Holistic Approach

Hello MBA warriors!

This is your moment!

At MBA Karo, we're not just teaching; we're forging peak performers who dominate exams and interviews to claim their spots at IIMs and other B-Schools.

Stop doubting, start preparing. Your dream B-School is calling. Let's crush this together!

Best Wishes
Team MBA Karo!

...NEXT COULD BE YOU!

HEAR WHAT OUR STUDENTS SAY...

Yash Jethmalani (IIM, Calcutta)

"Best and relevant content, Pranav Sir is probably the best teacher for CAT because of his way of teaching, his knowledge about the subject, and his unique teaching method."

Arshad Alim (IIM, Lucknow)

"After CAT results, I was going through a video at MBA Karo YouTube channel. Perplexed by expensive GDPI programs, I was blessed to find a program which was pocket friendly at the same time helpful."

Aashvi Shah (NMIMS, Mumbai)

"Had a great experience. At MBA Karo they are prompt and helpful and even my mock interviews really shaped my conversion."

Vikram Ratne (IIM, Raipur)

"The most logical and analytical coach in the industry who will be there with you throughout your journey and even after that. You'll surely land up in one of the top B-Schools if you dedicatedly follow all their learnings and teachings."

Om Satone (IMT, Nagpur)

"From the very beginning, the mentors have been incredibly supportive, knowledgeable, and approachable. Pranav Sir broke down complex LRDI concepts into simple way. I would like to thank Vidhi Ma'am For clearing my VARC concepts ."

MBA Entrance Exams

CAT

SYLLABUS

VARC - 24 Questions

Reading Comprehension- 16 Questions

- 4 passages (History & Culture, Business & Economics, Society & Politics, Environment, Science & Tech, Psychology & Philosophy etc.)

Question Types: *Main Idea, Tone, Fact Based and Critical Reasoning Based (Inference, Arguments, etc.)*

Verbal Ability- 8 Questions

- Para Summary
- Para Jumbles
- Odd One Out
- Para Completion

DILR - 22 Questions

- Data Interpretation: *Caselets, Pie/Scatter Charts, Tables, Graphs, Line/Bar, Logical DI.*
- Logical Reasoning: *Puzzles & Venn Diagrams, Linear/Circular Arrangements, Routes & Networks, Games & Tournaments, Selection & Distribution, Binary Logic & Cubes, Quant-based LR.*

Quants - 22 Questions

- Arithmetic: *Percentages, Profit & Loss, SI/CI, Averages, Ratios, Mixtures, Time-Speed-Distance, Time & Work.*
- Algebra: *Equations, Polynomials, Functions, Inequalities, Logarithm, Modulus, Indices, Graphs, Sequences and Series.*
- Geometry: *Triangles, Circles, Polygons, Quadrilaterals, Coordinate, 3D Mensuration.*
- Number Systems: *Integers, Divisibility, Remainders, LCM/HCF, Factorials, Trailing Zeros.*
- Modern Math: *Sets, Probability, Permutation & Combination.*

PAPER PATTERN

Online Computer-Based Test in 3 slots, 120 minutes total (40 min/section, no switching).

Sectional Breakdown

VARC: 24 Qs (40 min) | DILR: 22 Qs (40 min) | QA: 22 Qs (40 min)

Total: 68 Multiple Choice Questions, 204 marks.

Question Types & Marking

- MCQs: +3 correct, -1 incorrect.
- TITA: +3 correct, 0 for wrong/unattempted.

XAT

SYLLABUS

Verbal Ability & Logical Reasoning (VALR) - 26 Questions

- Vocabulary and Grammar: *Synonyms/Antonyms, fill in the blanks, contextual meaning of words, correction of errors in sentences, and correct usage of words.*
- Reasoning and Structure: *Jumbled paragraphs, completion of sentences/paragraphs, Critical Reasoning, cloze tests, and poems.*
- Reading Comprehension Topics: *RC passages on various subjects, main idea and purpose-based questions, inference-based questions, author's view, explanation of words/phrases, and strengthening or weakening arguments.*

Quantitative Aptitude & Data Interpretation (QADI) - 28 Questions

- Quantitative Aptitude: *Percentages, Algebra, Number System, Geometry, Profit and Loss, Simple and Compound Interest, Speed, Time and Distance, Averages, Time and Work, Ratio and Proportion, and Mensuration.*
- Advanced Mathematics: *Linear Equations, Logarithms, Venn Diagrams, Progressions, Binomial Theorem, Inequalities, Trigonometry, Probability, Functions, Permutation and Combination, and Surds and Indices.*
- Data Interpretation: *Bar diagrams, pie charts, data analysis and comparison, graphs, data charts, and data tables.*

