Volume 39, Issue 1

Chris Decker, WCLA President

## LETTER FROM THE PRESIDENT...

The doldrums of winter are feeling like they are starting to wear off and Association business is getting more active. I hope all are enjoying this year's ice and snow accumulations. The additional front yard acreage can be a fun time!

We had our first Board Meeting early this month and it is shaping to be a great summer full of fun events and great parties. Our first WCLA sponsored event will be Bowling at Greenville Lanes. The owners and staff at Greenville Lanes

have been awesome in getting this event put together. Thank you Nan Holmes and everyone for helping in this year's winter event!

Committee work is staying active and I employ you to give a little time and find out how much fun it is working together as a team with the people that you live close to. Our WCLA Committees need your help to keep and grow our WCLA community fun, safe, and clean. Please contact a chairperson of the Committee(s) you are interested in and please get involved.

I hope to see you during the upcoming events and enjoy the last few weeks of winter.

Sincerely,  
Chris Decker  
WCLA President

## INTRODUCING NEW CAMP DIRECTOR FOR CAMP GREENWOOD, JACOB DAYRINGER...

Hello WCLA,

My name is Jacob Dayringer ("Jake from State Farm" as the campers know me) and I have been an avid supporter of Camp Greenwood since 2012. I was first introduced to Camp Greenwood after graduating from Alma College where I earned my Bachelor's of Science in Computer Science in 2011. After graduation, I stayed in touch with a friend I made there. This friend introduced me to Camp Greenwood. It was this relationship and a call from God that lead me to work as a Summer Camp Counselor in 2012 where I fell in love with Camp Greenwood.

I continued working as a Program Director in 2013 and 2014. My service continued with the Agency in 2015 and was followed by the creation of the non-profit Greenwood Ministries Association with the help of others. Greenwood Ministries is the organization that is now tasked with running the Summer Camp at Camp Greenwood.

I hope to bring great leadership skills and experience to Camp Greenwood. I have worked as a Senior Resident Assistant at Alma College as well as my many roles with Camp Greenwood. I have a huge heart for Camp Greenwood and want everyone to feel the Greenwood Spirit and God's Love.

We are looking forward to another great summer here at Camp Greenwood, but to make that happen we need staff and campers. If you have any suggestions feel free to contact me, my information is below or direct them to the Camp Greenwood website.

We have a few dates to keep in mind coming up;  
Saturday, April 21st Camp Greenwood Clean up Day  
Saturday, May 19th Camp Greenwood Clean up Day

We would love to see any of your smiling face on either one of those days; more information will be available soon.

Jacob Dayringer

## INTRODUCING NEW LAKE RESIDENTS, DAVE & CANDIE REITSMA RESIDING ON WOODBECK LAKE...

We are Dave and Candie and are so happy that we found a home on Woodbeck Lake.

I, Candie, grew up in Greenville and am a Nurse Practitioner at Helen Devos Children's Hospital in Pediatric hematology/oncology. Dave grew up in Carson City, served in the Navy after high school, and moved to Greenville afterwards. He is an Electrician at Aggressive Tooling. We have been married for almost 13 years and have a beautiful 10 year old Daughter named Lauren.

We all love the water and everything it comes with! Candie grew up on a lake and it was always a dream of ours to have our own lake home. Dave has always enjoyed fishing and Lauren loves swimming. We also have a black lab named Koda who loves to swim, and a Cat named Ziggy who does not:) We look forward to meeting more neighbors on the lake!

Please join us in Welcoming Dave, Candie and Lauren to the WCLA community...Five Lakes, One Community! Hope to see you all at our functions to meet you all in person!

## 2018 SPRING FISH PLANT...

In the Spring 2018, the Bluegill Fish will be Planted... the date will be determined by water temperature and when spawning. Tom states, "we need water temperature of about 68 degrees".

Tom would like feedback from anyone that notices the hybrid population and photos of fish being caught on our lakes to see their growth. Forward your information to Tom Hawkinson at [thawk@charter.net](mailto:thawk@charter.net)

## INTRODUCING NEW LAKE RESIDENTS JOHN & LINDA SHAW RESIDING ON THOMAS LAKE...

Please join us in Welcoming John and Linda Shaw to our five lakes, one community!

Linda and John are retired and decided it was a good time to relax at the lake. They have four sons and daughter-in-laws.

If you see a population growth on Thomas Lake, it probably means they are here with their 8 grandchildren!!

They are looking forward to being a part of the lake scene! Welcome to the Lakes John and Linda!

## YOU ARE OUR EYES AND EARS

The quickest way I find out that we have new residents on the lake or someone has moved is by word of mouth. Otherwise, I don't find out until I get a printout from the Townships, and have to verify everyone individually one by one, and that my friend is a lot of work!!!

