- \* Made from 80% natural Quartz crystals and pure acrylic resin
- \* Heat safe up to 535 degrees
- \* Smooth, non porous means food residue won't stick or stain the sink's surface.
- \* Daily cleaning is simple with just a cloth and soapy water.
- \* Rear drain location leaves more room in your cabinet below and 9" deep bowls provide plenty of room to accommodate all your cookware.
- \* Designed for installation under solid surface, granite and quartz countertops.
- \* 36" or wider standard sink cabinet required.

# FIRECLAY SERIES- Italian Fireclay Apron Front

Our Fireclay Series apron front sinks are manufactured in Italy. The raw clay used in our fireclay sinks is a unique natural white clay found only in a few regions in the world, including Italy. The clay is fired at an extremely high temperature giving the solid sink exceptional strength and durability.

# RADIUM SERIES- Vitreous China Porcelain Apron Front Sinks

Our Radium Series apron front sinks are manufactured with vitreous china porcelain. Vitreous china is made from a clay base that is coated with a glaze and then fired at an intense heat to fuse the clay and glaze. The ceramic materials of vitreous china offer a smooth, nonporous surface that will not rust, fade, or discolor. A cost effective version of our Italian Fireclay sinks.

*The highest standards in Quality, Service & Integrity*

---

*We would like to take this time to thank our customers for their continued support and loyalty. We are committed to evolving with the newest trends in our industry by offering a diverse line of high quality products to our customers. With your continued support we have updated our catalog, adding many new products to assist you in meeting your customer's needs. We have aligned ourselves with multiple companies in order to meet the demands of our customers and provide a one stop shopping experience. If there are any products that you don't see in our new catalog, please reach out to us- we may have the ability to obtain these products for you.*

*You may also notice new model numbers for all of our products. Have no fear, we are able to convert whatever model numbers you're currently using to our products, including other sink vendors. As a company, our customer's needs are very important to us and we thrive on being able to provide the highest standards in **Service, Quality** and **Integrity**. We realize our success is directly related to the success of your business. A long term, successful working relationship is what we will always strive for.*

*With much gratitude in your support we would like to take this opportunity in thanking you.*

*Kindest Regards,*

*Nicole Weimer and the Evolution Sinks Family*

## LIMITED LIFETIME WARRANTY ON ALL EVOLUTION PRODUCTS

Evolution Sinks carries a LIMITED LIFETIME WARRANTY on all products to be free of all manufacturing defects under normal use.

Evolution Sinks will replace without charge (excluding labor) any Stainless Steel Sink, Porcelain Sink, Faucet or Fabrication tool supplied by us that is proven to be defective, with an equivalent replacement, within the specified appropriate period from date of purchase, to the original owner, provided it has been used solely in a residential application and installed in accordance with our installation instructions, used and cleaned as recommended, and not damaged due to abuse, misuse, or negligence. (In the event of warranty claim, the owner will be required to provide proof of purchase)

This warranty will not cover any damages which might be caused by the product. Evolution Sinks reserves the right to inspect any product reported to be defective prior to replacement. These inspections could include sending a picture, video or other. All decisions are final. Replacement costs EXCLUDES transportation and any labor costs for the removal or reinstallation.

Evolution Sinks shall not be liable in case of:

- \*Improper installation/modification
- \*Damages resulting from abuse, such as heavy impact or dropped objects
- \*Improper care of maintenance
- \*Improper applications (such as exposure to corrosive chemicals, photographic solutions, etc.)
- \*Any modifications made to the product after it has left Evolution Sinks premises
- \*Commercial application