Decision Making (DM) - 21 Questions

- Core Scenarios: *Business situations, ethical dilemmas, and case studies.*
- Specific DM Sets: *HR-related sets, analytical reasoning sets, and situational decision-making involving business issues or social dilemmas.*
- Logical Components: *Conclusions, premises, and assumptions.*

General Knowledge - 20 Questions

- Static GK: *Business, Finance, and Economics; the Indian Constitution and laws; history and geography; famous personalities; awards and winners; books and authors; science and technology; important dates and events; and art and culture.*
- Current Affairs: *National and international news, political developments, business and economic news, environmental issues, new government schemes, sports news, and science and tech updates.*

PAPER PATTERN

Online Computer-Based Test, 180 minutes total; 95 Multiple Choice Questions

Part 1: Core Competitive Sections |Duration- 170 Minutes

VALR: 26 Qs |Decision Making: 21 Qs |QA & DI: 28 Qs

Total: 75 Multiple Choice Questions.

Part 2: General Knowledge |Duration- 10 Minutes

Total Number of Questions- 20 Multiple Choice Questions

This section is not considered for the initial shortlist; it is evaluated only at the final stage with narrow weightage.

Marking Scheme:

GK: No negative marking.

Part A: -0.25 per wrong answer; -0.1 per un-attempted question after 8 un-attempted questions.

NMAT

SYLLABUS

Language Skills (LS) - 36 Questions

- Vocabulary: Analogies (Synonyms Antonyms based), Fill in the blanks, Cloze test.
- Grammar: Prepositions, Tenses, Sentence correction, Parts of speech, Phrasal verbs.
- Comprehension: Reading Comprehension, Para Jumbles.

Quantitative Skills (QS) - 36 Questions

- Number Systems: Divisibility, Remainders, LCM/HCF, Factorials, Trailing Zeros.
- Arithmetic: Percentages, Ratio and proportions, Averages, Time, work and partnership, Simple and compound interest, Mixtures and Alligation.
- Algebra: Functions, Inequalities, Quadratic equations, Linear equations, Progressions, and Logarithms.
- Modern Math: Permutation and combination, Set theory, Probability
- Data Interpretation: Analysis of Line graphs, Bar charts, Pie charts, Caselets, and Tables.
- Data Sufficiency

Logical Reasoning (LR) - 36 Questions

- Analytical Reasoning:
 - Linear and circular arrangements
 - Syllogisms and Fact Statement
 - Coding and decoding, and Number Puzzles.
 - Blood relations and direction questions.
- Verbal Reasoning:
 - Critical reasoning and Decision making.
 - Course of action, Statement and inference, Statement and assumption, Statement and conclusion, Statement and argument questions etc.

MBA KARO

PAPER PATTERN

Online Computer-Based Test, 120 minutes total; Multiple Choice Questions

Section wise duration:

Language Skills- 28 minutes

Quantitative Skills- 52 minutes

Logical Reasoning- 40 minutes

Marking Scheme:

No negative marking.

SNAP

SYLLABUS

General English - 15 Questions

- Vocabulary: Analogies, Synonyms, Antonyms, Fill in the blanks, Compound Words, Figures of Speech, Idioms etc.
- Grammar: Tenses, Sentence correction, Parts of speech, Phrasal verbs, identifying the correct preposition, and Error detection.
- Comprehension: Para Jumbles

Quantitative, Data Interpretation & Data Sufficiency - 20 Questions

- Arithmetic: Percentages, P&L, SI/CI, Averages, Ratios, Mixtures, TSD, Time & Work.
- Algebra: Equations, Polynomials, Functions, Logs, Modulus, Indices, Graphs, Sequences.
- Geometry: Triangles, Circles, Polygons, Quadrilaterals, Coordinate, 3D Mensuration.
- Number Systems: Integers, Divisibility, Remainders, LCM/HCF, Factorials, Trailing Zeros.
- Modern Math: Sets, Probability, P&C.
- Data Interpretation: Line graphs, Bar charts, Pie charts, and Tables.

Analytical & Logical Reasoning - 25 Questions

- Analytical Reasoning:
 - Clocks and Calendars
 - Binary Logic
 - Syllogisms.
 - Coding decoding and Alphanumeric Series.
 - Blood relations and Direction questions.
 - Arrangements.
- Verbal Reasoning:
 - Critical reasoning and Decision making.
 - Course of action, Statement and inference, Statement and assumption, and Statement and argument questions.

