Game On At Brighton

On June 8th, neighbors gathered for a game night potluck at The Brighton School. John Angelos contacted local businesses to donate door prizes.

Our generous sponsors were Baton Rouge Packaging & Shipping, Beignet Baton Rouge, Checkers, The Chimes East, Formosa Computers, Hibachiana and Jovi's Tacos. Show them your support!

The Events Committee brought it all together: Kelly Coreil, Vee Landry, Amy Crain, Angela Barnes, John Angelos, Nanette Lamothe, Keisha Skinner, Christy Scoggins, Bernadette Vo and Matthew Accomando.

Thank you all for giving our neighbors an enjoyable night!

Though work is still ongoing, Parklawn now boasts a new pavilion, improvements to the basketball court and connecting sidewalks that are ADA accessible.
