And if you know your history...

Although officially the club was formed in 1923 as a result of a merger between Peacehaven Rangers and Telscombe Tye. It is recorded that a number of games were played in 1922 following a meeting of interested players in June of that year.

It was reported that the Peacehaven United players looked very “posh” in their Emerald Green and White shirts. The team captain was also their trainer, Frank Thornton. The first ever competitive game was in the Lewes League on 2nd September 1922 away against Ringmer. This would be followed by the first home game on 9th September when Cliff Athletic would be the visitors. These games would be followed by Seaford (away) 16th, Martins Athletic (home) 23rd and Denton (away) 30th. The team had also been entered in the Charity Cup, while plans were underway for a second eleven in dark green and white shirts to also have some fixtures shortly. Due to problems with travel and possibly commitment to regular playing, the club failed to complete the season. However, in 1923 with a new committee and more players Peacehaven took their place in the Lewes League.

The team first played competitive football in the Lewes District League until after the second world war when the club joined Junior Division one of the Brighton, Hove & District Football League for the start of the 1949–50 campaign finishing runners up at the first attempt. Two seasons later the club achieved promotion to the intermediate division when they finished as champions of the Junior Division one, and gained further promotion the next season when they finished runners-up in the intermediate division. However, they could only survive two seasons in the Senior Division before being relegated back to the intermediate division at the end of the 1954–55 competition. Four seasons later the club bounced back up to the senior division, when they finished runners-up but as before they could only survive two seasons in the top division before being relegated again. The 1963–64 season saw the club promoted back to the Senior division as champions of the intermediate Division. The club would then go on to win the Senior division five seasons later, without losing a single game.

The Senior division win in the Brighton league enabled the club to be promoted to Division Two of the Sussex County Football League, for the start of the 1969–70 season. Their fourth season in Division two, the 1972–73 campaign, saw the club make their debut in the FA Cup, where they beat Burgess Hill Town in the First Qualifying round before losing to Lewes in the next round. The 1975–76 season saw the club gain promotion to Division one for the first time, when they finished runners up behind Selsey.

In their third season, 1978–79, in Division one the club ended up finishing as champions of the Sussex County League. The club went on to remain in Division one for another nineteen seasons during which time they went on to win the league title a further six times. Two seasons after winning the last of these six titles, the 1997–98 campaign saw the club relegated to Division two. The club bounced back as runners-up of Division two, three seasons later but could only last two seasons back in Division one.

Two seasons after being relegated from Division one, the club was relegated to Division three for the first time in their history

The next season saw them become champions of Division Three in the 2005–06 season, earning promotion back to Division two. The club was back in Division one three seasons later when under manager Darren Guirey, they earned promotion as champions of Division Two. The club achieved further success at the end of the 2012–13 campaign the club won the Sussex county league for the eighth time in their history and earning themselves promotion to the Isthmian League. In 2013-14, the club won the Isthmian League Division One South and earned a second successive promotion, reaching the Isthmian Premier Division.

By December 2014 at the clubs highest position in the Ryman Premier League it all started to unravel. Managers and chairman struggled, there were wins but slowly the club slipped down the table and ended back in Ryman South. Then in January 2016 with the club at its lowest ebb, popular chairman Brian Suckling lost his fight with cancer and passed away. Deputy chairman Sue Norwood became acting chairman but had a mountain to climb. The followed another demotions, which saw the club back in the Southern Combination Premier league for the 2016/17 season. It was realised that the club was on the brink of collapse.

So with a massive effort in June 2016, the club became community club, owned by its fans. A new manager was appointed, local man Mark Shutt. He set about building a squad of players with a nil playing budget, but recruiting players who wanted to play for the shirt and not money. At the end of season 2016/17 Peacehaven & Telscombe finished in a respectable 14th place in the Southern Combination league with 48 points from 38 games played. The objective in its first season as a community owned club had been achieved and the slide had been halted. In May 2019 a new high point was reach by winning the RUR cup against the odds, about the same time the club was accredited FA Charter Standard.

Then in Covid year with just a few matches to go the first team were in the semi-finals of a number of cups when covid hit and all matches were cancelled and the season ended early. Today Peacehaven & Telscombe Football Club has not only its 1st team, there are also sitting in the wings not only a reserve /development squad but also under 23's and under 18's who all at time have opportunities to play in the senior team. The club also caters for young players covering all school ages both boys and girls spanning over 25 teams.

This year we sadly lost the man who is responsible for giving us these good times, Jim Edwards. Sue Norwood put it perfectly "Jim will be greatly missed by everyone at Peacehaven Football Club and will leave a great hole in our club which will always be known as "The Edwards Club". He was the father to us all, and rarely ever missed a game, through the youth to the first team. He worked hard to make this club the success it is, and for that we will be for ever grateful. God bless you Jim Edwards"

Haven rounded off the 2022-23 season with another RUR win. Forza.