PAPER PATTERN

Online Computer-Based Test, 60 minutes total.

Total No. of questions- 60 Multiple Choice Questions

No Section wise duration

Marking Scheme:

+1 for Correct Answer | -0.25 for Incorrect Answer

Key Exam Features:

- Attempts: Candidates are permitted up to **three attempts** for the SNAP exam.
- Score Consideration: For admission to Symbiosis International University (SIU) member institutes, the **best of the three scores** will be taken into account.
- Sectional Cutoffs: There are **no sectional cutoffs** in the SNAP exam.
- Language: The paper is conducted exclusively in English

MAH CET

SYLLABUS

Verbal Ability and Reading Comprehension - 50 Questions

- Reading: *Comprehension of passages, Para Jumbles, Cloze Test, etc.*
- Grammar & Usage: *Sentence Correction, Sentence completion, Fill in the blanks, Phrase replacement, and Spelling/Inappropriate usage.*
- Vocabulary: *Synonyms and Antonyms, Idioms and Phrases.*

Quantitative Aptitude - 50 Questions

- Core Mathematics: *Percentage, Arithmetic, Algebra, Geometry, Mensuration, Probability and Numbers.*
- Data Analysis: *Data Sufficiency and Data Interpretation, Quantity Comparison*

Logical Reasoning - 75 Questions

- Arrangements & Logic: *Linear and Circular Arrangement, Floor & Box Puzzles, Grid Puzzles, Selection Criteria.*
- Coding & Sequences: *Coding/Decoding, Series Completion, and Sequential Output.*
- Analytical Reasoning: *Blood Relations, Direction, Symbol-based Comparison, Syllogisms, Alphanumeric Puzzles, etc.*
- Critical Reasoning: *Course of action, Statement and inference, Statement and assumption, Statement and conclusion, Statement and argument questions etc.*

Abstract Reasoning - 25 Questions

- *Mirror & Water images*
- *Image Rotation*
- *Embedded Figures*
- *Completion of Incomplete Pattern*
- *Cube formation*
- *Paper folding, unfolding and cutting*
- *Figure counting*
- *Series*
- *Analogies*
- *Odd one out*

PAPER PATTERN

Online Computer-Based Test, 150 minutes (2.5 hrs.) total time duration.

Total Number of Questions- 200 Multiple Choice Questions

Marking Scheme:

+1 mark for each correct answer with no negative marking.

CMAT

SYLLABUS

Language Comprehension - 20 Questions

- Reading: Reading Comprehension, Para Completion, Para Jumbles, Sentence Completion, Sentence Correction, and Sentence Improvement, etc.
- Vocabulary: Antonyms/Synonyms, Idioms and Phrases, One-Word Substitution, and Cloze Test, etc.
- Grammar: General Grammar-based questions, Errors in English Usage, and Parts of Speech, etc.

Quantitative Techniques & Data Interpretation - 20 Questions

- Number System: Fractions and Decimals, Unit's Digit, Factors and Multiples, Remainders, etc.
- Arithmetic: Percentages, Ratio and Proportion, Averages, Profit and Loss, Simple and Compound Interest, Allegations & Mixtures, Work and Time, Time-Speed and Distance, and Partnership, etc.
- Algebra & Geometry: Quadratic and Linear Equations, Functions, Log, Circles, Triangles, and Mensuration, etc.
- Modern Math: Permutation and Combination, Probability, etc.
- Data Interpretation: Pie Charts, Bar Graphs, and Tabulation, etc.

Logical Reasoning - 20 Questions

- Analytical & Verbal Reasoning: Statement and Arguments, Statement and Assumptions, Blood Relationships, Direction and Distance, Linear Arrangements, Coding and Decoding, Inferences, Cause and Effects, and Ranking Tests, etc.
- Non-Verbal & Miscellaneous: Non-Verbal Reasoning, Symbol-Based Problems, Number Series, and Analogies, etc.

General Awareness - 20 Questions

- Current Affairs: National and International Importance, Recent Government Schemes, International Affairs, and National and International Economy.
- Static GK: History, Geography, Indian Constitution, Arts & Culture, Trade Awareness, Economics, Science, Literature, and Important Personalities.
- Miscellaneous: Sports, Politics, Awards, and Books & Authors.

