# FAQ's

## How are we different?

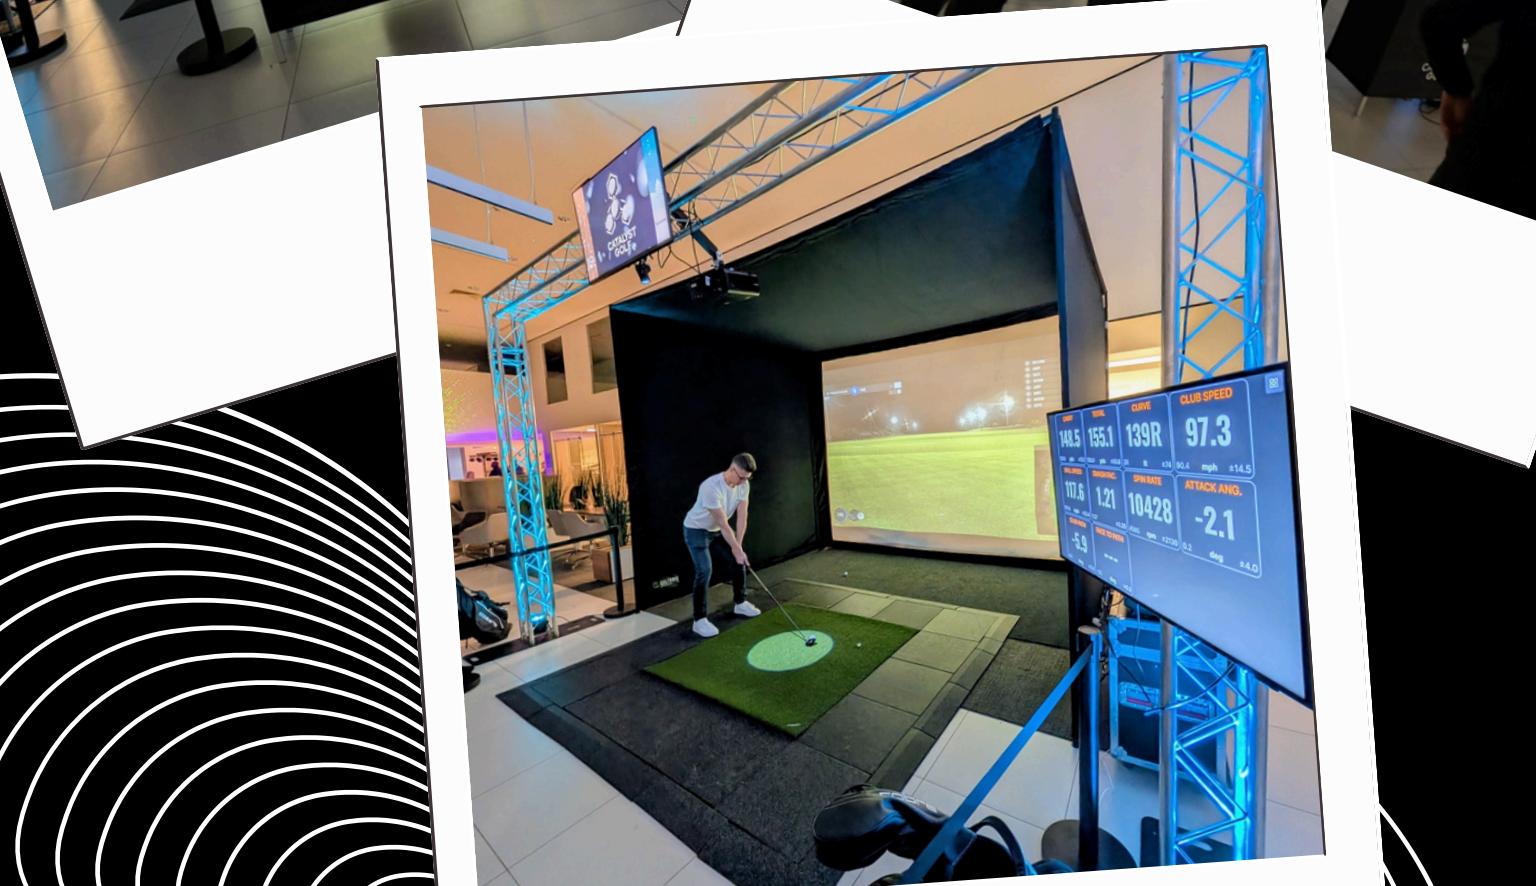

We're fully mobile and offer a pop up golf sim service to your door. Whether you're hosting a private party, corporate celebration or society soireé Catalyst are on hand to get the party swinging.

