Cell Phone: \_\_\_\_\_

This league is a developmental league concept. The idea is to focus on total participation and player development. We will develop a schedule each week based on your time preference and we will evaluate each team and try to place them with a comparable opponent. Last year our start times were 10, 12, and 2 and 4. We will try and give you your times each Wednesday based on the previous week's result.

Age of your team will be your decision. If you are 12 and want to play in 12's you can. You can move up to the 13 division and see how the season goes.

**Indoor Practice:** We have an indoor practice facility which is a tremendous training facility for winter workouts. If you have any interest in the facility please contact our office at 419-794-7150 do discuss times and fees. We have a few time slots available and if you have any interest, it would be best to contact us as soon as possible. **We can also provide uniforms at a very reasonable price through our Detroit office.**

Commit to League:      ASAP

Fee Paid:      August 10th

Schedule built:      August 11<sup>th</sup>
