## Star Egg Tour

### October 22, 2024

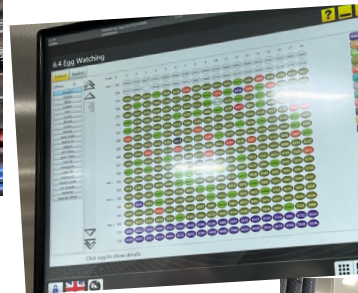

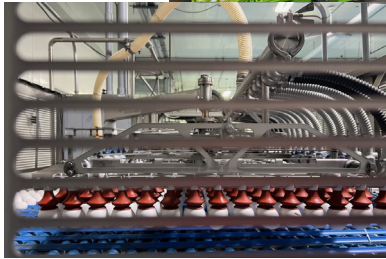

Our guides Sarah and Aurora

Thirty (30) STS Members & guests toured Saskatoon's Star Egg facility. Star Egg specializes in the grading, distribution and marketing of shell eggs in Western Canada. Eggs come from 63 local farmers who carefully raise hens that lay the variety of eggs. Approximately 80 people work in a variety of fields including administration, production, shipping and receiving, and truck drivers..