## What does it cost?

We are very flexible and offer multiple packages, from charging to play, to private hire. We can offer a bespoke package to meet most budgets with the many options for corporate branding and personalisation.

## How much space is needed?

We have 3 sizes of indoor bays, all of which offer a great experience. You will find our dimensions information on page 8 of this brochure.

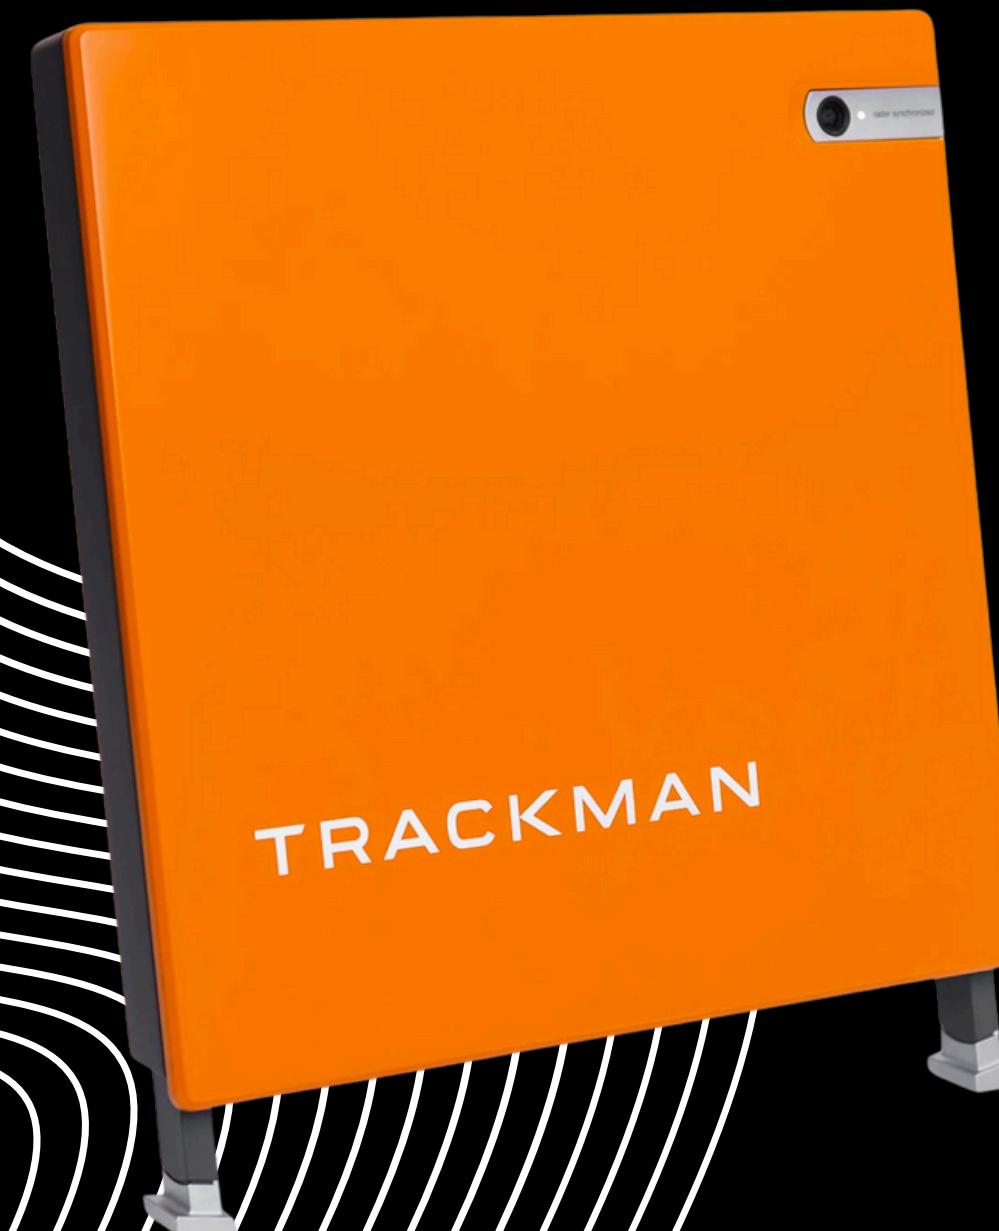

# Where can we set up?

## Venues

Want to turn your pub into a golf range - Great idea  
Hosting a private garden party - Get us on the guest list  
Want something different at your wedding - Tuxedo time  
Add an iconic 19<sup>th</sup> hole on your golf society day - Amazing

*'Nobody could believe we had a full blown golf simulator at our wedding, everyone loved it. Thanks Catalyst for contributing to our special day.' Marie - London*

# Trackman 4 Technology

## What parameters does Trackman measure?

Get the full range of club and ball data – more than 40 parameters – on every shot in your arsenal. Gain deeper insight into your strengths and where you can improve.

