

**PAYOR LIST AS OF APRIL 2018**

The list of Insurance Companies listed below have a reimbursement history with Admera. If you do NOT see a particular Insurance Company listed below, this means Admera has not submitted a claim/not submitted enough claims to clearly state whether they are or are not reimbursing Admera.

Please Note: A Prior Authorization is ALWAYS recommended (although not required) to submit before a test is performed to help identify if a payor will reimburse or not.

DISCLAIMER: This Payor List is intended only as a guide to help in understanding which payors may reimburse for PGx Testing. The Payor List is compiled from historical data compiled by Admera and does not imply an assurance or guarantee of reimbursement. Insurance carriers often change their reimbursement policies.