Innovation & Entrepreneurship - 20 Questions

Innovation Management and Risks, Theories of Entrepreneurship, Role and Importance of Entrepreneur, Legal structure of startups, Role of the Government in promoting Entrepreneurship, Business Terminologies, Marketing and growth strategy, Business current affairs, Corporate Personalities.

PAPER PATTERN

Online Computer-Based Test, 3-hour (180 minutes) exam with no sectional time limits.

- Total Questions: 100 Multiple Choice Questions (20 questions per section).
- Total Marks: 400 Marks.
- Marking Scheme: +4 for every correct answer and -1 for every wrong answer.

MICAT

SYLLABUS

Section A: Psychometric Test - 68 Qs ; 25 Minutes

Key areas tested include:

- Behavioral Patterns and Personality Factors.
- Situational Judgments and Life Goals.

Questions Type- Ordinal Options (Completely Agree, Somewhat Agree, Completely Disagree...etc)

Section B: Descriptive Test - 4 Qs ; 25 Minutes

Topics typically include:

- Creating story based on a set of four pictures.
- Writing passages for and against a specific topic.

Section C: Aptitude Test - 70 Qs ; 80 Minutes

Verbal Ability (VA) - 20 Questions

- Vocabulary: Synonyms, Antonyms, Analogies, Idioms, Phrases, and One-word substitution.
- Grammar: Tenses, Articles, Pronouns, Sentence Correction, and general English usage.
- Comprehension: Reading Comprehension Passages, Odd One Out, Jumbled Paragraphs, Para Summary, and Inference/Conclusion questions.

Quantitative Aptitude and Data Interpretation (QA & DI) - 20 Questions

- Arithmetic: Averages, Percentages, Profit & Loss, Ratios, Simple & Compound Interest, and Time-Speed-Distance-Work.
- Algebra & Number Systems: Logarithms, AP/GP, Functions, Equations, HCF-LCM, and general Numbers.
- Modern Math & Geometry: Permutations & Combinations, Probability, Venn Diagrams, Trigonometry, Mensuration, and 2D/3D Geometry.
- Data Interpretation: Pie Charts, Bar Graphs, and Tables.

General Awareness (GA) - 10 Questions

- Brand Knowledge: logos, taglines, brand ambassadors, mergers and acquisitions, etc.
- National & International Current Affairs.
- Static Knowledge: Historical Events, Indian Constitution and Laws, Science & Research, and Authors & Literature.
- World Knowledge: Famous Personalities, Organizations, and their Headquarters,

Divergent and Convergent Thinking - 20 Questions

- Logical Reasoning: Visual Reasoning, Arrangement, Direction related problem, Blood Relations, Alphanumeric Series, and Coding Decoding.
- Critical Reasoning: Statement-Assumption, Statement-Conclusion, and Data Sufficiency.
- Verbal Logic: Word Association.

PAPER PATTERN

Online Computer-Based Test; 70 Aptitude Questions| 4 Descriptive Questions| 68 Psychometric Questions ; Total Time Duration- 130 Minutes (2 Hrs. 10 Min.)

- Section A (Psychometric): 68 Qs; 25 Minutes
- Section B (Descriptive): 4 Qs; 25 Minutes
- Section C (Aptitude): 70 Qs ; 1 Hour 20 Minutes

SRCC GBO

SYLLABUS

English Comprehension & Language Ability - 25 Questions

- Reading & Comprehension: *Reading Comprehension Passages, Paragraph Completion, Paragraph Summary, and Paragraph Jumbles.*
- Grammar: *Sentence making and correction, Spotting errors, Verb, Noun, Pronoun, Adjective, and Adverb usage.*
- Vocabulary: *Synonyms, Antonyms, Idioms/Phrases, One-word substitution, Analogies, and Matching columns (words with meanings).*
- Reasoning: *Critical Reasoning and Fill in the blanks.*

Quantitative Ability - 25 Questions

- Arithmetic: *Percentages, Averages, Profit and Loss, Time-Speed-Distance, Time and Work, Simple and Compound Interest, and Mixtures & Allegations.*
- Algebra: *Linear and Quadratic equations, Inequalities, Functions, and Logarithms.*
- Number System: *General Number System, Base Systems, and Number Series.*
- Geometry & Modern Math: *Geometry, Mensuration, Coordinate Geometry, Trigonometry, Probability, Permutation & Combination (P&C), Set Theory, and Progressions (AP, GP, HP).*
- Data Sufficiency: *Quantitative-based data sufficiency questions.*

