

**Dear friends, family and business leaders:**

I am working to raise money to support my church youth group and the many missions and outreach programs we are involved in. We are proud to be partnering with two other churches in the region and our common goal is to support ministry efforts both locally, as well as camps and international mission trips through our upcoming "ESPORTS YOUTH NIGHT" fundraiser on March 29th.

Your contribution or donation is tax deductible, greatly appreciated, and will help numerous great causes by our youth teams who are spreading God's love to others!
