

About Us

The Change-Makers (TCM) Foundation for Diversity, Equity, Excellence, and Inclusion is a federally incorporated not-for-profit organization. Our core field of activity centers around building an inclusive, connected, and informed community via public participation in our initiatives such as mentorship and networking, educational support in the form of tutoring, community highlights, employment assistance, and the offering a host of other integrated services that enhance the lives of the most marginalized. TCM Foundation is governed by a voluntary working board of directors, made up of individuals who identify as Black or Indigenous.

We aspire to build on the foundations of resilience, endurance, and the overwhelming strength embodied by the Black and Indigenous Canadian community by connecting the community with culturally responsive resources and working with community partners to actively dismantle anti-Black racism, but to also increase representation in STEAM professions through educational support, mentorship and improving access to high-opportunity employment opportunities for Black and Indigenous Youth.
