## WHY WE EXIST...

Dear Parkview Resident,

This newsletter was created to keep you in the know about happening in our neighborhood and activities of our organization.

We work hard to improve our area and raise community pride through such projects as: 1) Maintaining our subdivision entrances by mowing, weeding and planting new plants 2) Up keep of our boulevards (Parkmount and Park Forest) 3) Fighting adverse zoning changes near our area 4) Monitoring the condition of our streets and canals 5) interacting with our city council as needed 6) Publication of a free newsletter 7) Continuing Neighborhood Watch and Awareness of any Illegal Activities in our Community 8) Protect our property values. Our goal is to make our community the finest in Baton Rouge. Help us by attending meetings and faithful payment of annual dues.

**Are you a good neighbor?**

- **Observe the Golden Rule**  
Treat your neighbor the way you want to be treated. Set an example by being consider about noise from vehicle, tools, stereos, group activities and pets.
- **Meet your neighbor** (Don't wait until you have a problem to meet your neighbor). Better to meet them before there is a concern
- **Consider your neighbor's view.** How does your compost pile, dog run, or son's car parts look from your neighbor's backyard or windows? Keeps areas that are in others' view reasonably presentable.
- **Be aware of differences.** Difference in age, ethnic background, years in the neighborhood, etc. can lead to conflicting expectations or misunderstandings unless you make an effort to communicate and understand each other.

The Civic Association is accepting nominations for the 2022-23 Officers (President, Vice President, Treasurer and Secretary). Please contact Jerry Chenevert at (225) 335-0254 before September 8<sup>th</sup>

**Special thanks to Lonnie Lavigne and Clyde Williber for all their hard work on maintenance at the Sherwood entrance**

The next Parkview Oaks Garden meeting is September 20<sup>th</sup> at 6:30 pm at The Flower Basket 12260 Industriplex Blvd  
Fresh Flower Arrangement Demonstration

This club will help those of us who don't have a green thumb keep our plant alive. Also help experts advance their knowledge.
