

GERIATRIC EYE GROUP

The following information will introduce you to Geriatric Eye Group. We are a group of optometrists and ophthalmologists dedicated to providing a comprehensive eye care program for your residents. Here are a few reasons to consider our eye care program in your facility.

- Our professional staff takes pride in offering personalized care tailored to the unique needs of each patient. We will provide all eye care services from a glasses program to a complete medical eye exam or the most advanced surgery.
- Our program has been providing nursing home eye care in Georgia for over 34 years.
- All doctors are fully licensed and Board Certified by the State of Georgia. We are participating Medicare, Medicaid, Optum, Pruitt Health Premier, Georgia Health Advantage, and ARIA providers.
- Our Doctors are fully insured, providing \$2,000,000 / 4,000,000 in Professional Liability coverage.
- The examination has been designed with the understanding of the geriatric patient's unique needs.
- There is no cost to your facility for our service. We are responsible for our own billing.

Our program provides a needed addition to the health care delivery system. It is greatly appreciated by both residents and their families. We would like to present our eye care program to you at your convenience. We can meet at your convenience to discuss the practical nature of such an eye care program at your nursing facility.

We will contact you within two weeks to schedule an appointment. Thank you in advance for the opportunity to serve you and the residents of your facility.

Sincerely,

Mark S. Dickinson, O.D.