### THE ENGINE

The tour-trusted Trackman 4 uses patented optically enhanced radar tracking (OERT) technology to deliver unsurpassed accuracy.

### THE SOFTWARE

Our golf simulator is powered by the most comprehensive and exciting software package in the industry, including Trackman Performance Studio (TPS) and the Trackman Golf app.

# Our games

## Nearest the Pin

Go for the greatest accomplishment in golf. Hole in one!

## Stroke Play

A traditional approach.  
Play a round on world famous courses.

## Target Games

Set the score to beat.  
Limited number of shots, hit the bullseye!

## Longest Drive

Go for bragging rights.  
Remember, it only counts if you find the fairway.

# Plenty of options for beginners...

## Party Putt

A virtual putting game with classic minigolf course designs. Designed for all ages and skill levels, suitable for parties and fun, casual play

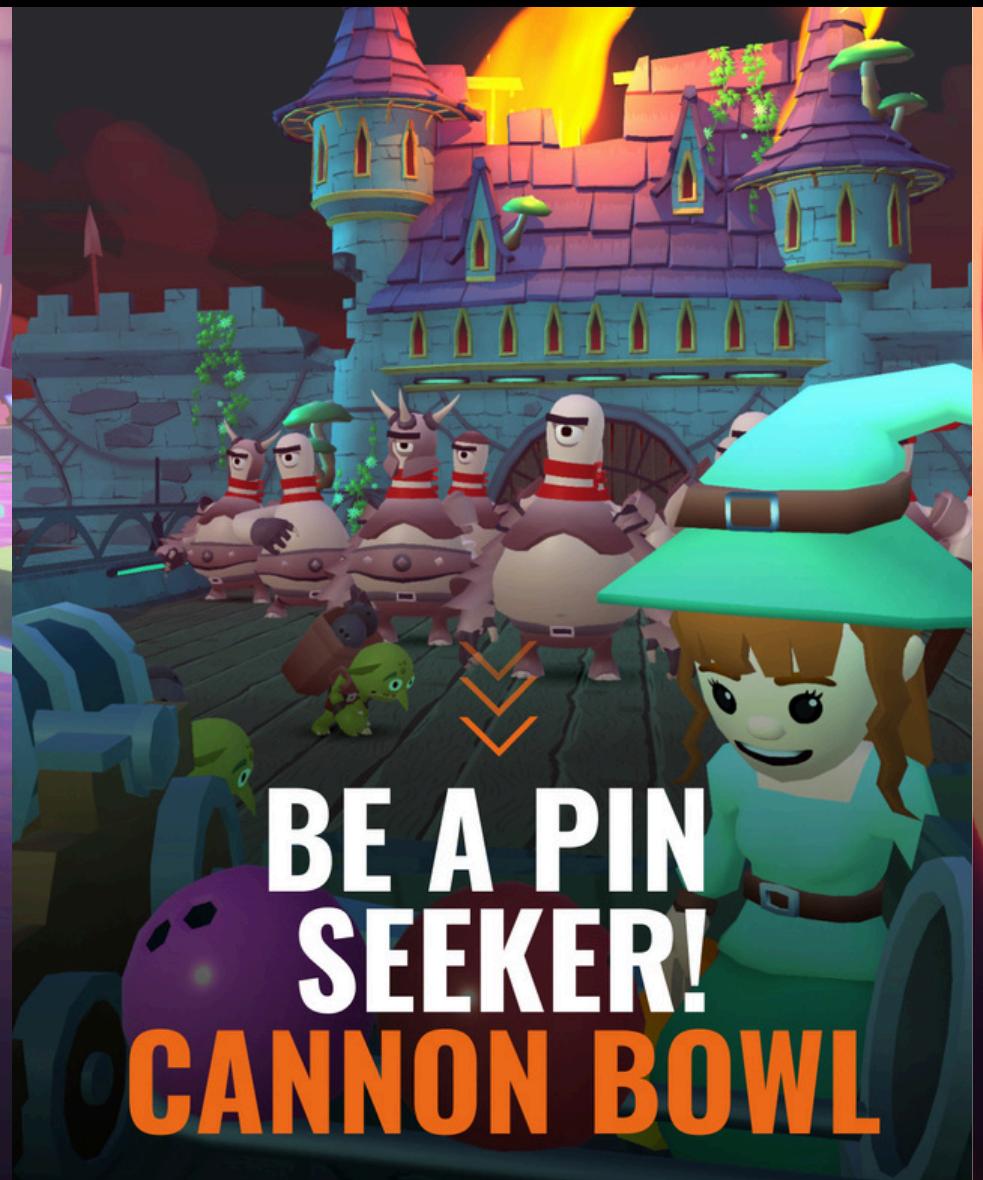

## Magic Pond

Players hit golf balls into a virtual pond to capture monsters & score points. A fun, family friendly game that helps develop skills like distance control and accuracy.

