And if you know your history.....

Although officially the club was formed in 1923 as a result of a merger between Peacehaven Rangers and Telscombe Tye. It is recorded that a number of games were played in 1922 following a meeting of interested players in June of that year.

It was reported that the Peacehaven United players looked very “posh” in their Emerald Green and White shirts. The team captain was also their trainer, Frank Thornton. The first ever competitive game was in the Lewes League on 2nd September 1922 away against Ringmer. This would be followed by the first home game on 9th September when Cliff Athletic would be the visitors. These games would be followed by Seaford (away) 16th, Martins Athletic (home) 23rd and Denton (away) 30th. The team had also been entered in the Charity Cup, while plans were underway for a second eleven in dark green and white shirts to also have some fixtures shortly. Due to problems with travel and possibly commitment to regular playing, the club failed to complete the season. However, in 1923 with a new committee and more players Peacehaven took their place in the Lewes League.

The team first played competitive football in the Lewes District League until after the second world war when the club joined Junior Division one of the Brighton, Hove & District Football League for the start of the 1949–50 campaign finishing runners up at the first attempt. Two seasons later the club achieved promotion to the intermediate division when they finished as champions of the Junior Division one, and gained further promotion the next season when they finished runners-up in the intermediate division. However, they could only survive two seasons in the Senior Division before being relegated back to the intermediate division at the end of the 1954–55 competition. Four seasons later the club bounced back up to the senior division, when they finished runners-up but as before they could only survive two seasons in the top division before being relegated again. The 1963–64 season saw the club promoted back to the Senior division as champions of the intermediate Division. The club would then go on to win the Senior division five seasons later, without losing a single game.

The Senior division win in the Brighton league enabled the club to be promoted to Division Two of the Sussex County Football League, for the start of the 1969–70 season. Their fourth season in Division two, the 1972–73 campaign, saw the club make their debut in the FA Cup, where they beat Burgess Hill Town in the First Qualifying round before losing to Lewes in the next round. The 1975–76 season saw the club gain promotion to Division one for the first time, when they finished runners up behind Selsey.

In their third season, 1978–79, in Division one the club ended up finishing as champions of the Sussex County League. The club went on to remain in Division one for another nineteen seasons during which time they went on to win the league title a further six times. Two seasons after winning the last of these six titles, the 1997–98 campaign saw the club relegated to Division two. The club bounced back as runners-up of Division two, three seasons later but could only last two seasons back in Division one.

Two seasons after being relegated from Division one, the club was relegated to Division three for the first time in their history

The next season saw them become champions of Division Three in the 2005–06 season, earning promotion back to Division two. The club was back in Division one three seasons later when under manager Darren Guirey, they earned promotion as champions of Division Two. The club achieved further success at the end of the 2012–13 campaign the club won the Sussex county league for the eighth time in their history and earning themselves promotion to the Isthmian League. In 2013-14, the club won the Isthmian League Division One South and earned a second successive promotion, reaching the Isthmian Premier Division.

By December 2014 at the clubs highest position in the Ryman Premier League it all started to unravel. Managers and chairman struggled, there were wins but slowly the club slipped down the table and ended back in Ryman South. Then in January 2016 with the club at its lowest ebb, popular chairman Brian Suckling lost his fight with cancer and passed away. Deputy chairman Sue Norwood became acting chairman but had a mountain to climb. The followed another demotions, which saw the club back in the Southern Combination Premier league for the 2016/17 season. It was realised that the club was on the brink of collapse.

So with a massive effort in June 2016, the club became community club, owned by its fans. A new manager was appointed, local man Mark Shutt. He set about building a squad of players with a nil playing budget, but recruiting players who wanted to play for the shirt and not money. At the end of season 2016/17 Peacehaven & Telscombe finished in a respectable 14th place in the Southern Combination league with 48 points from 38 games played. The objective in its first season as a community owned club had been achieved and the slide had been halted. In May 2019 a new high point was reach by winning the RUR cup against the odds, about the same time the club was accredited FA Charter Standard.

Then in Covid year with just a few matches to go the first team were in the semi-finals of a number of cups when covid hit and all matches were cancelled and the season ended early. Today Peacehaven & Telscombe Football Club has not only its 1stteam, there are also sitting in the wings not only a reserve /development squad but also under 23's and under 18's who all at time have opportunities to play in the senior team. The club also caters for young players covering all school ages both boys and girls spanning over 25 teams.

This year we sadly lost the man who is responsible for giving us these good times, Jim Edwards. Sue Norwood put it perfectly "Jim will be greatly missed by everyone at Peacehaven Football Club and will leave a great hole in our club which will always be known as "The Edwards Club". He was the father to us all, and rarely ever missed a game, through the youth to the first team. He worked hard to make this club the success it is, and for that we will be for ever grateful. God bless you Jim Edwards"

Haven rounded off the 2022-23 season with another RUR win. Forza.

SNODLAND TOWN

Club History

Club info:

There are records of football being played in Snodland for well over 110 years but the 1986/87 season saw football played for the first time at the club's current home of Potyns Sportsground. Promotion to the Kent County League followed with the club winning the Premier Division in 1999.

But it wasn't until 2012 that Snodland Town Football Club was born when all the town based clubs of all ages were bought together under one community club umbrella. We now cater for all ages from 6 to adults,

Having secured a lease from the local council in 2012 there followed an ambitious development plan transforming the ground to meet Southern Counties East Football League standards including floodlighting, a 120 seat spectator stand, new dressing rooms and hospitality facilities. The ground became the focal point for all the club's community activities.

We have added additional pitches at our disposal that can be used by all age groups and a 3G pitch is available for training and small sided matches.

In 2016 we progressed to the Southern Counties East Football League First Division and following a playoff place finish in 2021/22 we were champions the season after with promotion to Step 5 football and entry into the FA Cup.

Successes for the club in the 2023/24 season included our Reserves side gaining promotion to the Kent County League Premier Division and our Snodland Blues side winning the Rochester & District Premier Division title.

Along with this we also have our highly successful and ever expanding, Snodland Town junior and youth teams, enjoying success at every level. Also our Under 23 and Vets teams are well established in their respective leagues
