Carron Bathrooms

The Bath Book 2023

Welcome to the Carron Bathrooms Bath Book, incorporating our Trade Price List. Working with feedback from the trade, we've given the catalogue a redesign, giving you even better access to the pricing and technical specifications of the entire Carron Bathrooms range.

Carron have a reputation for quality products and reliable after sales support. With all our baths being available in our patented, Carronite™ material – with a 30 year manufacturer warranty – installing a Carron Bath comes with added peace of mind.

PRICES SHOWN ARE EXCLUSIVE OF VAT.

The product pages in this Bath Book come with a series of icons showing the optional extras available for each model.

CARRONITE™

Carronite™ is Carron's unique patented manufacturing process. Carronite baths are more stable and hold water temperature for longer than a standard acrylic bath. Every Carronite bath comes with a 30 year manufacturer warranty, giving extra peace of mind when installing for a customer.

PANELS

Baths with a panel icon have a corresponding panel designed specifically to fit the product in question.

HAND GRIPS

Many Carron baths come with hand grips as an optional extra. All Carron hand grips allow for the use of a showerscreen.

WHIRLPOOL

The ultimate in bathing luxury, C-Lenda Whirlpool systems are available as an optional extra for Carron baths. You will also find a guide to the Whirlpool range available on page five.

EASE OF ACCESS

If you require a bath with a lower height, look out for our Ease of Access icon, to assist users with limited mobility.

WATER SAVER

Providing a solution for those looking to reduce their water usage, the Water Saver icon shows baths with reduced water capacity.

Carronite™.

Designed to last a lifetime.

Carronite™ is Carron's unique, patented manufacturing process. We are so confident in the strength and quality of Carronite™ that we offer a 30 year manufacturer's warranty.

How does Carronite™ work?

A Carronite™ bath's strength comes from a triple layer reinforcement system. The additional weight of this system requires the bath to be fitted with a heavy duty support/levelling system. The combination of the material itself and the support system ensure the rigidity and stability of the bath.

Save up to £581*

Purchase any Carron bath with a C-Lenda whirlpool system and get a **FREE CARRONITE UPGRADE**. Call us today on 01324 638407 or email info@carronbathrooms.com

*This offer, based on a Linea 1900 x900, would be worth a potential saving of £581.00 (ex-VAT) at retail prices, allowing your customer to benefit from all of the additional strength of a Carronite bath with its 30 year Warranty.

C-Lenda Whirlpool Systems

The C-Lenda Whirlpool system is the most technologically advanced system available on today's market. This unique jet system has been designed by Markon in New Zealand and ensures the most comfortable bathing experience. Almost all baths in the Carron range are compatible with this whirlpool system and are made to order by our skilled technicians at our factory in Falkirk.

In previous whirlpool baths, the fittings protruded from the bath wall into the bathing area and were prone to build up of soap which was difficult to clean. In the unique C-Lenda design, all fittings are flush with the bath wall, creating a smooth, continuous surface.

Showerbaths

With more space for showering whilst retaining the option of a luxury bath, our range of showerbaths all come with matching shower screens and panels.

Carronite™ **Ideal for showering**

The strength and stability offered by our Carronite™ finish makes it an ideal option for the showerbath of your choice.

TIME TO UPGRADE YOUR
SHOWER EXPERIENCE.

Buy any **Carronite**
showerbath and panel
set and get a **shower**
screen completely free.

Carronite showerbath sets consist of Carronite Bath, Carronite Front panel or L-panel and Screen. This offer, based on a Celsius Showerbath Set with Wrap round screen (02379) would give a potential saving of £962 ex-VAT at retail price.

 **carronite**™

Our Carronite baths bring an extra feeling of strength and stability, making them the perfect choice for a showerbath

ColourMatch

The future is colour

Carron's ColourMatch concept is our solution to the ever changing design environment. So your clients will no longer be restricted to white for their freestanding baths.

Every bath is coloured to the client's specification based on a RAL classic colour reference. Providing a unique design statement while still meeting Carron's rigorous manufacturing standards.

ColourMatch

ColourMatch Infinity Base

ColourMatch

With ColourMatch, your client can choose the colour of their freestanding bath base by simply matching a paint swatch or reference.

DOVE

Curved and compatible

Looking for a flexible bath in a tight space? The Dove is the solution.

Certain bathroom layouts can be challenging when choosing your bath. However, you shouldn't have to compromise on design to work with a challenging layout.

The generous bathing capacity of the Dove sits within a tight, 1550x950mm

footprint, so squarer spaces are ideal for this corner bath.

The Dove doesn't just need to be the solution to a layout problem. Its distinctive styling and bathing practicality provide a comfortable bathing experience and is ideal for families with small children.

Panels, Screens & Accessories

When buying a Carron bath, it is just as important to ensure that your accessories are up to the job. Designed and manufactured specifically to fit perfectly with the Carron range all our panels, screens, grips and headrests guarantee a perfect fit and an easy install.

Screens

All Carron showerbaths have a custom designed screen available. The Quantum Showerbath has a unique screen while the more traditional P-shaped showerbaths in the Carron range have the option of a curved screen or a fully enclosed wrap round screen. Giving more definition to the shower area.

Standard flat screens come in two size and shape options, produced to match Carron's high standard of manufacturing.

Shower screen options

Carron standard flat screens come in two heights with either a square or curved profile.

CFS-2 Screen (H=1500mm)
£385 02346

Panels

We offer a range of panels to complete the look of your chosen bath. One piece L-Shaped panels provide the ideal solution, ensuring a flawless finish and removing any unsightly joins between front and end panels. Where an L-Shaped Panel is not suitable, standard front and end panels are also available.

All front and end panels can be purchased in standard or Carronite finishes.
