From Peacehaven U5s boys to England women's U17 🏴

Sadie Gregory's Football Journey

Every football club loves to see its young players develop, but every so often, one of those journeys becomes something truly special. For Peacehaven & Telscombe FC, Sadie Gregory's journey is one that everyone at the club can be incredibly proud of.

Sadie's footballing story began locally at Peacehaven & Telscombe FC boys where she took her first steps in the game and began developing the skills, confidence and love of football that would eventually take her far beyond the South Coast. From those early days wearing the Peacehaven shirt, with - (coach) Scott burns ,, could see Sadie's talent and determination , which continued to shine through. At the age of 9 Sadie's performances earned her an opportunity to progress to women's Brighton & Hove Albion academy u10 playing up 1yr age taking the next important step on the pathway towards the professional game & becoming club captain Brighton women' provided Sadie with another opportunity to develop in a professional academy environment, competing against some of the best young players in the country and learning what it takes to reach the highest levels of the women's game. Her progress then took another step forward when she joined Chelsea women's fc u14 & becoming part of the leadership team & at u15 won player of the season & players player & her 1st call up to England u16 team , what an honour.

Today, Sadie is part of Chelsea's Women's Under-18 - 21s setup, competing in the Professional Game Academy pathway against some of the country's leading clubs. Chelsea's own match reports have featured Sadie regularly, including her starting at CB and contributing to the team's performances & playing CDM against Ipswich u21s winning 8-0.

But perhaps the biggest milestone of all came when Sadie's hard work was recognised by England. Sadie was selected for the England Women's Under-17 squad, putting on the Three Lions shirt and representing her country at international level. She has been involved in England's UEFA Women's Under-17 European Championship qualification campaign, including appearances from the substitutes' bench against Scotland and Montenegro.

From Peacehaven U5s Boys to England Women's U17 🏴

Sadie Gregory's Football Journey

Think about that journey for a moment: Peacehaven → Brighton & Hove Albion → Chelsea → England.

It is an incredible progression for a young player who started her football journey at her local grass roots club. For Peacehaven & Telscombe, Sadie's story is a reminder of exactly why grassroots football matters. Behind every professional player is a first coach, a first team, a first changing room and a first football club. For Sadie, that journey included Peacehaven. And while Chelsea and England are now helping her take her career to the next level, everyone at Peacehaven can look back with enormous pride and say: "Sadie started here."

Sadie's journey is far from finished. At such a young age, she has already progressed from grassroots football to one of the biggest clubs in the women's game and onto the international stage. Who knows where the next chapter will take her? One thing is certain — Peacehaven & Telscombe FC will be watching, supporting and cheering her on every step of the way.

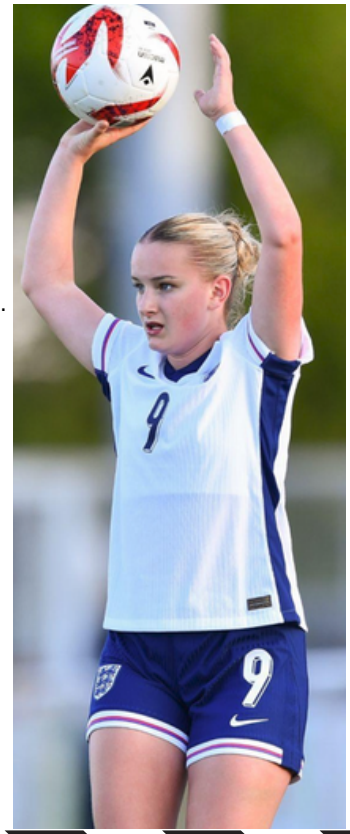

From Peacehaven to Brighton.
From Brighton to Chelsea.
From Chelsea to England.

Keep going, Sadie.

Your journey has only just begun.

Everyone at Peacehaven & Telscombe FC is incredibly proud of you.

And if you know your history...

Although officially the club was formed in 1923 as a result of a merger between Peacehaven Rangers and Telscombe Tye. It is recorded that a number of games were played in 1922 following a meeting of interested players in June of that year.

It was reported that the Peacehaven United players looked very “posh” in their Emerald Green and White shirts. The team captain was also their trainer, Frank Thornton. The first ever competitive game was in the Lewes League on 2nd September 1922 away against Ringmer. This would be followed by the first home game on 9th September when Cliff Athletic would be the visitors. These games would be followed by Seaford (away) 16th, Martins Athletic (home) 23rd and Denton (away) 30th. The team had also been entered in the Charity Cup, while plans were underway for a second eleven in dark green and white shirts to also have some fixtures shortly. Due to problems with travel and possibly commitment to regular playing, the club failed to complete the season. However, in 1923 with a new committee and more players Peacehaven took their place in the Lewes League.

