# ABOUT THE MANUFACTURER

---

## ON-TREND DESIGN FOR EVERY HOME

Whether you're looking for a contemporary bathroom or something more classic, Zaneti's wide range of bathroom furniture delivers beautifully on the latest British design trends. We offer a huge choice of styles, colours and finishes to suit any home – from spacious family bathrooms to cosy cloakrooms.

We have doors in over 25 gorgeous colours and woodgrains, from super-matt to high gloss. Handles for every taste. Mirrored bathroom cabinets, cleverly designed to make everyone look more like themselves. And distinctively handsome, hard-wearing sinks and countertops.

Zaneti. Bathrooms to linger in.

## QUALITY BRITISH MANUFACTURE

Everything we do is very carefully considered, from the way we design our bathroom furniture to the way we make it – right here in Britain.

We add in extra touches to make you smile. Like soft-close doors that shut with a whisper. Integrated basins. Wall-mounted units to make cleaning the floor easier. Slimline units for the smallest spaces.

And our huge, centrally located manufacturing plant is fully computerised. So we can make and deliver our bathroom furniture quickly, perfectly, inexpensively, and sustainably.

## THOUGHTFUL, LOW-IMPACT BATHROOM FURNITURE

As a responsible manufacturer, we are careful about how we relate to the natural world around us.

We bring in raw materials sourced in the forests of Northumberland – not shipped from the other side of the world. Our manufacturing and logistics have been set up with sustainability in mind. And we ship from our plant in the centre of Britain, which minimises each delivery journey.

We also use environmentally friendly materials that don't emit volatile organic compounds, and which contain more natural minerals.

Because it matters to you, and it matters to us.

### ABOUT THIS FINISH

---

The chestnut undertones of Tuscan Red bring it right to the forefront of today's colour palette. Tuscan Red is intense but never overbearing, soothing enough to suit both period and modern homes.

### CARE AND WARRANTY

As with any bathroom furniture, damp could shorten the life of your completed Zaneti bathroom. Therefore, please ensure that the room is properly ventilated. Talk to your installers about extraction fans to deal with moisture and steam build-up from showers and hot water.

# illumino

Illumino illuminated mirrored bathroom cabinets are a clever combination of form and function. Elegantly styled, illumino's cabinet lighting is perfectly angled to avoid hard and unnatural shadows: it simply illuminates, which is perfect for shaving and make-up application.

Illumino is not just stylish, it is also smart. The LED lighting on the canopy and under the cabinet uses infra-red Sensortouch control to adjust the brightness. It's practical too, with height-adjustable internal glass shelving to fit every bottle and jar.
