

Multiple Line Insurance Agency

We Specialized in Insuring Plumbers

As a plumber, you know the importance of protecting yourself and your business from potential risks and liabilities. That's where plumber insurance comes in.

Plumbing is a necessary and important trade, but it comes with certain risks. As a plumber, you are constantly dealing with water, electricity, and gas, which can be dangerous if not handled properly. In addition, you are often working in confined spaces, which can increase the risk of accidents.

At Advance Insurance Consultants we understand the unique needs of plumbers, we offer comprehensive insurance coverages to protect your business.

Here are some of the most common types of plumber insurance:

- General Liability
- Property Coverage
- Workers Compensation
- Business Auto
- Umbrella
- Plumbers E & O
- Contractors Tools
- Contractors Bonds
- Pollution Liability

At Advance Insurance Consultants we specialize in insuring Plumbers. We have top A-Rated Insurance Companies that provide comprehensive coverages at the lowest price. We have saved some Plumbing Contractors over 30% in insurance premiums without sacrificing any coverages.

Our goal is to take away the worries of properly insuring your business so that you can concentrate on what you do best.
