Tom Stressman, WCLA President

LETTER FROM THE PRESIDENT...

Greetings Everyone!

We have been blessed with a beautiful Michigan summer and I hope everyone is having an enjoyable time with family and friends and making lasting memories that will be talked about in years to come.

I would like to clear up some misconceptions regarding boat launches. The Association only owns one launch which is the Kindy Drive ramp. Camp Concordia owns their own ramp but is kind enough to let Association

Members use it with some rules to follow. The access at the end of Oakcrest Dr is privately owned and is only for the use of the owners of the back lots on Oakcrest Dr. I hope this clears up some rumors that have been going around.

The Annual Meeting and dinner will be Saturday, August 27th at Camp Concordia. Lake Representatives will be chosen and I encourage all members to attend and show your support!

See you on the water my friends!

Tom "Uncle Tom" Stressman
WCLA President

Camp Concordia Boat Launch Procedures

WCLA Boat Launch Use Dates

The boat launch at Camp Concordia is NOT open to the public. Camp Concordia (CC) is primarily a private children's camp. Church groups, schools and family reunions who use the CC Family Campground will schedule times to put in and remove their boats - but access is very limited for the safety of our campers.

The Woodbeck Chain-of-Lakes Association (WCLA) has a special agreement with Camp Concordia in order for members to get their boats in and out of the lakes. CC does NOT get paid for WCLA use of its private land. It is offered as a neighborly gesture to WCLA paid members.

In respect for the property of Camp Concordia, to ensure the safety of the children on site during the times of organized events, and to continue our good relationship; the Camp Concordia Board of Directors asks that the members of the WCLA kindly follow these guidelines for the use of the boat launch in in 2016.

Allowable Times: The boat launch will be available on the dates which are highlighted on the calendar.

 = 8:00am-12noon (notify CC first)

 = 8:00am-8:00pm (notify CC first)

 = 4:00pm-8:00pm (notify CC first)

WELCOME TO WOODBECK CHAIN OF LAKES!

We are happy to introduce new homeowners who are now enjoying our WCLA community. Please join us in welcoming them to our lakes (Banks Lake)!

The Neve's – Jeremy, Nicole, Drew, Ryan Elizabeth, Harley (the pooch), Mike (the rabbit) and Trump (the squirrel).

We have lived in Greenville most of our lives as we dated in high school. We settled down in Ridgewood estates where we lived for over 18 years to raise a family but the water was always calling me as I grew up on Thomas Lake where my parents (John/Pat Jackson) still reside. With our oldest graduating it was time to shake things up and either downsize or finally make a move to a lake. After grueling over the possibility of new home construction we kept our eyes open for anything on a local lake that might meet our needs. We found a cute home on Banks Lake and have decided to throw out the new home floor plans and settle down here. Our family loves the water (except the rabbit of course) and spends most of our free time outside tubing, skiing, swimming, etc... or just hanging out on the decks with friends /family and a bottle of wine.

Jeremy works for Magna Molding in Alto and Nicole works for Huntington Bank in downtown Grand Rapids. Drew is attending MCC in the fall and is an avid soccer player and Xbox gamer. Ryan attends St. Charles where she starts 7th grade in the fall and is a ballet dancer, volleyball player, plays trombone in the GMS band and many other adventures. Harley (the pooch) is 8 and recently completed the Reeds Lake 5k, has discovered a love for riding the jet ski, and has been working on her brindle tan all summer. Mike (the rabbit) is 2 and fills his days following politics so he has something to chat with Trump about, lounging and just being too cute! Trump (the squirrel) is the latest addition to the family – he is a native here on Banks Lake and has adopted us as his family. He comes to the door sometimes when he's hungry and we always know it's him by his unique tail and fur.

We love the lakes and welcome visitors (even weird haired squirrels) so be sure to swing by and say hello and/or share a bottle of wine (or beer if that is your giggle) and stories

Boat Launch Gate Code Change Schedule

Changes to the gate codes are scheduled for "around" April 1st, June 1st, July 1st and August 1st.... After the August 1st gate code change takes place we will leave the code the same until the following April 1st. This will be the schedule for both the Kindy launch and Camp Concordia launch.

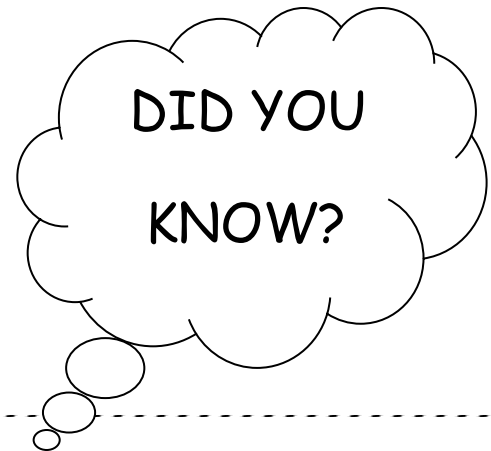

We say the change to the gate codes happens "around" a date because it may get changed a day or so after that date just depending on the persons schedule. So if you are launching a boat around these dates, use the new code, but if that doesn't work try the old code.

Reminder...if you are a paid member contact your lake rep for the latest code

Reminder...The Handbook of Michigan Boating Laws and Responsibilities can be found on our website at www.woodbeckchainoflakes.com or click on http://www.woodbeckchainoflakes.com/docs/boating_safety_handbook.pdf

Linda Fravel sharing a recent photo of her son Scott who caught the biggest bass they have seen off their dock on Woodbeck Lake, 20 inch long, 4-5 lbs- Scott was casually fishing without a net nearby & yelled for help but nobody heard him, so he jumped in and brought him in by hand... determined NOT to lose the fish! Fish was returned safely back to the water.
