

**THANK YOU
FOR A GREAT
2017!**

REPAV would like to say "THANK YOU" to all our professional partners for making 2017 an amazing year! We appreciate the time and opportunity to get to know you and your organization.

Providing audiovisual services for any event is not always easy. There are many long days and longer sleepless nights but we wouldn't have it any other way. Being the first on show site and usually the last to leave is an honor and responsibility we take seriously. We look forward to working with everyone in 2018! It's going to be a great year!

REPAV wishes you all the best!!!!

We want to send out a special thank you to the **Alpha Kappa Alphas!** We appreciate all the business and looking forward to working with you in 2018!

REPAV IS YOUR AUDIOVISUAL RESOURCE PARTNER

REPAV is more than just equipment rentals, we are your audiovisual resource partner. REPAV is a **ONE-STOP** production house. We want to be your production resource, not just another audiovisual company. We design and utilize multiple technology services to create a one-of-a-kind package for our partners. ***The right equipment, the right services for the right price.***

Here are some of the services offered.

- Stage Design and Fabrication
 - CAD 2D Rigging Design
 - CAD 3D Modeling
 - Audio, Video, Lighting Equipment Rentals
 - Audiovisual Production Management & Logistics
 - Scenic Design and Fabrication
 - Live Streaming
 - Podcasting
 - VRD (Virtual Reality Design)
-

AUDIO

REPAV offers audio equipment rentals and services for events. We have JBL PRX Line Array, JBL powered speakers, QSC powered speakers, powered sub woofers and digital consoles.

CAD & 3D MODELING

REPAV offers 2D and 3D CAD for stage design and rigging plot layout. It is essential to have a plan for your event and we understand the importance of a well executed plan.

COMPUTERS

REPAV offers computer rentals! We will setup, test and strike computer classrooms or computer training rooms. We provide the equipment and you provide the training!

LIVE STREAMING & VIDEO RECORDING

REP AV offers live streaming and video recording services. Whether it's video on demand, live streaming or recording a general sensor or concert, REPAV has the equipment to help.

STAGE FABRICATION SERVICE

REP AV offers woodworking and aluminum fabrication and design. Let us help you design your next stage or backdrop and we will fabricate it for you.

VIDEO & VIDEO MAPPING

REPAV offers video equipment rentals for your upcoming event. We have Barco, Roland, Epson, JVC, BlackMagic. Video mapping, video blending or simple PPT with IMAG, we got the equipment and experience to help.
