

Quarterly Newsletter

April - June, 2026

“And all of this is a gift from God, who brought us back to himself through Christ. And God has given us this task of reconciling people to him. For God was in Christ, reconciling the world to himself, no longer counting people’s sins against them. And he gave us this wonderful message of reconciliation. So we are Christ’s ambassadors; God is making his appeal through us. We speak for Christ when we plead, “Come back to God!”

2 Corinthians 5:18-20

We greet you in Jesus’ mighty name!

As we look back over the past few months, we are once again thankful for the goodness and faithfulness of the Lord.

The theme of this quarterly newsletter is Building Bridges, reflecting our recent focus on connecting with churches and individuals here in Australia and sharing the vision God has given us for Africa.

Each Sunday, Danny and I have been visiting churches, meeting pastors and speaking with those interested in the work of Strengthen Africa.

While we seek to build bridges between Australia and Africa, pastors and evangelists on the ground are doing the vital work of sharing the Good News of Jesus Christ and helping reconcile people to God.

We are excited to share some of what God has been doing over the past few months.

Thank you for being part of the journey!

Performance

So, how are we doing?

Well... let’s just say our goals are currently running a little faster than we are!

We’re already halfway through 2026, and as you can see below, we still have some catching up to do. One thing we certainly don’t lack is demand—with 289,500 Gospel tracts currently waiting to be printed. What we do need is the funding to get the printing presses rolling.

Thankfully, God has never been limited by our spreadsheets or timelines! Things can change quickly when He opens doors, so we continue to trust Him, pray and move forward in faith.

GOALS	2025 (Actual)	2026 (Goals)	2026 (Actual-To Date)
Print Jobs	34	45	9
Countries Impacted	6	8	5
New Translations	4	6	3
Tracts - Printed	340,250	500,000	65,000
