PARKVIEW OAKS CIVIC ASSOCIATION

ParkviewOaksCivicAssociation.com

ParkviewOaksCA@gmail.com

General Meeting

Please plan to attend on September 10 at 6:30PM in St. Patrick's Family Center.

All are welcome! You do not need to be a member in order to attend.

We will have a guest speaker from the Federation of Greater Baton Rouge Civic Associations (FGBRCA), an organization comprised of civic associations in the Baton Rouge area (including ours) in the EBR area.

The Federation communicates between civic associations and local government on issues that impact them.

There will be refreshments and fantastic door prizes donated by our sponsors. Hope to see you there!

2025-2027 Officers

President—Jerry Chenevert

Vice President—Willie Williamson

Treasurer—Tim Young

Secretary—Susan Lott

2025-2027

John Angelos

Denise Ray

Lynn Donachricha

Keisha Skinner

Nadine Mann

We value your opinion: Would you prefer the annual neighborhood garage sale to be in the spring (March or April) or fall (October or November) next year? Email your vote to parkviewoaksca@gmail.com

Spotlight on Brighton School

The Brighton School was established in 1972 and moved to our neighborhood in 2001. Its present location on Parkmeadow was once a horse stable owned by O.C. Harrell, developer of Parkview Oaks subdivision. It was later the site of the PVO Swim Club.

Brighton serves kindergarten through high school students with dyslexia and other language related learning difficulties. The school has been a generous supporter of the Civic Association, allowing us to hold meetings and events such as Fall Market, Spring Fling, Potluck and Game Night on their campus. Their students even spread mulch around our oak trees on Parkmount.

Thank you to Brighton for being a great neighbor! See the attached flyer about our upcoming joint event.

Potluck and Game Night

Wreaths From Me To You

Perhaps you noticed that our brick wall at the Sherwood Forest entrance has a boo boo. Two trees adjacent to the wall grew pressing against the brick wall causing a section to collapse. The cost to remove the trees, grind the stumps and repair the wall will run around \$5,500.

We will obtain at least three bids on the work. This is an unexpected expense that we did not budget for and yet another reason we need everyone to support the Civic Association with your dues payments.
