WELCOME BACK

Right then, here we finally go. Dearest supporters, players, coaches, volunteers, sponsors and local Haveners.

After a season away, we're finally back at the Window Workshop Sports Park and with a brand new 3G pitch to mark our return. It's been a challenging 6 year journey, especially with unexpected archaeological discoveries delaying the build, but we are delighted to welcome you home to a facility that will serve our club and community for many years to come.

This new pitch has been made possible thanks to Lewes District Council, club fundraising and the new Lionesses Futures Fund created by the Football Foundation and the Premier League. The new fund is a £30 million investment celebrating the Lionesses' triumph at the UEFA EURO 2022 and their inspiring run to the FIFA World Cup 2023 final. With women's and girls' football growing rapidly, these new pitches will ensure greater access to the game and improved facilities to create a truly inclusive environment.

As we kick off this exciting new chapter, we want to remind you that Peacehaven & Telscombe FC is a club for the community, run by the community. We are proud to be a one member, one vote co-ownership football club, meaning every voice matters. If you want to have your say in how the club is run, join us today for just £10 a year and become a part of our journey.

Thank you for your unwavering support. We cannot wait to see you back at the club, cheering on all the teams and enjoying everything our new facilities have to offer.

And if you know your history...

Although officially the club was formed in 1923 as a result of a merger between Peacehaven Rangers and Telscombe Tye. It is recorded that a number of games were played in 1922 following a meeting of interested players in June of that year.

It was reported that the Peacehaven United players looked very “posh” in their Emerald Green and White shirts. The team captain was also their trainer, Frank Thornton. The first ever competitive game was in the Lewes League on 2nd September 1922 away against Ringmer. This would be followed by the first home game on 9th September when Cliff Athletic would be the visitors. These games would be followed by Seaford (away) 16th, Martins Athletic (home) 23rd and Denton (away) 30th. The team had also been entered in the Charity Cup, while plans were underway for a second eleven in dark green and white shirts to also have some fixtures shortly. Due to problems with travel and possibly commitment to regular playing, the club failed to complete the season. However, in 1923 with a new committee and more players Peacehaven took their place in the Lewes League.

The team first played competitive football in the Lewes District League until after the second world war when the club joined Junior Division one of the Brighton, Hove & District Football League for the start of the 1949–50 campaign finishing runners up at the first attempt. Two seasons later the club achieved promotion to the intermediate division when they finished as champions of the Junior Division one, and gained further promotion the next season when they finished runners-up in the intermediate division. However, they could only survive two seasons in the Senior Division before being relegated back to the intermediate division at the end of the 1954–55 competition. Four seasons later the club bounced back up to the senior division, when they finished runners-up but as before they could only survive two seasons in the top division before being relegated again. The 1963–64 season saw the club promoted back to the Senior division as champions of the intermediate Division. The club would then go on to win the Senior division five seasons later, without losing a single game.

The Senior division win in the Brighton league enabled the club to be promoted to Division Two of the Sussex County Football League, for the start of the 1969–70 season. Their fourth season in Division two, the 1972–73 campaign, saw the club make their debut in the FA Cup, where they beat Burgess Hill Town in the First Qualifying round before losing to Lewes in the next round. The 1975–76 season saw the club gain promotion to Division one for the first time, when they finished runners up behind Selsey.

In their third season, 1978–79, in Division one the club ended up finishing as champions of the Sussex County League. The club went on to remain in Division one for another nineteen seasons during which time they went on to win the league title a further six times. Two seasons after winning the last of these six titles, the 1997–98 campaign saw the club relegated to Division two. The club bounced back as runners-up of Division two, three seasons later but could only last two seasons back in Division one.

Two seasons after being relegated from Division one, the club was relegated to Division three for the first time in their history

The next season saw them become champions of Division Three in the 2005–06 season, earning promotion back to Division two. The club was back in Division one three seasons later when under manager Darren Guirey, they earned promotion as champions of Division Two. The club achieved further success at the end of the 2012–13 campaign the club won the Sussex county league for the eighth time in their history and earning themselves promotion to the Isthmian League. In 2013-14, the club won the Isthmian League Division One South and earned a second successive promotion, reaching the Isthmian Premier Division.