So please forward any information to me so I can update our database and also to have our Welcoming Committee meet our new resident to make them feel more at home. Send to Gloria Gibson at [dggibson12435@gmail.com](mailto:dggibson12435@gmail.com)

## 2017 WCLA CHRISTMAS PARTY AT THE VELDMAN'S...

on Saturday Dec 2, 2017 Bruce and Terri Veldman opened their home to the WCLA community for a fun evening visiting with friends, laughs, meeting new neighbors, good food and desserts brought by everyone attending to share with each other and traditions created.

A new tradition was created where the "passing of the Green Jacket" will be loaned to the WCLA winner of the winning team of our golf outing – 2016 Golf Outing Winner, Kevin Bird passed on the green jacket to 2017 Golf winner Doug Herring (see photos below).

We said our good byes to Linda & Mike Fravel, who have moved away after 20 years on Woodbeck Lake but we now have new residents, Gary & Betsy Greer who have moved in. Hope we can all meet them soon!

And talking about golf outing...make sure to see the 2018 Golf Outing flyer in this newsletter so you can save the date!

You will find photos of the many faces who attended the Christmas Party on the following page...our largest group ever...around 65 attended! Glad to see everyone had a great time! **And a HUGE THANK YOU TO TERRI & BRUCE FOR HOSTING SUCH A WONDERFUL EVENT!!!**

Some great bowling forms, awesome strikes, spares and, of course, some gutter balls were rolled...highest score goes to Marty Scheel with a score of 181! And Ruthanne's 12 year old daughter, Jadan, beat Jon Kohn in 2 games 113 to 85, way to go girl!! Thanks to everyone who participated.

## WCLA Bowling Event...

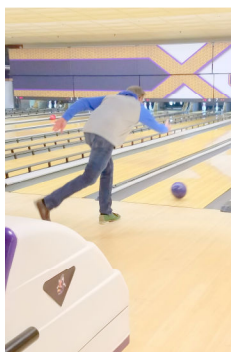

on Sunday, February 25th a new 2018 WCLA event was held at the Greenville Jacket Lanes. Owners, and future full time lake residents (as their home is to be build on Horseshoe Lake), Ron & Gail Seif and Manger, Don, provided special games throughout the afternoon...many braved the beautiful weather and enjoyed the entertainment and competition provided by each team member.

Winners of the "red pin" strike were Rebecca McIntyre, Jon Kohn and Chris Decker...a \$15 Gift Certificate to the Jacket Lanes was awarded to them, Congratulation!

Other certificate winners and \$1 winners for red pen "spares" were Liana Maxon, Terri Veldman, Mary Scott, Chris Decker, and Teague Decker.

Thank you Nan Holmes & Norm Davidson for organizing this event!

**WCLA Committees:** At the Sept 2017 board meeting 6 committees were established to challenge the board to become more dynamic with Committee activities. Each committee designated a chair person that will lead their group and bring ideas to each Board meeting for discussion and vote. As you will see in our "Calendar of Events" page, (in this Waterline Issue) we are off to a good start. More activities are being planned and dates and locations are still being finalized as of this publication.

As you will see below, Nan Holmes has her plate full being Chairperson to numerous committees and could use your help! If you would like to volunteer and be part of any of these committees, contact the chairperson of that committee. Volunteers are always needed and always welcomed!

## 2018 WCLA Boat Launch Use Dates at Camp Concordia

### WCLA Boat Launch Use Dates

The boat launch at Camp Concordia is NOT open to the general public. Camp Concordia (CC) is primarily a private children's camp. Church groups, schools and family reunions who use the CC Family Campground will schedule times to put in and remove their boats - but access is very limited for the safety of our campers.

The Woodbeck Chain-of-Lakes Association (WCLA) has a special agreement with Camp Concordia to assist members in getting their boats in and out of the lakes. **CC does NOT get paid for WCLA members use of its private land.** It is offered as a neighborly gesture to WCLA paid members who follow the procedures as requested.

\*What do we mean by "following the procedures as requested"? Members of WCLA have cut the lock, broken the lock with a hammer, yelled at CC staff, shown up without telling us, left property gates open, left ramp lock unlocked "for a friend," bent the posts at the launch, hit the dock and not fixed it. These are examples of NOT following procedures.

In respect for the property of Camp Concordia, to ensure the safety of the children on site during the times of organized events, and to continue our good relationship; the Camp Concordia Board of Directors asks that the members of the WCLA kindly follow these guidelines for the use of the boat launch in 2018.

**Allowable Times:** The boat launch will be available on the dates listed on the calendar for WCLA members who follow the procedures below.
