Why choose Catalyst golf for your Corporate Event?

Catalyst Golf brings a fully mobile, pop-up golf simulator service directly to your venue. Whether it's a conference, client entertainment, or team-building day, we deliver a unique experience that blends fun, competition, and professional polish.

Key Benefits for Corporate Clients

- Client Engagement: Encourage collaboration and friendly competition among clients & colleagues.
- Memorable Experiences: Stand out with an interactive golf simulator that guests will talk about long after the event.
- Team Building: Provide a distinctive hospitality option that strengthens relationships.
- Flexible Packages: Tailored solutions for half-day, full-day, or multi-day events.
- Branding Opportunities: Integrate your company logo into games, scoreboards, and simulator visuals.

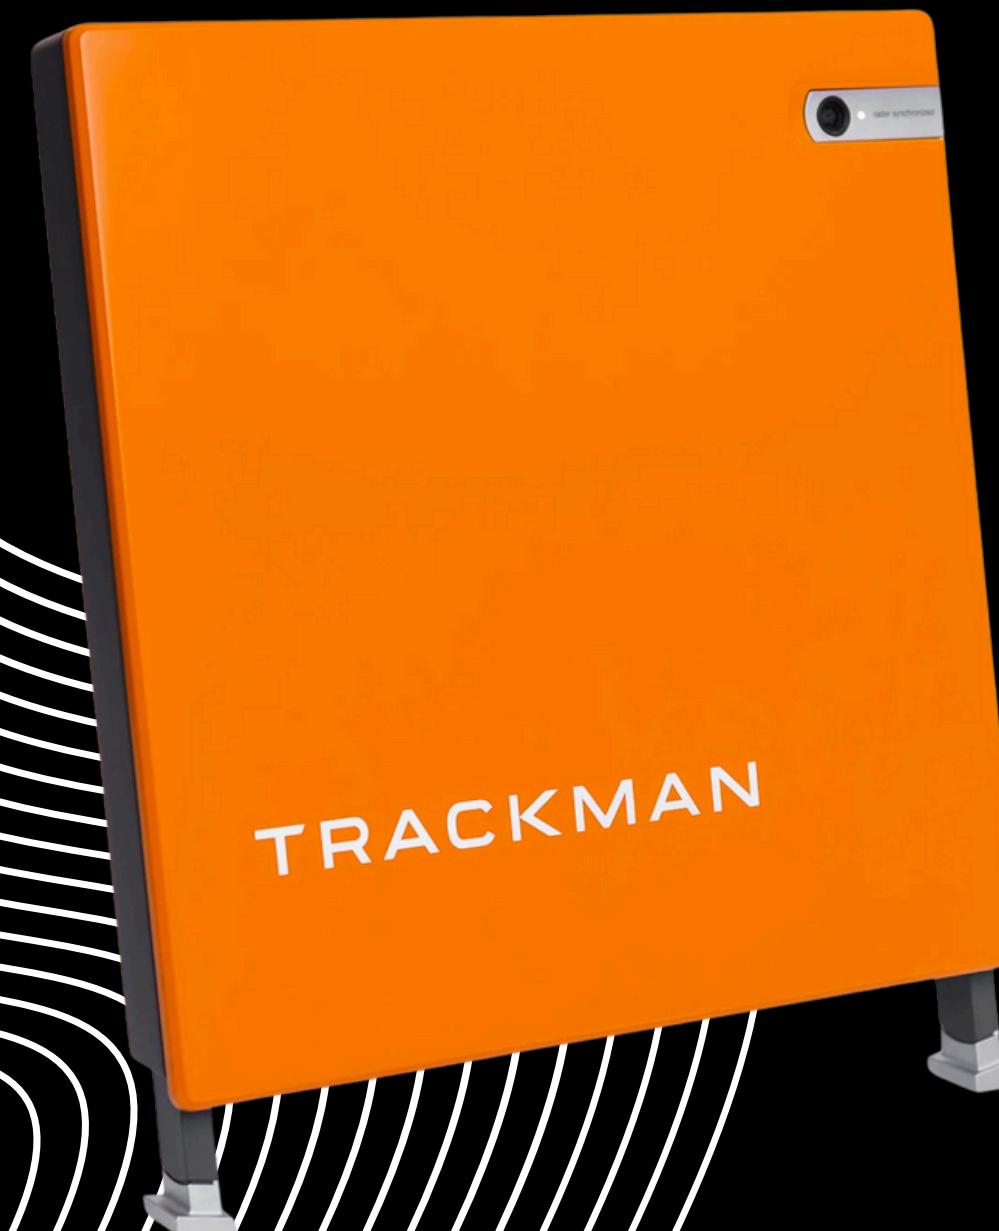

What do people think?

Stratstone

The only thing better than the Catalyst Team was the simulator experience itself! Everyone absolutely loved it, from keen golfers to complete novices. A 5* experience that we'd definitely book again.

Trackman 4 Technology

What parameters does Trackman measure?

Get the full range of club and ball data – more than 40 parameters – on every shot in your arsenal. Gain deeper insight into your strengths and where you can improve.

THE ENGINE

The tour-trusted Trackman 4 uses patented optically enhanced radar tracking (OERT) technology to deliver unsurpassed accuracy.

THE SOFTWARE

Our golf simulator is powered by the most comprehensive and exciting software package in the industry, including Trackman Performance Studio (TPS) and the Trackman Golf app.