Logical Ability - 25 Questions

- Analytical Reasoning: *Family tree (Blood relations), Puzzles, Linear and Data arrangement, Scheduling, Numeric grids, and Coding/Series.*
- Logical Reasoning: *Syllogisms, Venn Diagrams, Binary Logic (Truths & Liars), Direction Sense, Clocks and Calendars, Ranking, and Order.*
- Verbal/Critical Reasoning: *Strong and weak arguments, Statement-conclusion, Assumptions, and Course of Action.*
- Visual Reasoning: *Problems involving visual patterns or sequences.*

Data Interpretation - 25 Questions

- Charts & Tables: *Data Tables and Pie Charts.*
- Graphs: *Bar Graphs, Line Graphs, and Mixed Graphs.*
- Advanced DI: *Caselets, Data Structures, and logic-based DI*

PAPER PATTERN

Online Computer-Based Test, 100 Multiple Choice Questions (25 Qs per section); 120 minutes total time duration.

Marking Scheme:

+4 for correct; -1 for incorrect

Selection Process: Online Test (75%) → Group Discussion (10%) → Personal Interview (15%)

CUET PG

SYLLABUS

Language Comprehension (English or Hindi)

- English Comprehension: Includes English Grammar, sentence structure rules, spotting and correcting Usage Errors, Jumbled Paragraphs, Sentence Correction/Improvement, Reading Comprehension, and Paragraph Completion.
- English Vocabulary: Focuses on Synonyms, Antonyms, One-word Substitution, and Idioms & Phrases.

Candidates can choose to be tested in either English or Hindi to demonstrate their linguistic proficiency.

- Hindi Comprehension (हिन्दी पाठ बोधन): अशुद्ध प्रयोग, परिच्छेद का उचित क्रम, वाक्य शुद्धि, वाक्य परिष्कार, वाक्य की पूर्णता, एवं पाठ बोधन
- Hindi Vocabulary: समानार्थी एवं विलोम, अनेक शब्द के लिए एक शब्द, एवं मुहावरे एवं कहावतें.

Maths/ Quantitative Ability

- Arithmetic: Partnership (sharing profits/losses), Simple and Compound Interest, Profit & Loss, and Percentages.
- Time & Work: Time and Work, Work and Wages, and Pipes and Cisterns.
- Time, Speed & Distance: Time-Speed-Distance and specific Problems on Trains.

Logical Reasoning

- Arrangements & Sequencing: Ranking Tests, Linear and Matrix Arrangements, and Sequencing.
- Statement-Based Problems: Arguments, Assumptions, Conclusions, Inferences, and Causes & Effects.
- Analytical Reasoning: Blood Relationship Tests, Coding and Decoding, Number Series, Analogy Tests, Symbol-Based Problems, and Direction and Distance Tests.
- Non-Verbal Reasoning: General problems using visual or non-verbal patterns.

Data Interpretation

- Charts & Graphs: Pie Charts, Line Charts, Bar Graphs, Tabular Charts, and Mixed Graphs.
- Data Analysis: Data Sufficiency, Graph Number Systems, Tabulation, and Sets & Venn Diagrams.

MBA KARO

PAPER PATTERN

Online Computer-Based Test; 75 Multiple Choice Questions; 90 minutes total time duration.

Marking Scheme:

+4 for correct answer, -1 for an incorrect answer

XGMT

SYLLABUS

Verbal Ability & Logical Reasoning (VA & LR) - 35 Questions

- Verbal Ability: Vocabulary, Reading Comprehension, Grammar, Parajumbles, Verbal Reasoning, Syllogisms, Contextual usage, Sentence correction, Idioms, One-word substitution.
- Logical Reasoning: Alphanumeric series, Analogies, Blood Relations, Calendars, Clocks, Coding-Decoding, Directions, Input-Output, Artificial Language, Cause and Effect, Critical path, and Cubes and cuboids.

Quantitative Aptitude (QA) - 20 Questions

- Arithmetic: Percentages and its applications, Ratio and its applications, Work and Time, Time-Speed-Distance, and Averages.
- Algebra & Number Systems: Algebra, Equations, Inequalities, Number System and its applications, Divisibility, Prime numbers, Logarithms, and Surds & Indices.
- Geometry & Modern Math: Geometry and its applications, Area and Volumes, and Arrangements and Combinations.