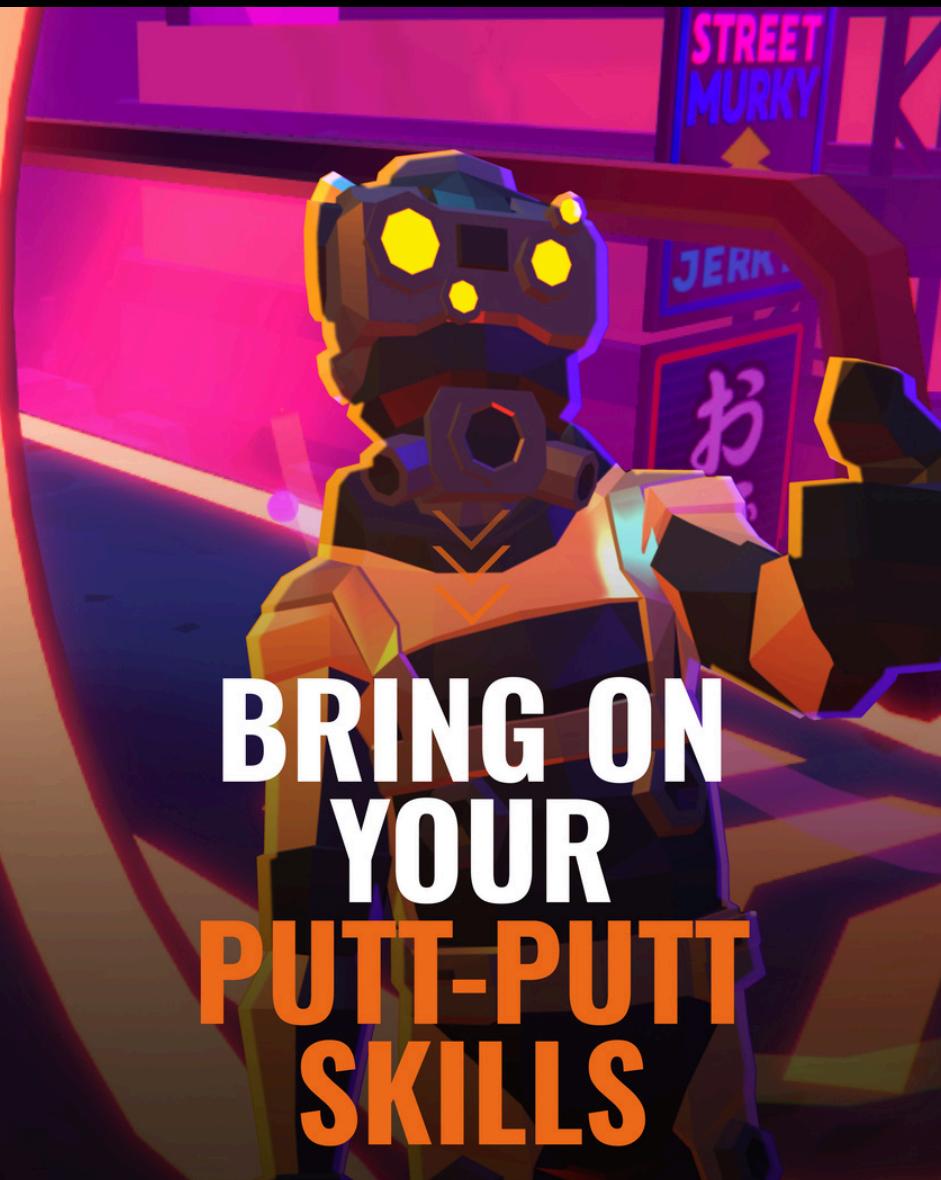

## Cannon Bowl

Launch a virtual cannonball to hit pins. A fusion of golf and bowling, designed to be fun and competitive while improving accuracy and power.

## Streets of Neon

Futuristic mini-golf game with a neon-lit, cityscape-style course. Navigate obstacles, challenges, with the help of a friendly robot. Designed for fun, strategic play against friends.
