How are we different?

We're fully mobile and offer a pop up golf sim service to your door. Whether you're hosting a private party, corporate celebration or society soiree Catalyst are on hand to get the party swinging.

What does it cost?

We are very flexible and can offer multiple packages, from charging the players to play, to charging the venue for hire. We even offer cash prizes for hole in one competitions. We can offer a bespoke package to meet any budget.

How much space is needed?
