BOTTLES & TUMBLERS

TRAIL BOTTLE

TRAIL BOTTLE is designed for setting out in sync with nature. It is made with durable recycled material. The lid opens with a single twist and features a simple structure with an integrated silicone ring, making it easy to keep clean. It can also be used with carbonated drinks and comes with a handle for convenient carrying.

Copolyester, Silicone / Dishwasher safe
*Made with 50% certified recycled content

ACTIVE BOTTLE

ACTIVE BOTTLE is designed to support a healthy and sustainable lifestyle. Made with recycled material, it has a transparency like glass while being durable. The straw-type spout is easy to open and feels comfortable on the mouth. With the lid removed, the wide mouth makes it easy to fill drinks and clean. The flexible handle allows easy carrying in outdoor scenes.

Copolyester, Polypropylene, Silicone, TPE / Dishwasher safe

TO GO BOTTLE

Enjoy the time to unwind and relax with TO GO BOTTLE.

The bottle's double wall structure makes drinks look like they are floating in air and prevents ice from melting quickly, keeping drinks cold for a long time. The straw-type spout is made of soft silicone material which feels smooth on the mouth. With a handle that is comfortable to hold, it is easy to carry around.

Copolyester, Polypropylene, Silicone / Dishwasher safe

WORKOUT BOTTLE

WORKOUT BOTTLE supports your active lifestyle enjoying whatever feels natural to you. Made of high quality transparent copolyester, it is lightweight and durable. The lid opens with a half-twist and the narrow spout lets you drink smoothly. By removing the middle cap, you can easily put in ice cubes and clean the inside. Marks on the side allow you to measure your drinks, and a flexible strap allows easy carrying. The range of colors are inspired by active urban scenes.

Copolyester, Silicone / Dishwasher safe

DAY OFF TUMBLER

DAY OFF TUMBLER is designed for spending a relaxing day off. Vacuum insulated, it retains the temperature and flavor of drinks for a long time. With a rounded handle that is comfortable to hold, it is perfect for carrying around on walks or day trips. The cap feels smooth on the mouth and is structurally designed to stop ice cubes and hot drinks from coming out vigorously so you can drink comfortably until the last sip.

*Keep drinks hot and cold for 6 hours

500ml: Hot above 69°C/156°F, cold below 7°C/45°F

900ml: Hot above 70°C/158°F, cold below 6°C/43°F

TRAVEL TUMBLER

TRAVEL TUMBLER is designed for people who lead a conscious and flexible lifestyle—for those who appreciate the subtle flavors of single origin coffee and tea, or like to drink mineral water at the right temperature for your body. Vacuum insulated, the tumbler has great heat and cold retention. The cap feels smooth on the mouth and is structurally designed to stop ice cubes and hot drinks from coming out vigorously so you can drink comfortably until the last sip.

*Keep drinks hot and cold for 6 hours

350ml: Hot above 65°C/149°F, cold below 8°C/46°F

ACTIVE TUMBLER

ACTIVE TUMBLER is designed to help you elevate your energy. The straw-type spout is easy to open and comfortable to drink from. The tumbler has a wide opening so it is easy to put in ice cubes and drinks. Vacuum insulated tumbler retains the temperature of cold drinks for a long time, and the elastomer rubber on the bottom reduces impact when placing the tumbler on the floor. It is available in 600ml and 800ml sizes.

*Keep drinks cold for 6 hours, below 6°C/43°F

PLAY TUMBLER

PLAY TUMBLER is designed for kids' play under the limitless sky. The straw-type spout feels comfortable on the mouth and is easy to sip from. You can also detach the straw inside to drink. The opening of the tumbler is wide so it is easy to put in drinks and ice cubes, and also clean. Vacuum insulated, it retains the temperature of cold drinks for a long time. It comes with a handle, and there is a slight curve between the lid and tumbler which allows small hands to grip easily. In nearby parks, playgrounds, or pathways, find fun anywhere with PLAY TUMBLER.

*Keep drinks cold for 6 hours, below 7°C/45°F

DRINKWARE

SLOW COFFEE STYLE

SLOW COFFEE STYLE brings you the joy of a slow, relaxing passage of time with pour over coffee. Organic forms, calm colors, and warm textures are designed to help you unwind. The items integrate well into spaces with a relaxing atmosphere. The collection gives depth to your daily ritual of brewing coffee.

SCS-S02

SCS-S02 brewer stand combines walnut wood in deep color and brass that will age beautifully. The wooden base resists coffee stains due to its coating, and the height of the stand can be adjusted for brewing into your own mug or server. White dots on the glass server indicate the amount of dripped coffee, and the holder can be used to place the brewer after use.

