This contract is written for the protection of both the breeder and the buyer - However, it is primarily written to protect the health and general well-being of the puppy.

NOTE TO PURCHASE OF GOOD FAITH: All canines have the potential for genetic or congenital disease. Unfortunately, due to the nature of some diseases, they cannot always be eliminated. It is the job of the Breeder, through selective breeding, to try and minimize (not eliminate) these conditions — in good faith. Please read, to your full understanding, the following sections of this Health Guarantee and Sales Agreement concerning any contagious or hereditary defects.

Purchase Agreement

1. Please read the health guarantee completely before putting a deposit on a puppy. **By putting a deposit on a puppy, you are agreeing to the terms and conditions within this contract.**
2. We require a \$250 dollar deposit in order to hold the puppy of your choice. Personal check, cash, Zelle, Venmo or PayPal (with 3% being added to the total for the PayPal transaction fee) will be accepted for deposit, check must clear to be a valid hold on the puppy.
3. This deposit is non-refundable, unless there is a problem with the health of your puppy. In that case, the buyer will have their choice of a full refund or of transferring that deposit toward another puppy from current litter (if one is available) or from a future litter.

****Please be certain that you are ready for the time commitment and financial responsibility of a puppy prior to putting a deposit on one. ****

Health Guarantee

1. It will be up to us, the breeder, to decide when the puppy will be ready to go to its new home. Usually at the age of 8-10 weeks, depending on the weight of the puppy and how easily it is weaned from the mother. We will not, under any circumstances, let the puppy leave before it is ready.
2. The puppy is guaranteed to be in good health at the time of sale and will be up to date on shots

and worming at the time of pick-up. It is very important that you continue the vaccinations and worming. Please do not expose your puppy to other dogs that are not vaccinated until he/she has completed the entire vaccination schedule - around 16-20 weeks old.

3. This puppy is sold with no known health or genetic defects. The Breeder certifies that, upon receipt, the dog is in good health and has been immunized and de-wormed per the accompanying health record. The Buyer agrees to have the dog examined by the Buyer's veterinarian at the Buyer's expense within 72 hours from the time Buyer takes possession of the puppy. If the veterinarian does not give the dog a clean bill of health, Buyer must notify the Breeder immediately. Breeder reserves the right to have the puppy re-examined by the Breeder's veterinarian at Breeder's cost. **A copy of the examination results must be sent to the Breeder by email within 5 days of receipt of the puppy, failure to provide examination results will render this Health Guarantee null and void.**
4. This guarantee does not cover any health issues caused by neglect or injury from the buyer. This Health Guarantee does not cover any veterinarian or medical costs. The Buyer is aware that owning a puppy means frequent visits to a veterinarian and understands that he/she will be responsible for all payments.
5. This guarantee does not include minor illnesses and health issues such as colds, allergies, internal or external parasites or umbilical hernias. However, the breeder will disclose any known illnesses or health issues prior to the sale.
6. The breeder cannot assume responsibility for this puppy after **72 hours** of the sale. It is the responsibility of the buyer to care for the puppy properly and keep it free from harm. Please remember that your puppy must be treated with great care and protected from danger.
7. Breeder warrants that said dog shall be free of Canine Hip/Elbow Dysplasia – as evidenced on radiographic findings and evaluated by the Orthopedic Foundation for Animals (OFA). Dog must be OFA'd by the age of 28 months.
8. The breeder assumes no responsibility for any medical expenses incurred after the sale.
9. The breeder assumes no responsibility for training difficulties or behavior problems. Buyer will receive an informational packet on how to train their new puppy. If buyer follows the recommendations given in the packet, the buyer should not have any problems with the training process.
10. Unless specified otherwise, this puppy is being sold as a pet/companion only; no guarantee is made as to the disposition, conformation, temperament, size, weight, color, or markings of the puppy.
