

March Madness 2018!

March has been busy for the REPAV team. We are traveling to Albuquerque, New Mexico, Orlando, Florida, and of course Atlanta, Georgia executing events for our amazing clients. We've added more scenic options and screen surrounds kits for clients to choose from.

We are excited to have new clients and appreciate all our existing clients to the REPAV Family! We are committed to providing excellent service,

equipment and high quality technicians for each event.

At REPAV, our process is simple...Your Vision, Your Values, Our Passion, Our Promise!

Sincerely,

The REPAV Team!

LARGE TRADE SHOW CASES FOR SALE!!!

The REPAV team has 10 large audiovisual and trade show cases for sale and looking to move them ASAP out of our warehouse in order to make room for new inventory. Details of new inventory coming soon!

Check out our [eBay page](#) for more information or email, call or text us with questions. We are motivated to sell them in order to make room in our warehouse for new equipment!

See pictures below!

Sincerely,

The REPAV Team!

REPAV IS YOUR AUDIOVISUAL RESOURCE PARTNER

REPAV is more than just equipment rentals, we are your audiovisual resource partner. REPAV is a **ONE-STOP** production house. We want to be your production resource, not just another audiovisual company. We design and utilize multiple technology services to create a one-of-a-kind package for our partners. *The right equipment, the right services for the right price.*

Here are some of the services offered.

- Stage Design and Fabrication
 - CAD 2D Rigging Design
 - CAD 3D Modeling
 - Audio, Video, Lighting Equipment Rentals
 - Audiovisual Production Management & Logistics
 - Scenic Design and Fabrication
 - Live Streaming
 - Podcasting
 - VRD (Virtual Reality Design)
-

AUDIO

REPAV offers audio equipment rentals and services for events. We have JBL PRX Line Array, JBL powered speakers, QSC powered speakers, powered sub woofers and digital consoles.

LIGHTING

REPAV offers video equipment rentals for your upcoming event. We have Elation, Lighting Jockey, ETC and LEX, we got the equipment and experience to help.

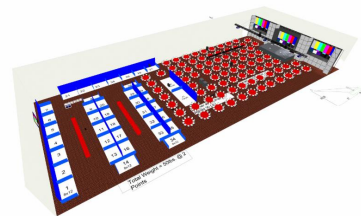

VIDEO

REPAV offers video equipment rentals for your upcoming event. We have Barco, Roland, Epson, JVC, BlackMagic. Video mapping, video blending or simple PPT with IMAG, we got the equipment and experience to help.

CAD & 3D MODELING

REPAV offers 2D and 3D CAD for stage design and rigging plot layout. It is essential to have a plan for your event and we understand the importance of a well executed plan.

COMPUTERS

REPAV offers computer rentals! We will setup, test and strike computer classrooms or

computer training rooms. We provide the equipment and you provide the training!

LIVE STREAMING & VIDEO RECORDING

REP AV offers live streaming and video recording services. Whether it's video on demand, live streaming or recording a general sensor or concert, REPAV has the equipment to help.

STAGE FABRICATION SERVICE

REP AV offers woodworking and aluminum fabrication and design. Let us help you design your next stage or backdrop and we will fabricate it for you.
