

1. As a (potential) developer, designer, playtester, reviewer, affiliate, or freelance author/artist concerned with Matthew Ennis, the game identified as "War Portal" or work under Matthew Jordan Ennis and any other games affiliated under these names.

any/all past/current/future related intellectual properties, _____, acknowledges that it might have access to confidential information relating to book and game properties conceptualized or developed by War Portal. _____, understands that disclosure of any such information to third parties would cause substantial detriment to War Portal's ongoing business and may subject myself and any individuals or entities engaged by me in the development process to liability.

2. _____ agrees that it will not in any way disclose at any time to any third party (except as necessary in the ordinary course of developing products owned, licensed, developed or conceptualized for or by War Portal) any of the following information:

2a. Trade secrets of confidential information relating to game properties or any other intellectual property, including but not limited to: rules, text, maps, plots, titles, designs, art, manuscripts, trademarks, test data, marketing data, business plans, business strategies, employees, negotiations, contracts, computer systems, patents, copyright, trademark applications, and patent registrations or application (including the status of their prosecution); and

2b. Any other confidential information relating to any of War Portal's related entities, clients, contractors, playtesters, customers, consultants, licensees, affiliates or agents.

3. I acknowledge that all the foregoing information is proprietary to War Portal and that any such information is a valuable and unique asset of Matthew Jordan Ennis or collectively War Portal.

4. The receiving entity understands that War Portal may have developed or may in the

future develop additional games, sets, designs, rules, or text which resembles or is based upon the original material or ideas in whole or in part that reader is reviewing in connection with development of the game War Portal. Matthew Ennis, its agents, subsidiaries, assignees or licensees or alter egos are not obliged to engage participant services in connection with any such future developments, but are free to do so subject to a separate agreement.

5 obligations under this agreement shall survive termination of any current or future development, playtesting or other relationship between Jovana Damcevska and Matthew Ennis and or the War Portal collective or future owners of said content.

6. Should War Portal restructure itself as a Limited Liability Company, Corporation or other business form during or after development, this NDA shall remain valid as to my obligations to the newly formed business entity.

7. This agreement shall be subject to the laws of the State of New York United States, federal law, and all applicable international law.

Non-Disclosure Agreement Between Matthew Ennis and

_____.

I, _____, have carefully read this agreement, understand its terms, and agree to the whole of this document.
