Experience

Advocacy Fellow

Encode Justice

Oct 2020 - Present (11 months +)

I advocate for the fair and responsible use of AI and reach out to congressional offices regarding issues like police departments' use of biased facial recognition technology.

Research on Fairfax County Meal Distribution Data

Self-employed

Jul 2020 - Sep 2020 (3 months)

I analyzed data from my local community's school food distribution program: <https://taradixit.com/fcps-meal-distribution>.

Seattle University AI4ALL AI & Criminal Justice Summer Program

Seattle University

Jul 2020 - Jul 2020 (1 month)

I learned about the criminal justice system, ethics, and AI. I also used data from the Seattle Police Department to make a machine learning workflow that finds bias in crime reports: <https://docs.google.com/document/d/16rg6MXxXokinmFyoQGwm2JgeY6kH5wjXsGhCUpVqPHg/edit>.

Co-Founder of Sasa Socks

Junior Achievement USA

Sep 2019 - Mar 2020 (7 months)

I founded a company called Sasa Socks with a team of high school students as a part of the Junior Achievement Program. I sold bamboo socks and increased awareness about the harmful effects of cotton farming in the environment.

Education

Chantilly High School

2019 - 2023

Skills

Basic JavaScript • Basic Python • Cybersecurity Fundamentals • Basic Java • Tableau Data Analysis
