was formed
- The By-Laws Committee was formed
- The Channels Committee was formed
- The Kid Sledding Party

Additionally, many behind the scenes meetings and much planning has been going on to make sure we can keep our lakes safe and our community enjoyable. **These things don't just happen!** They happen because of individuals who are willing to voluntarily give their time and energy to make sure we all can love where we live. It's not easy but they willingly step up to the plate and then...knock it out of the park! **So, if you love what your board is doing, show a little love and give a shout out this month to your representatives and thank them for all their dedication and hard work because THEY ARE AWESOME!**

That's all for now!

Respectfully,

Wendi Davidson
WCLA President
