

We Specialized in Insuring Contractors

Metal erection contractor insurance is a type of insurance coverage specifically designed for contractors who specialize in metal erection or steel construction projects. It provides financial protection against various risks and liabilities that contractors may face during their work

Here are some common types of insurance coverage that metal erection contractors may consider:

- General Liability Insurance
- Property Insurance
- Workers' Compensation Insurance
- Commercial Auto Insurance
- Equipment Insurance
- Builder's Risk Insurance
- Professional Liability Insurance