[Stand] Natural wood (walnut, urethane coating), Brass, 18-8 Stainless steel, Silicone
[Filter] 18-8 Stainless steel (TiN coating) / Dishwasher safe
[Brewer] Heat-resistant glass / Dishwasher safe
[Server, Holder] Heat-resistant glass / Microwave and dishwasher safe

W6.6 x D5.2 x H10.0 in / 23.8 oz

*Set includes: stand, stainless steel filter, glass brewer, server, holder

SCS-S04

SCS-S04 features a stand made by casting and a porcelain brewer with rich textured glaze. The height of the stand can be adjusted for brewing into your own mug or server. The inner side of the stand's ring is edged so that the brewer fits stably. White dots on the glass server indicate the amount of dripped coffee, and the holder can be used to place the brewer after use.

SCS-S03 mugs have rich expression brought about by traces of handwork on the potter's wheel and two colors of layered glaze. Mixing luster and matte textures, a profound scenery is created to enrich your coffee time. The supple shape fits inside your hands, and the wide arched handle connects smoothly to the cup, making it comfortable to use.

OCT

Designed based on an octagon, OCT features clean lines and beautiful contours. The brewer is designed so that it can be held easily without a handle, and placing and removing the paper filter is simple. The sharp looking handles of the cup and jug are comfortable to hold, and the rim of the cup is thin yet smooth on the mouth. Items are perfect for displaying when not in use.

SEPIA

Like looking into an old photo, SEPIA evokes a sense of nostalgia and comfort. The square shaped handles of the cups and the gently curving form of tumblers allow you a firm grip. Made of heat-resistant glass, items can be used for hot and cold drinks. The tray is elegant with thick handles made of solid wood, and there is a coating on its surface that prevents items from slipping when serving.

[Jug, Tumbler, Cup, Mug] Heat-resistant glass / Microwave and dishwasher safe
 [Saucer] Natural wood (teak plywood, urethane coating)
 [Tray body] Natural wood (walnut plywood, urethane coating)
 [Tray handle] Natural wood (walnut, urethane coating)

CARAT combines stainless steel and glass, reflecting light beautifully like a cut diamond. The stainless steel filter can be used repeatedly, and it can extract coffee oil to brew rich, aromatic coffee.

[Pot, Lid] Heat-resistant glass / Microwave and dishwasher safe

[Filter, Holder] 18-8 Stainless steel / Dishwasher safe

[Dripper] Heat-resistant glass, 18-8 Stainless steel, Silicone / Dishwasher safe

ALFRESCO is designed for carefree gatherings in the open air. It has an elegant yet down to earth look, with matte textured finish that integrates naturally into the landscape. Being made of plastic, the pieces are durable and easy to carry. The brewer fits perfectly on the jug for stable carrying and brewing in outdoor environments.

[Brewer] Polypropylene / Dishwasher safe

[Jug] Copolyester / Dishwasher safe

[Filter] Cotton pulp, Wood pulp

UNITEA

UNITEA integrates harmoniously into any scene. The glass jugs and cups showcase the beauty of teas inside, letting you observe tea leaves as they bloom. While made of glass, the large arched design of the handle lets you grip firmly and comfortably. Incorporating different materials such as heat-resistant glass, stainless steel, and plastic, the items are suitable for various tea styles.

UNITEA CARAFE

The carafe lets you pour drinks without having to open and close the lid each time. The lid also helps to stop ice cubes and lemon slices which you may put inside. With a slim shape, the carafe fits in the refrigerator door pocket. By putting tea leaves inside the fine mesh strainer and pouring water, you can easily make cold brew tea.

[Body] Heat-resistant glass / Microwave and dishwasher safe

[Lid] 18-8 Stainless steel, Polypropylene, Silicone / Dishwasher safe

[Strainer] 18-8 Stainless steel / Dishwasher safe

LUCE

Combining stainless steel and glass, LUCE is a carafe with an elegant presence. The lid does not need to be opened and closed each time for pouring. It also keeps dust out and is drip-free. The mesh filter prevents fine powders from escaping and lets you easily make delicious cold brew coffee and tea. Functional and refined, it can be used in various scenes.

[Body] Heat-resistant glass / Microwave and dishwasher safe

[Outer lid] 18-8 Stainless steel, Silicone / Dishwasher safe

[Inner lid, Filter] Polypropylene, Polyethylene terephthalate / Dishwasher safe

CLK-151

CLK-151 items have a humble yet dignified presence. Rough texture of the clay peeks out at the bottom under the calm color glazing, and the bottom edges give a sharp impression reminiscent of quarried stone. The handle of the teapot can be gripped comfortably, and the spout is designed so that it is drip-free. The large strainer is easy to clean and allows tea leaves to open widely inside to release their flavor.

TABLEWARE

MUI

MUI is a tableware collection thoughtfully crafted in Japan from locally sourced materials. The clay and glaze display rich contrast, giving each piece a simple and warm character. With a rounded form, each piece fits comfortably in the hand. The rim of the cup feels smooth on the mouth, and the handle is designed for a comfortable grip. Plates and bowls are easy to stack and store. The collection brings depth and richness to your day to day.