TODAYS VISTORS

Loxwood Football Club, nickname "The Magpies" was founded in the village back in 1920. Since its formation, the football club has competed, on and off, in local village football for 75 years but primarily on a non-competitive basis, so there is little in terms of accolades beyond local bragging rights.

However, in 1997 the club re-formed and joined the West Sussex Football League, starting at the bottom of the regional county pyramid in its 5th Division. Over the following 9 years the club progressed through the various regional and county-wide divisions until ultimately they secured promotion from the League's Premier Division in 2006 and thereby took their place in the Sussex County League and would now compete in Step 7 football for the very first time.

It only took two seasons for the Club to make the next step as in 2008 The Magpies secured the 3rd Division title and in the same year reached the final of the Sussex County FA Intermediate Cup, but missed out on a rare double by losing on penalties to Bexhill United. This next step up provided the Club with the platform to expand beyond its 1st Team and the next couple of years saw it launch both a Reserve Team in the County League as well as form an alliance with a local youth football club to set about securing its on-field future to go with the vast advances that were being made off it. The most notably of these developments at Plaistow Road were the installation of some of the most effective floodlights in the County League and a 100-seater covered stand, thereby providing what is a delightfully atmospheric arena in the middle of the Sussex countryside, particularly on midweek nights. Despite these betterments, the challenge of rising out of the County's second tier was proving elusive, with 5th and 6th placed finishes being the pinnacle.

The Club weren't without notable occasions to be cherished during that time, in particular in 2010 when the Club reached the Division 2 Cup Final as well as hosting Brighton & Hove Albion in the County Cup where they only went down 3-1 in front of a packed house under the lights. Barry Hunter magnanimously passed the reins in 2012 enabling him to assume the much-valued role of Club Chairman from Derek Waterman (now our club president) which he could continue to drive his vision for the Club as a whole. From this the Club sparked another period of advancement as firstly the Senior side achieved promotion to the top tier in the County in 2014 as well as winning the Division 2 Cup that they had missed out on 4 years previously.

Later that year came the much cherished launch of Loxwood Youth Football Club which had been a long-desired goal and put in place the foundations for the Club to develop a clear pathway for players to enjoy their football from an early age and provide the opportunity for them to develop all the way through to representing the First Team we now have 200 players from 7-16 including a very strong Girls side of the club who play in competitive Leagues in Sussex.

2015 saw a top 6 finish in the first year of the top division as well as the Club's Reserve Team finally being successful in achieving promotion from the second tier of that section and thereby closing the gap in quality of the opposition the two senior sides were competing against.

This year also saw the development of another key partnership as ex-professional Mark Beard launched his Love The Ball Sussex Academy under the Club's banner and with it bringing in a quality of young player that would see the winning of the U18 County Cup (and its retention in 2016) as well as securing the Southern Youth League South Division title. Due to Dave's growing work commitments, Mark also took over the management of the 1st Team later that year enabling the former to focus on his role as Director of Football overseeing both the Senior and Youth aspects of the Club. This structure led to an exciting new period for the Club and commenced with a 6th place finish in Division One (Now Premier) in 2014/15 followed by 8th in 2015/16 and 6th in 2016/17 (Both Premiership) but with a slight slip to 11th in 2017/18 had pretty firmly established the Club as a real competitor in amongst some sizeable towns

Chairman Barry Hunter stepped down from his role at the end of the 2017/18 season after 15 years of overall service and a 'monumental journey' at the club. Hunter played a key role in that rise having served as a player, first-team manager, director of football and most recently, chairman, in that time. His successor Mark Lacey a local businessman joined the club committee two years previously

Since then it has been a rollercoaster time for the club however we now have a One Club One Future which shows a clear pathway and vision

Our pitch and facilities continue to improve, befitting our Senior Football Club status, and facilities include floodlights, hard spectator standing around the pitch, a 100-seater stand, a covered stand in and a modern clubhouse which have all come because of significant local fundraising, sponsors and grant applications.

The Plaistow Road pitch is now regarded as one of the best playing surfaces in Sussex. Indeed, we regularly host important semi-finals and finals at County level. As part of our development we have replaced the pitch side fencing, added extra toilet facilities, provided new dugouts and additional goals for various age groups.

Effectively, over just a 20 year period, this historic village football club has rapidly evolved into a Senior Football Club that has a reputation for doing things the 'right' way.

Loxwood is a club that seeks to provide the best possible environment for all at the Club: our players, coaches, and supporters from every age group. An environment that is conducive to the development of all involved as footballers, people, and members of a team in order to succeed both on and off the pitch in a manner which is sustainable and respectful.
