Special Safety Precautions Concerning COVID-19

CESI is taking extra precautions to ensure the safety and wellness of its competitors during our upcoming competition. This includes strict adherence to all Sacramento and Placer County COVID-19 guidelines and public policies.

Additionally, CESI is limiting audiences in and around all game-play locations, providing social distancing measures, spacing out arrival times of teams to limit contact, encouraging use of masks, utilizing additional sanitary stations, and also creating barriers where necessary, to further limit teams' physical contact.

CESI is also committed to assisting with any special requests from visiting teams to alleviate any other concerns. Overall comfort and safety of our competitors remains a top priority and we are happy to have professionals at venues on-hand to help assist with these guidelines. Similar policies and regulations being used by NBA teams when visiting the Golden 1 Center, will be instituted for the CESI Tournament 2021. Feel free to address any additional questions or concerns related to COVID-19 safety precautions to, Gordon Hinkle, CESI Tournament Committee Chair at ghinkle@cesesports.com