Data Interpretation (DI) - 15 Questions

- Data Representation: Bar graphs, Tables, Pie charts, Line graphs, and Caselets, including Logical DI

General Awareness & Emotional Quotient (GA & EQ) - 40 Questions

- General Awareness (GA): Awards and winners, Business and Economy, Government and Politics, Famous Personalities, Static GK, Current affairs, and important international happenings.
- Emotional Quotient (EQ): Personality traits, Situational Questions, Reaction to success and failure, Leadership positions, Managing emotions, and Cultural sensitivity.

MBA KARO PAPER PATTERN

Computer-based test, 110 Multiple Choice Questions, 120 minutes total time duration.

Sectional Time: QA - 40 min, VALR - 30 min, DI - 30 min, GK&EQ - 20 min

Marking Scheme:

+3 for a correct answer; -1 for an incorrect answer

MAT

SYLLABUS

Language Comprehension - 30 Questions

- Reading Comprehension: Passages are drawn from diverse fields including Current Affairs, Political Developments, Science, Business & Economics, Abstract Topics, Fiction, English Literature, Historical Events, and Mythology.
- Verbal Ability: Includes Jumbled Paragraphs, Error Correction (focusing on parts of speech like verbs, nouns, and pronouns), Sentence Sequencing (using conditional sentences and passive writing), Antonyms/Synonyms, Fill in the blanks, One-word substitution, and Idioms/Phrases.

Intelligence and Critical Reasoning- 30 Questions

- Analytical Reasoning: Family Trees (Blood Relations), Seating Arrangements (Linear and Matrix), Clocks and Calendars, Input-Output, Cubes, Series, Analogy, and Team Formation.
- Logical Reasoning: Syllogisms, Binary Logic, Venn Diagrams, Direction Sense, and Logical Sequences.
- Critical Reasoning: Fact Inference Judgment, Assumptions, Premise, Conclusions, and Decision Making.

Data Analysis and Sufficiency- 30 Questions

- Data Analysis: Data Tables, Bar Diagrams (Simple, Stacked, Composite), Pie Charts, Graphs (Line and X-Y Graphs), Caselets, and Venn Diagrams.
- Data Sufficiency: Questions on Quantitative Comparison and whether the provided data is adequate to solve a specific problem.

Mathematical Skills- 30 Questions

- Arithmetic: This is the most weighted area, covering LCM and HCF, Percentages, Profit and Loss, Interest (Simple and Compound), Speed, Time and Distance, Time and Work, Averages, Ratio and Proportion, Number System, and Mixtures and Allegations.
- Algebra: Basic and advanced Algebraic Equations.
- Geometry & Mensuration: Triangles, Circles, and Coordinate Geometry.
- Modern Math: Permutation and Combinations, Probability, and Sequence and Series.

Economic & Business Environment- 30 Questions

- Current Affairs: Economic policies, Budgets, Business deals, Awards, and International developments.
- Business & Economy: Concepts like GDP, Inflation, Fiscal/Monetary policies, and news regarding top Indian and global companies.
- Static GK: Indian Politics, the Constitution, Science & Technology, Sports, and International Organizations like the UN, WTO, IMF, and World Bank.

PAPER PATTERN

Online Computer-Based Test, 150 Multiple Choice Questions, 120 minutes total duration.

Marking Scheme:

+1 for a correct answer; -0.25 for an incorrect answer

ATMA

SYLLABUS

Verbal Skills

- Comprehension: *Reading Comprehension.*
- Vocabulary: *Synonyms and Antonyms, Vocabulary/Word Meaning, and Sentence Completion.*
- Grammar & Structure: *Grammar, Jumbled Sentences, and Sentence Completion.*

Quantitative Skills

- Arithmetic: *Number System, Average, Percentage, Ratio and Proportion, Profit, Loss and Discount, and LCM and HCF.*
- Algebra & Equations: *Algebra, Quadratic Equation, Logarithm, and Binomial Theorem.*
- Modern Math: *Modern Maths, Permutation and Combination, and Probability.*
- Geometry & Mensuration: *Geometry and Mensuration.*
- Speed & Time: *Speed-Time and Distance.*

Analytical Reasoning Skills

- Logical Deductions: *Syllogism, Statement–Conclusion, Statement–Inference, and Strong/Weak Arguments.*
- Arrangements: *Linear Arrangement and Circular Arrangement.*
- Analytical Relations: *Coding–Decoding, Blood Relations/Family Tree, and Analogy.*

PAPER PATTERN

Online Computer-Based Test, 180 Multiple Choice Questions, 180 Minutes Total Total Time Duration

Section	Subject Area	Total Questions	Time Allotted