LIN

LIN collection has a dignified presence like vintage tableware, beautiful for its durability and practicality. The rim draws the eye to the food like a picture frame, elevating your presentation. From the subtle shaping to the rustic but expressive glaze, the design was created by seasoned craftsmen, resulting in deceptively simple looking pieces that look effortlessly elegant on the table.

TERRA

The reddish-brown clay peeking out around the rim and the expressive glaze in serene tones characterize TERRA. Carefully handcrafted one by one by artisans, each piece enhances dishes like stews and oven-cooked recipes, creating a warmly inviting winter dining scene. With a stable form and a moderate thickness that doesn't feel too heavy, the pieces can be stacked for storage.

CLK-151

CLK-151 items have a humble yet dignified presence. Rough texture of the clay peeks out at the bottom under the calm color glazing, and the bottom edges give a sharp impression reminiscent of quarried stone. The handle of the mug is designed to fit your fingers comfortably. The plates and bowls have a sturdy thickness and can be stacked together for storing. The range of plate sizes can be used for different purposes.

ATELIER TETE

ATELIER TETE tableware is brought to life by refined craftsmanship. "Te" means "hand" in Japanese, and the experience centers on the hand—traces of handwork can be seen in the tableware, and your hands are naturally led to touch each piece. Inspired by natural objects, there is beauty in the subtle unevenness of shape, texture and tone. The edges are thin and smooth to assure comfort when using. The elegant pieces enhance your presentation on the table.

HIBI chopsticks have been carefully handcrafted by artisans. With just the right thickness they are comfortable to hold, and the fine tip makes it easy to pick food. The top part has a cut design that serves as an accent. There are two sizes: 235mm for adults and 180mm suitable for small children. Finished with beeswax and a careful polishing process, the chopsticks have a pleasant matte feel. The natural expression of the wood blends well with other tablewares.

CLK-211

The CLK-211 combines the rough texture of clay with a subtle glaze color. Big enough to be used for cooking, yet small enough to be placed on a dinner table, the CLK-211 will bring warmth to any dinner, or kitchen. The oil bottle features a tilt-and-pour lid and a thin, drip-free spout for easy controlled pouring. The canisters have a sturdy body, with a nostalgic cork lid. The canisters come in 2 different sizes: 100ml, and 400ml. It allows storage for condiments such as salt, spices, tea, coffee, and granola.

LUNA

LUNA is a single-flower vase featuring a brass plate that gently shines as though it is reflecting the moonlight. The plate supports leaves of plants and is suited for enjoying hydroponic growing of succulents. As the plate can be removed, taking care of plants is easy. The glass vase can also be used on its own to display a small bouquet. The brass will age gracefully over time, adding richness and depth to your interior space.

AQUA CULTURE VASE

AQUA CULTURE VASE is designed to celebrate the beauty of leaves growing and roots extending in the water. It is composed of two parts, the plate and the vase, which make taking care of plants easy. The plate supports the growing leaves such as herbs. It is also perfectly shaped for bulbs like hyacinth and seeds like avocado. You can choose to enjoy it as a flower vase without the plate.

SACCO

Single-flower vases with playful and organic forms, you can enjoy pairing various flowers and plants with SACCO. The asymmetrical shapes create interesting motion, highlighting the lively and delicate expressions of plants. The compact size makes it easy to incorporate into various interior spaces. The subtly varying colors contribute to creating richly inviting spaces with greenery.

PLANT POT 191

PLANT POT 191 fits naturally in minimalist spaces, with its clean silhouette and dry textured glaze. It is perfect for showcasing plants such as cacti with strong vertical movement. The drainage hole at the bottom allows water to drain freely and keeps plants healthy. It comes with a saucer so that it is also suitable for growing plants indoors. Larger size options have been added to provide an accent to your interior.

FABRIC

Futo Hamamatsu – High density cotton

Aprons, caps, and hats are crafted from durable high-density cotton woven slowly on traditional shuttle looms. The aprons feature a clean design that highlights the beauty of the material itself. The cap and the hat showcase the character of the fabric while offering everyday practicality. Each item has a crisp, clean finish, yet feels soft against the body and moves comfortably with you when worn.

Futo Mumbai – Substantial linen

Essential kitchen items are made from highly absorbent, quick-drying linen, perfect for everyday use. With a natural weight and gentle texture unique to 100% linen, this fabric is soft and supple, and develops character with use. Using flax sourced from France, the yarns are spun and woven in India to create a refined fabric.

Futo

Wakayama – Loopwheel cotton knit

The minimal and neutral long sleeve knit top is made using fabric slowly knit on traditional loopwheel knitting machines, preserved only by a handful of makers in Wakayama. Simple yet refined, it features thoughtfully considered details, such as relaxed and balanced proportions in the body, length, and ribs. Even after repeated washing, the fabric retains its signature fullness and soft feel.
