

Insurance for Your Construction Business

Your business is like no other. That's why we offer tailored coverages to meet your unique needs. Contact your independent agent or broker to find out how Liberty Mutual Insurance helps construction business thrive.

As a small trade contractor, protecting your business is a cornerstone of success. At Liberty Mutual Insurance, we've seen firsthand how a job site accident or equipment failure can negatively impact your projects, your workers, and your financial position. We partner with your independent agent or broker to help safeguard your jobsites, equipment, people, and more.

Tailored Coverages Address Your Complex Needs

Property

- **Builder's risk** – We provide protection for your structures and materials during new construction projects or renovations from start to finish.
- **Contractor's amendment of pollution exclusion – Job site** – Offers liability coverage for sudden and accidental bodily injury and property damage to tangible property that occurs when a contractor accidentally pollutes a job site.
- **Contractor's equipment** – Protection for the equipment used to get the job done on the job site, in storage, and while in transit. Coverage ranges from lifts and compressors to power and hand tools. Scheduled coverage options ensure owned, rented, or loaned equipment is covered up to the required value.
- **Employees' tools** – Tools owned by your employees can be protected against loss or damage up to \$25,000 per occurrence and \$1,000 per tool.
- **Equipment Breakdown** – Your business depends on your equipment. If you experience damage or loss of your core equipment, our coverage goes beyond simple replacement or repair. We can extend protection to cover the loss of business income if you need to shut down temporarily, the extra expenses to continue running your business, utility service interruption, or the lost value of spoiled or contaminated products.
- **Installation** – Property intended for installation at a location away from your primary business location can be covered through your business property insurance as well.
- **Property off-premises** – Coverage for your covered property while it is temporarily away from the described premises. May be extended to include electronic data in transit with limits up to \$50,000.

Liability

- **Additional insured – Required by contract agreement or permit** – We offer blanket additional insured status for those from whom you lease the premises where you conduct your business, or equipment related to your business; also, to those for whom you perform work if your contract requires it.
- **Contractor's errors and omissions** – Provides coverage against claims for damages because you made an error or omission in your work. Coverage is provided on a claims-made basis and limits are available up to \$1,000,000/\$1,000,000.