The team first played competitive football in the Lewes District League until after the second world war when the club joined Junior Division one of the Brighton, Hove & District Football League for the start of the 1949–50 campaign finishing runners up at the first attempt. Two seasons later the club achieved promotion to the intermediate division when they finished as champions of the Junior Division one, and gained further promotion the next season when they finished runners-up in the intermediate division. However, they could only survive two seasons in the Senior Division before being relegated back to the intermediate division at the end of the 1954–55 competition. Four seasons later the club bounced back up to the senior division, when they finished runners-up but as before they could only survive two seasons in the top division before being relegated again. The 1963–64 season saw the club promoted back to the Senior division as champions of the intermediate Division. The club would then go on to win the Senior division five seasons later, without losing a single game.

The Senior division win in the Brighton league enabled the club to be promoted to Division Two of the Sussex County Football League, for the start of the 1969–70 season. Their fourth season in Division two, the 1972–73 campaign, saw the club make their debut in the FA Cup, where they beat Burgess Hill Town in the First Qualifying round before losing to Lewes in the next round. The 1975–76 season saw the club gain promotion to Division one for the first time, when they finished runners up behind Selsey.

In their third season, 1978–79, in Division one the club ended up finishing as champions of the Sussex County League. The club went on to remain in Division one for another nineteen seasons during which time they went on to win the league title a further six times. Two seasons after winning the last of these six titles, the 1997–98 campaign saw the club relegated to Division two. The club bounced back as runners-up of Division two, three seasons later but could only last two seasons back in Division one.

Two seasons after being relegated from Division one, the club was relegated to Division three for the first time in their history

The next season saw them become champions of Division Three in the 2005–06 season, earning promotion back to Division two. The club was back in Division one three seasons later when under manager Darren Guirey, they earned promotion as champions of Division Two. The club achieved further success at the end of the 2012–13 campaign the club won the Sussex county league for the eighth time in their history and earning themselves promotion to the Isthmian League. In 2013-14, the club won the Isthmian League Division One South and earned a second successive promotion, reaching the Isthmian Premier Division.

By December 2014 at the clubs highest position in the Ryman Premier League it all started to unravel. Managers and chairman struggled, there were wins but slowly the club slipped down the table and ended back in Ryman South. Then in January 2016 with the club at its lowest ebb,popular chairman Brian Suckling lost his fight with cancer and passed away. Deputy chairman Sue Norwood became acting chairman but had a mountain to climb. The followed another demotions, which saw the club back in the Southern Combination Premier league for the 2016/17 season. It was realised that the club was on the brink of collapse.

So with a massive effort in June 2016, the club became community club, owned by its fans. A new manager was appointed, local man Mark Shutt. He set about building a squad of players with a nil playing budget, but recruiting players who wanted to play for the shirt and not money. At the end of season 2016/17 Peacehaven & Telscombe finished in a respectable 14th place in the Southern Combination league with 48 points from 38 games played. The objective in its first season as a community owned club had been achieved and the slide had been halted. In May 2019 a new high point was reach by winning the RUR cup against the odds, about the same time the club was accredited FA Charter Standard.

Then in Covid year with just a few matches to go the first team were in the semi-finals of a number of cups when covid hit and all matches were cancelled and the season ended early. Today Peacehaven & Telscombe Football Club has not only its 1stteam, there are also sitting in the wings not only a reserve /development squad but also under 23's and under 18's who all at time have opportunities to play in the senior team. The club also caters for young players covering all school ages both boys and girls spanning over 25 teams.

This year we sadly lost the man who is responsible for giving us these good times, Jim Edwards. Sue Norwood put it perfectly "Jim will be greatly missed by everyone at Peacehaven Football Club and will leave a great hole in our club which will always be known as "The Edwards Club". He was the father to us all, and rarely ever missed a game, through the youth to the first team. He worked hard to make this club the success it is, and for that we will be for ever grateful. God bless you Jim Edwards"

Haven rounded off the 2022-23 season with another RUR win. Forza.

TODAY'S VISITORS

Margate FC

Club history from The Gate

The club was founded in 1896 and joined the Southern Football League in 1933. After a spell in the Kent League after World War II the team returned to the Southern League in 1959 and remained there until 2001 when they gained promotion to the Football Conference, the highest level of English non-league football. Their stay at this level saw the team forced to ground share with other clubs due to drawn-out and problematic redevelopment work at their Hartsdown Park stadium, and during the three years spent away from their own ground they were expelled from the Conference National and subsequently relegated to the Isthmian League.

After the Second World War the Gate continued to play in the Kent League under new manager Charlie Walker, who led the team to two Kent League championships but was then controversially sacked. The team slumped during a succession of rapid managerial changes which only ended in 1950 when Almer Hall was appointed manager, a post he was to hold for the next twenty years. Under Hall the team won a host of local cup honours and reached the rounds proper of the FA Cup on several occasions, but never managed to match this success in league competition.

In 1959–60 Margate returned to the Southern League after the Kent League folded, and in 1962–63 won the Division One championship and with it promotion to the Premier Division. Two years later the club turned full-time professional but this policy proved financially untenable when the team were relegated back to Division One in 1965–66. Nonetheless, they won promotion at the first attempt and returned to the Premier Division in 1967.

