

## STS Saskatoon Chapter

### NOVEMBER 2023

*The Superannuated Teachers of Saskatchewan is an organization of retired teachers who are dedicated to promoting the welfare of all superannuated teachers, and to maintaining the ties which bind them to fellow professionals. The STS Saskatoon Chapter has over 2800 members and is the largest chapter in the organization.*

### NOVEMBER Embers

Nothing seems quite as delightful as the calm of Autumn. The colours of Fall display their own mystic array of ember tones. The harvest is done as the earth goes to rest. And though the days are getting shorter and the temperatures dropping, nothing compares to the ambiance of the Fall. \*\*\*\*\*

**Be sure to check out the special activities that have been planned for the fall and mark your calendar to save the date.**

**A very special welcome is extended to the new retirees! Enjoy this new chapter in your life.**

**SEW MUCH FUN is in Full Swing for Another  
Season!**

*Nuno Scarf Making in November*

**Welcome to the planned sewing activities. It is time to get our creative juices flowing and ramp up for projects to work on during the winter.**

To get you started with your plans, here is what the Sew Much Fun group has in the works for the next while. Please note:

1. Register through Wanda at [wandaldrew@gmail.com](mailto:wandaldrew@gmail.com)
2. Payment due when you arrive for the day.
3. All days are held in Eamer Auditorium in the STF building on Arlington.
4. Bring your own beverage.
5. Some people pack a lunch. Some go out as a group. Some dash home to let their dog out!
6. Days start at 9:00 unless stated otherwise below and we sew until about 3:30.
7. Please let Wanda know if something "last minute" will cause you to need to let go of your spot in a class.

Also, please note that all dates for classes include limited spaces for all sewers and crafters to come for the day to work on their own projects (\$5). Please register with Wanda ahead of each date.

#### **November 24 – Ever Wanted to Try Sewing with Cork?**

Last spring, a number of our Sew Much Funnies said they would love to try a small project made out of cork . . . mostly for the experience of seeing what it's like to work with this material. So . . . Kim will lead the group in the making of small, raw edged wallets (Small enough to fit in your pocket). Once you've tried sewing with cork, our prediction is you'll be making bags with it before you know it!!

**When you register, please let Wanda know if you prefer a morning (9:00-12:00) class or an afternoon (1:00-4:00) class.**

**Fee: \$25 (includes materials and instruction)**

Space available for personal project folks (\$5.00)

#### **December (date to be determined) – Personal Project Day**

Yikes!! It's December already!! You truly are running out of time for the making of those gifts and decorations!! You better register for this project day and get those tasks done!!

We cannot book December dates at the STF yet, but we know that when the date is booked, it will be a project day.

**January** – If we can secure an instructor, we are planning on having a beading class in January (date to be determined). Just think of all the projects you could do or quilting embellishments you could accomplish if you knew how to bead. We will also have a personal project day in January.

**February – YEARS ago, we had a class in Tote Bag Making.** At that time, we made them out of waxed canvas. Recently, we've been asked to have another Tote Bag class . . . so our plan is to do that in February (date to be determined).

We will also have a personal project day in February.

### **March – June – Under Construction**

Woosh!! That pretty much sees us through the winter and the calendar is already flipped to November! We hope there's something in this email that tickles your fancy enough to register for a class or two or three. It's Sew Much Fun when creative people gather in one room to learn from one another, connect over a project or two, and simply spend good time with good people.

**And please keep an eye out for other emails from us. Things change . . .new dates pop up . . .you know how it goes! We'll keep you up to date through emails and the STS newsletters and emails.**

**Cheers for now from your planning team,**
