2- Q1 Highlights

HIGHLIGHT 1

Kwasizabantu (KSB) Ministers Conference – 3-5 March, South Africa.

The **purpose** of attending this conference was to engage with new Partners in Africa. A ‘Partner’ is an evangelist or pastor or servant of the Lord who has a desire to share the gospel, through tracts.

The KSB Mission was born out of revival among the Zulu’s. The mission is a self-sustaining community that actively shares the gospel all over the world. See the intro video here: www.ksb.org.za.

The Mission hosted more than 2000 servants of the Lord. They provided three meals a day and accommodation for all servants at no charge. I had the opportunity to engage with some current Partners (Victor, Konsolo and Bongani). We were blessed. For a summary of the event see here: [Lord Send Me](#)

I was the only person representing Australian at the conference. Hopefully this will change in the future. **With the inclusion of Australia, all five continents were represented.**

Those interested to join the Australian representatives in the next KSB Ministers Conference in March 2027, tap this note to contact us...

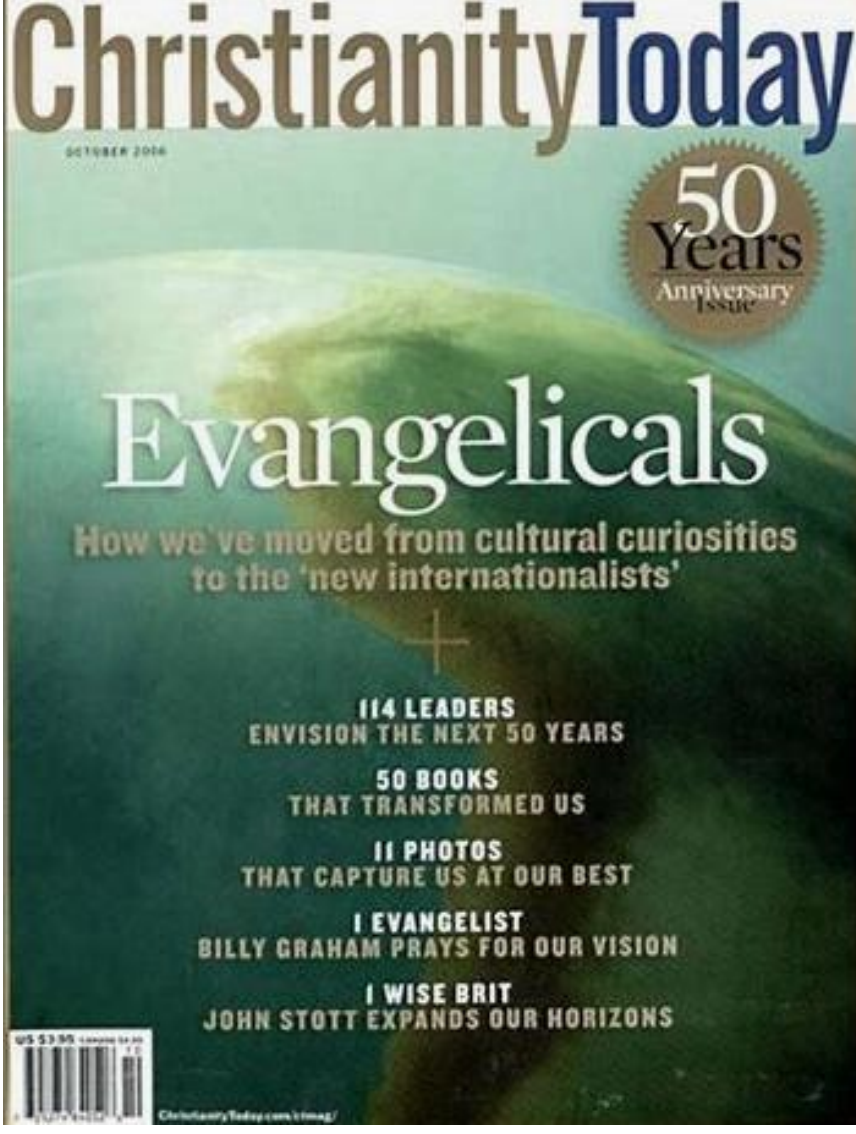

The Lord made a way that I could engage with attendees from the following African countries: **Namibia, Swaziland, Mozambique, Angola, DRC Congo, Malawi, Kenya and South Africa.**

I also had the opportunity to engage with a pastor from a church in South Africa to consider sponsoring what **Strengthen Africa** does. He was encouraged. The Lord knows what will come of the meeting.

HIGHLIGHT 2

Strengthen Africa ¼ page advert to be published in the July/August issue of the Christianity Today (CT) Magazine.

The purpose of placing this advert in CT is to reach potential sponsors (pastors, churches and individuals) who have a passion to reach the lost in Africa.

The artwork for the ¼ page advert is shown below:

3- Performance

It is difficult to achieve something for the Lord unless you write down what you want to achieve. At Strengthen Africa, we want to see the gospel go to the lost. Therefore, we have written down goals and we track performance against them.

We don’t achieve the goals through our own power, but we sure work in faith together with the Holy Spirit, as we aim high for our Lord. God does the rest.

Table 1 - Goals

| GOAL | 2024 | 2025 (Planned) | 2025 (Actual: Jan-Mar) | 2026 (Planned) |
