

## Quarterly Newsletter

October - December 2025

Dear Brothers and Sisters in Christ,

It pleases me to be able to write this Q4 report for 2025. God has blessed this work of sharing the gospel, in written format, in Africa.

We thank Him so much for the privilege of working in His harvest, along with you, introducing lost souls to Christ.

I thank you for your prayers, encouragement and contributions, which makes this work possible.

Although 2025 has passed, it's good to review as we re-count God's blessings and thank Him.

We truly serve a Mighty God!!

### 1 - Report Summary

#### Summary from October to December 2025:

- Printed **207,500 "Please Free Me"** gospel tracts in Q4:
  - 18 print jobs.
  - 8 new partners.
  - 6 countries (Uganda, Kenya, RSA, Zambia, Malawi and Zimbabwe).
  - 2 new languages translated, finalised and printed (Swahili and Sotho).

### 2 - Q4 Highlights

#### Key Highlights:

- Translations of the **"Please Free Me"** gospel tract:
  - The Lord revealed to me clearly that He wanted the tract translated into Swahili. After doing this, I visited South Africa and God opened the door to meeting various pastors from Kenya, who have now received the tract in Swahili. 25,000 copies printed (in Q4) for 4 pastors in different areas of Kenya.
  - Various additional languages have been requested by partners. Therefore, we're busy with an additional 7 language translations. These are:
    - French (West Africa),
    - Shona and Ndebele (Zimbabwe),
    - Venda, Tswana, Tsonga, Pedi (RSA),
- Technology updates:
  - Implemented the printing of **QR Codes** on tracts. This helps us receive testimonies, per distributor, from those touched by God through the literature.

### 3 - Performance

At the beginning of 2025, I wrote down the below Kingdom minded goals and our Lord has significantly exceeded our expectations.

This speaks directly to God's desire to reach lost souls. He has compassion towards the lost and it is His priority to reach them. That's why it is Strengthen Africa's priority too.

May this work continue to increase. May many seeds be planted and souls come to salvation.

God is so good!! We praise and thank Him!!

GOALS	2024	2025 (Planned)	2025 (Actual: Jan-Dec)
New Partners	4	3	18
New Country Presence	3	2	4
Tracts - Translated	0	1	4
Tracts - Printed	65,000	120,000	340,250

### 4 - Highlights of 2025

This is an exciting ministry. I love it!! Always learning and moving forward (as God leads). For me personally, these were a few of my highlights in 2025:

- The Lord smashing our printing target for 2026. He brings the laborers!! Glory to you Lord!!
- Lucas and I planning the gospel crusade in Malawi. Five days across 5 districts. Sixty plus pastors and 12 chiefs attended (of which 5 gave their lives to Christ).
- Planning and starting Strengthen Africa's digitization journey. This is going to be a very exciting journey as we leverage technology and data going forward.
- Attending Kwasizabantu Ministers Conference and the NCMI Global Equip Conference in RSA. Special times and God-given connections made.

### 5 - Plans for 2026

The plans and goals for 2026 will be completed by Q1 2026 and will contain some or all the below:

- New targets for the standard metrics (tracts printed, languages translated, countries reached etc).
- Goals to leverage technology to create a solid foundation to reach local and international donors and maintain relationships with them.
- Create a new website in Wordpress that will allow greater flexibility and customisation going forward.
- Register Strengthen Africa in some legal form. Still deciding which structure will be suitable.
- Host a Strengthen Africa 'get together' in Adelaide. Where those interested will be invited.
- I have no current plans to travel for Strengthen Africa in 2026. But I'm open to God's leading.

### 6 - Prayer Requests

Please will you pray for the following:

- Souls to be saved and those saved people to really love and serve their Lord and Savior.
- The above plans to come to fruition according to God's will.
- The Lord to send laborers... Brothers and sisters to get behind this vision and serve to impact the harvest fields of Africa.
- Pray for God's protection of myself and my family and for the cancelation of the enemy's traps and plans against us and this ministry.

Thank you and God bless