By December 2014 at the clubs highest position in the Ryman Premier League it all started to unravel. Managers and chairman struggled, there were wins but slowly the club slipped down the table and ended back in Ryman South. Then in January 2016 with the club at its lowest ebb, popular chairman Brian Suckling lost his fight with cancer and passed away. Deputy chairman Sue Norwood became acting chairman but had a mountain to climb. The followed another demotions, which saw the club back in the Southern Combination Premier league for the 2016/17 season. It was realised that the club was on the brink of collapse.

So with a massive effort in June 2016, the club became community club, owned by its fans. A new manager was appointed, local man Mark Shutt. He set about building a squad of players with a nil playing budget, but recruiting players who wanted to play for the shirt and not money. At the end of season 2016/17 Peacehaven & Telscombe finished in a respectable 14th place in the Southern Combination league with 48 points from 38 games played. The objective in its first season as a community owned club had been achieved and the slide had been halted. In May 2019 a new high point was reach by winning the RUR cup against the odds, about the same time the club was accredited FA Charter Standard.

Then in Covid year with just a few matches to go the first team were in the semi-finals of a number of cups when covid hit and all matches were cancelled and the season ended early. Today Peacehaven & Telscombe Football Club has not only its 1st team, there are also sitting in the wings not only a reserve /development squad but also under 23's and under 18's who all at time have opportunities to play in the senior team. The club also caters for young players covering all school ages both boys and girls spanning over 25 teams.

This year we sadly lost the man who is responsible for giving us these good times, Jim Edwards. Sue Norwood put it perfectly "Jim will be greatly missed by everyone at Peacehaven Football Club and will leave a great hole in our club which will always be known as "The Edwards Club". He was the father to us all, and rarely ever missed a game, through the youth to the first team. He worked hard to make this club the success it is, and for that we will be for ever grateful. God bless you Jim Edwards"

Haven rounded off the 2022-23 season with another RUR win. Forza.

Bexhill United

Latest News.

This season we welcome Jay Skinner Swain into the managers position after a season as head coach under Ryan Light. The experienced Jaimie Podmore remains as assistant manager, and they have put together a squad of youth mixed with a core of older heads like Ritchie Welch, Kyle Holden, Dan Rogers and Jack Shonk.

History

- The first Bexhill football club of which there is any record was formed in 1889 and played on a pitch in the vicinity of the fire station in London Road, then Belle Hill farm.
- In 1923 the Polegrove officially opened with Bexhill FC playing there in the East Sussex Football League
 - 1927, the Bexhill Football Club merged with the then Bexhill United Football Club both playing in the East Sussex League and formed Bexhill Town, at this time the newly formed club joined the Sussex County league.
 - After the second world war Bexhill Wanderers having been formed in 1937 revived the towns football but appear to have ceased to exist after the 1945/46 season, this saw the emergence of Bexhill Town once again and sister club to Bexhill Amateur Athletic.
 - The Sussex County League records show that the two clubs merged from the 1946/47 season to became Bexhill Town Athletic FC. This was a very successful merger with the club winning many trophies
 - o 54/55 Hastings senior cup
 - o 55/56 league cup
 - o 56/57 Sussex County league
 - o 57/58 runners up in the league and Royal Ulster Rifles cup
 - o 63/64 Hastings Senior Cup

TODAY'S VISITORS

Bexhill United

A turbulent time for the towns football team with ups and downs and some formidable custodians of the club over time, amongst the most successful was Don Pellet who under his stewardship saw the club win the league twice in successive seasons missing out on a third by goal difference, other trophies were won in a real purple patch during the sixties

- In 2002 the club once again merged with Bexhill Amateur Athletic Club, this time the current Bexhill United emerged, in 2005 Bexhill Amateur Athletic Club demerged and returned to the Downs site but the name Bexhill United remained and does so still today, during the forementioned merge the club badge was designed to incorporate something from both clubs, the "Semper Paratus" coming from the Athletic Club

o

- o 2004-05 Sussex County League Division Three runner-up, Promoted to Division Two
- o 2006 Relegated to Division Three
