Monthly Update: AV for FUNDRAISERS

REPAV recently had the pleasure providing audiovisual services for Blessed Trinity Catholic School's Annual Fundraiser this past April. We provided a distributed audio system for (2) separate stages, utilizing JBL VRX, QSC Powered Speakers, EV Powered Speakers located around (3) tents. All speakers were time aligned providing amazing clarity for the attendees. Video consisted of (2) 65" Monitors on stands, Roland Switcher, truss on cranks lifts, LED lights for simple wash and up lighting.

The REPAV team did a great job on providing audio, video and lighting for the event.....a big thank you to the REPAV crew and especially Tents, Tents, Tents!
