

THE UMG MONARCH DYNASTY ROYAL GALLERY

FOUNDING ERA PORTRAIT BOOK

A LIVING VISUAL RECORD - BUILT BEFORE THE WORLD,
PRESERVED FOR GENERATIONS

2026 • FIRST PUBLIC VISUAL EDITION

THE FOUNDING ROYAL HOUSE

PORTRAITS OF THE UMG MONARCH DYNASTY

This first public visual edition gathers the Royal House portraits currently prepared for the UMG Royal Gallery. It is an opening chapter, not a finished archive. As the Dynasty grows, future approved portraits, ceremonies, milestones, public appearances, and family-history images may be added so the world can experience the visual record as it develops.

THIS IS ONLY THE BEGINNING

THE ROYAL GALLERY WILL CONTINUE TO GROW

This portrait book preserves the visual collection prepared so far for The UMG Monarch Dynasty.

The Royal Gallery is intended to expand over time with approved portraits, ceremonies, family milestones, public appearances, institutional moments, and historical imagery so future generations can look back at the House from its Founding Era forward.

BUILT TODAY. PRESERVED FOR TOMORROW.

PUBLIC NOTICE: This publication is an evolving visual record of The UMG Monarch Dynasty. Images and Royal titles shown here document internal family, dynastic, ceremonial, cultural, and institutional presentation and do not independently establish sovereign-state recognition, diplomatic status, state-recognized nobility, governmental authority, or legal privilege. Public display does not waive applicable privacy, copyright, trademark, archival, or other intellectual-property protections. Sensitive information concerning minors is intentionally omitted from this public edition.