During the 1970s Margate endured severe financial problems and a series of mediocre league seasons but took part in two famous FA Cup ties. In 1971 the Gate lost 11–0 to Bournemouth, with Ted MacDougall scoring a cup record nine goals. Then, a year later, Margate beat Swansea City and Walton & Hersham to set up a third round tie against First Division Tottenham Hotspur, then UEFA Cup holders. A record crowd of over 14,000 packed into Hartsdown Park for a match which Margate lost 6–0.

In 1996, the club's centenary year, the club appointed Chris Kinnear as manager. In 1997–98 he took the team to the first round proper of the FA Cup where they played Fulham in a home tie that drew a crowd of 5,100. Although the Gate took the lead, the Cottagers eventually won 2–1. The following season saw the club finally win promotion to the Southern League Premier Division, albeit only after an appeal was lodged against the league's initial refusal to allow the team promotion due to the club failing to carry out necessary ground improvements in time. The Premier Division championship followed in the 2000–01 season, and with it promotion to the Football Conference.

The 2001–02 season was Gate's first ever season of Conference football and they finished the season in eighth place. In the 2002–03 season the team began ground sharing at Dover Athletics' Crabble while redevelopment work took place at Hartsdown Park, but various problems stalled the planned redevelopment. On the pitch, Margate enjoyed more success in the FA Cup when, after defeating Leyton Orient in the first round, they were drawn at home to Cardiff City in the second round, but lost 3–0 at Crabble. The following season, despite finishing sixteenth, the Gate were forcibly relegated one division due to the ongoing delays and problems with the redevelopment plans for Hartsdown Park.

Margate spent the 2004–05 season in the Conference South, now ground sharing at Ashford Town. Amidst ongoing issues with the redevelopment work, which at one point made it seem very likely that the club would fold completely, Margate were again relegated to the Isthmian League Premier Division.

TODAY'S VISITORS

Margate FC

Club history from The Gate

After 10 years in the Ryman Premier Division Margate won promotion back to the Vanarama National League South after beating Hendon in the play-off final at the Earlsmead Stadium. Ryan Moss scored the winning goal as Terry Brown's side celebrated promotion back to second tier of Non-league Football.

Margate's first season back in the National League South was a rollercoaster ride with survival secured on the final day of the season despite a 2-0 defeat to Bath City. A run of 11 defeats from their final 12 games left Margate needing results elsewhere to keep them in the division and Weston Super-Mare's 1-1 draw away at Havant & Waterlooville meant Havant were relegated.

Since the 2017-2018 season Margate have been in the Isthmian Premier League, where under new ownership the Club have installed a state of the art 3G Pitch, plans are in place to develop the stadium further and build a hotel on site. The Club narrowly missed out on the play offs in the 2017-18 season and after the departure of manager Steve Watt the Club went through a period of transition and were able to avoid relegation in the 2018-2019 season thanks largely to the presence of Jay Saunders as temporary manager. At the start of the 2019-2020 campaign fan favourite Jay became our permanent manager and and is still at the helm for season 2021/22, after season 2020/21 was made null and void.

The 2021/22 saw Margate enjoy their most successful season in a while as they finished 8th in the Isthmian Premier Division, and reached the Velocity Trophy final for the first time in 24 years. The final ended in a 4-0 defeat to Horsham, however the Blues also reached the Quarter-final of the Kent Senior Cup, where they were beaten by eventual winners Dartford FC. At the end of the campaign, Manager Jay Saunders was approached by National League South side Tonbridge Angels, and he decided on a new chapter with them and left Margate in May 2022 to take up the position as Manager at the Longmead Stadium.

The Club moved quickly to install a new Manager as Andy Drury was appointed on the same day as Saunders departed. A former Ipswich, Luton Town and Stevenage player, Drury posseses extremely good knowledge of the game. He had spent just a handful of games in charge at Whitstable Town, however this is his first full season in Management.

Sadly, after just six months in the job, the Blues dismissed Drury and Reece Prestedge and Ben Greenhalgh were installed as interim joint managers on 26th December 2022. Prestedge and Greenhalgh were handed the job on a permanent basis on Monday 10th April 2023 after securing the Blues survival in the Isthmian Premier Division. Margate ended the season with some celebration after they lifted the Kent Senior Cup in May at Gillingham after beating Chatham Town 5-4 on penalties after a 1-1 draw in 90 minutes. It was the first time the Blues lifted the trophy since 2005.

After a run of bad results Reece was relieved of his duties in early December and Margate brought in the vastly experienced Mark Stimson to replace him. Unfortunately Mark couldn't save us from being relegated to step 4 and at the end of the season was also relieved of his duties. The Board decided to appoint Ben Greenhalgh as player manager for 25/26 season. Ben then went to Dartford as player manager during pre season so the Board appointed Jamie Coyle as manager.
