Dear ACA Fellow Travelers, Groups and Inter-groups,

In ACA recovery, we learn to be actors instead of reactors. A year ago a group of women attending Camp Recovery and the ACA Fall Mountain Retreat began dreaming about an ACA retreat for women only, focusing on workshops and activities that would be of interest to women. We decided to take action and step out in faith by planning a weekend of self-care, workshops, fun, and fellowship for women in recovery.

We recently signed a contract at the beautiful Serra Retreat Center in Malibu for July 17-19, 2020. A partial deposit was made with funds loaned to the Committee. We are asking for fellow travelers, groups, intergroups, and camp committees to consider donating 7th tradition excess funds to this retreat to help us fund the deposit. We plan to continue this retreat annually. Our first year's budget is projected for the retreat to become self supporting, as per our ACA Traditions.

We are also giving some ACA workshops as fundraisers. Please let us know if there are any workshops your group would like to host and we will be happy to see if we can schedule them.

Donations may be made in cash or check to ACA Women's Retreat at the address below. We also have a website where interested persons may opt-in to our email list for announcements of registration and program information.

To the men: We would love to support men in recovery who want to organize and plan a men's retreat, so let us know when this gets started and we will do what we can to support you as well. We feel it is important to carry the message by donating funds to assist new groups in starting up.

Thank you so much for considering this donation,

Barbara, Nancy, Kathy, Paulette, Denise, Cheryl, Teresa, and Jeanete
