Travel

Caryl Allen from CAA Travel was the guest presenter at the November Chapter Event. Caryl discussed travel opportunities and answered questions about travel in general. Patience and preparedness when travelling was a theme. Leaving a day early in case flights are delayed or even cancelled while an additional cost may give you peace of mind.

ICE (International Currency Exchange) is a foreign currency provider. CAA Members enjoy premium rates and there are no fees for online reservations sent to the 8th Street office. It does take 7-10 days for the currency to get to the CAA Office. Debit is used for payment.

Also discussed were items such as E-Sim Cards, Phone Plans, downloading City Maps at Home...

Thanks to Freda & Judy; and seventy members enjoyed the Smile cookies too.
